Stack's Bowers Galleries presents the

Spring 2022 U.S. Currency Auction

Hello friends,

Welcome to our Stack's Bowers Galleries Spring 2022 U.S. Currency Auction! This is our first live United States currency auction event of the year, and our team is excited about the great sale we have put together. The auction will be hosted at our Costa Mesa state of the art auction facility — Griffin Studios. Lot viewing will be available during the Whitman Coin & Collectibles Spring Expo in Baltimore March 29-April 1. As we continue our return to "normalcy," we are excited to see many of our clients and dealer friends. Please make sure to stop by and say hello!

As you peruse the pages of this catalog you will find offerings from "the Buck Stopped Here Collection." This cabinet features large size cut-sheets as well as many half-cut sheets of small size currency. Among the highlights is a cut sheet of 1880 $5 and $10 Legal Tender Notes that are courtesy autographed. You will also find an unusual half cut sheet of 1934A $1000 Federal Reserve Notes, along with other rarities.

This auction also features a variety of other fascinating items, from high denomination notes to large size type rarities. The main highlight of the sale is a Fr. 314. 1886 $20 Silver Certificate graded Choice Uncirculated 64 by PCGS Banknote. This is the only Uncirculated example from either grading service. Another standout is a T-3 1861 $100 Confederate in PMG Choice Uncirculated 63, the finest to have ever been offered in a public auction.

We hope you enjoy browsing the catalog, and we look forward to your participation in our Spring 2022 Auction!

Enjoy the paper!

Stacks Bowers Galleries is Pleased to Present

Griffin Studios

The Next Generation of Coin Auctions and Marketing

Throughout our nearly 90-year history, Stack's Bowers Galleries has not only consistently led the industry in setting world record prices, but has also been at the forefront of innovating new and exciting ways to present and auction numismatic collections.

Now more than ever, collectors are bidding online. Embracing this trend, we have created an online experience as compelling and appealing to bidders as attending our in-person auctions. Our industry exclusive Coins In Motion technology constructs high resolution animations that accurately capture the in-hand visual appeal of numismatic treasures. Alongside this proprietary technology, we have now taken the next step to provide online content that will bring the excitement of our auctions to any home or office.

Launched in June 2021, Griffin Studios is a custom-built television, film and event facility based at our headquarters in Costa Mesa, California. Our multi-camera, fully integrated 4k broadcast ready facility will host our online auctions, as well as provide space to view collections and bid in-person. With the ability to send and receive feeds around the world, this nearly 5,000 square foot studio represents the next generation of coin auctions and will firmly cement Stack's Bowers Galleries' position as the industry leader.

Unlike standard broadcast facilities, Griffin Studios has been uniquely designed to host numismatic auctions. Alongside a main set for auctions (with dedicated space for live bidders), a central room will allow for viewing, presentations, and hospitality. A grand entrance provides guests with a stunning view of the studio and impressive control room. We aim to bring a sense of occasion and attract excitement to every event, directly increasing bidding competition and revolutionizing our auction presentation.

NY-198. New York. August 13, 1776. $1/16 (6d). PMG Uncirculated 62 EPQ. No. 4020. Strong black signatures of Voorhis Jr. and Mesier. Printed by Samuel Loudon. New York Arms at right with foreboding motto below "'Tis Death to counterfeit." Equal to six pence, New York Currency. This was the lowest denomination of the series and very choice for the grade. The margins range from wide to enormous on all sides. This note is representative of the expression "eye appeal sells notes." The last example that we sold was a PMG About Unc 58 (no EPQ) that brought $720. Its technical grade notwithstanding, this is one of the prettiest ones you will find.

NC-136b/139/138. North Carolina. December, 1771. 2s6d-1 Pound-10s. PMG Gem Uncirculated 66 EPQ. No. 28033. Signed by John Harvey, John Rutherford, Lewis DeRosset, and Richard Caswell. Seen with wide margins and excellent centering. A superior example of one of the more available colonial-era uncut sheets. The only recent example we have sold recently was a PMG Choice Unc 64 (no EPQ) that realized $720 a year ago. This sheet should easily surpass that figure.

North Carolina. Uncut Sheet of (3) Notes. December 1771. 2s/6d-5s-1s. PCGS Currency Gem New 65 PPQ. No. 19147. Signed by John Harvey, John Rutherford, Lewis DeRosset, and Richard Caswell. Superbly margined, deeply embossed, wonderfully printed, and with the look of a better grade. Easily 90% or more of the sheets that survived in bundles were the 2s6d (House)-1L-10s type. The sheets with the 2s6d (Duck)-5s-1s format are far scarcer and very desirable, particularly at the gem grade level. The example of this type sold by us was way back in 2013 as part of the Ford sales. That one we graded raw Uncirculated and it sold for $822.50.

RI-214. Rhode Island. November 6, 1775. 10 Shillings. PCGS Banknote About Uncirculated 50 Details. Small Repairs, Small Edge Tear. No. 4283. Well signed by John Dexter, John Cole, and John G. Wanton. Printed by John Carter. Due within five years. Masterfully printed on white laid paper. Five thousand notes were printed of this higher denomination and, in 1777, were called in for redemption by November 1, 1778. A very scarce series of Rhode Island notes that did not pay interest. PCGS Banknote cites Small Repairs; Small Edge Tear as the reasons for the Details grade. A perusal of auction records shows that this is easily one of the nicest, if not the very nicest, known.

SC-106. South Carolina. November 15, 1775. 10 Shillings. PMG Extremely Fine 40. No. 9936. Signed by Berwick, Green, and Hall. Uniface small format note. Superbly printed, wonderfully margined, and as bright as if it were printed last week. Very scarce as a lightly circulated and problem free example. The last ten shilling note that we sold was at this same PMG Extremely Fine 40 grade level and it sold for $1,116.25 in our 2015 ANA sale.

SC-148. South Carolina. April 10, 1778. 7 Shillings, 6 Pence. PMG Choice Extremely Fine 45. No. 432. Signed by John Beale and John Peronneau. Printed on laid paper. Beehive vignette at lower right. Floral border design at left. The General Assembly authorized £100,000 in legal tender Lawful Money on March 28, 1778 with the approval to issue additional notes if needed. Denominations ranged between 2s6d and 30s. PMG has commented about Water Stains. Enormously margined on all sides. This is probably the second scarcest, and arguably the scarcest, denomination from this popular series. While notes from this series are quite available, it is due to a high survival rate of sheets of the lower denominations. These second sheets with denominations 7s6d, 15s, 20s, and 30s did not survive in any form and therefore these notes are typically low grade and plagued by problems.

SC-156. South Carolina. February 8, 1779. $70. PCGS Banknote About Uncirculated 55 Details. Repaired Ink Erosion. No. 8349. Signed by Charles Atkins, John Smyth, and Plowden Weston. Printed by Thomas Coram of Charleston. Hope standing by a ribbon with Latin motto SPES MENTIS SOLATIA, translated "Hope is the consolation of the mind." Large vignette on back with mythological figure Prometheus, having angered the Gods for giving fire to man, sentenced to an eternity of a vulture picking away at his liver. PCGS has noted a restoration on the back where there was minor ink erosion. Any AU Coram note is worthy of a four-figure price.

The face shows the sundial at right with motto MIND YOUR BUSINESS. The back displays thirteen interlocking chains with the names of each colony within, a representation of their unity. PMG has cited Rust, Faded Ink. The note faces up with unusually wide margins and bold printing quality. This $1/6 note is the lowest of the four fractional denominations from this series, as well as being the scarcest. We recently sold a problemed PMG About Unc 53 that sold for $1,200.

Lot of (2). CC-96 & CC-101. Continental Currency. January 14, 1779. $45 & 70. PMG About Uncirculated 50 & 53. Both are well signed and well numbered. The $70 note is a much better denomination, particularly at the AU and CU grade levels. Any common denomination AU Continental seems to realize several hundred dollars at auction.

$1,000-$1,500

20016

CC-101. Continental Currency. January 14, 1779. $70. PMG About Uncirculated 53. No. 122457. Boldly signed by Gamble and Snowden. This is the second-highest denomination Continental note, only found in this eleventh, and final, Continental emission. The need arose for higher denominations due to rampant inflation at this time. The emblem shows a tree standing alone. The motto VIM PROCELLARUM QUADRENNIUM SUSTINUIT, which Newman translates "For four years it has withstood the force of storm." This is the lengthiest motto seen on Continental currency. Uncirculated examples are really scarce and even nice AU notes are not so easy to locate. The Newman note graded PCGS EF 45PPQ and escalated to a solid four-figure price. The last example we sold of this $70 denomination was in this same PMG About Unc 53 grade and it realized a healthy $900.

Vignette of Proserpina at left. Banknote format scrip and printed on bond paper. This railroad formed in 1856 as a sort of conglomerate of a few different rail lines. One of these has a name annotation and internal tear spotted by PMG. A truly rare duo.

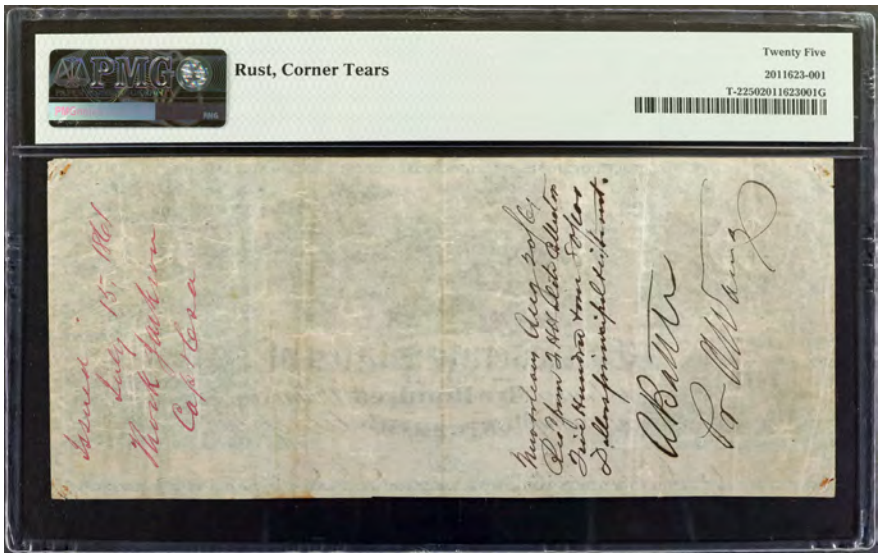
1861 T-2 $500 Montgomery



20036

T-2. Confederate Currency. 1861 $500. PMG Very Fine 25. No. 123, Plate A. 607 examples of this Montgomery $500 were issued by the Confederacy. Today, a little over a hundred are reported to be in existence. The T-2 was engraved and printed by the National Bank Note Company in New York, and features neatly penned signatures of Register of the Treasury Alex B. Clitherall at left and Treasurer E.C. Elmore at right. Seen on the reverse are two manuscript endorsements. The top endorsement is in pink ink and appears to read " Issues July 15, 1861 Mark Jackson Cap / Csa." The bottom endorsement is very difficult to decipher, but appears to read "New Orleans Aug 20/61 Recd from ___ five hundred from 80/100 dollars principal interest". The T-2 is widely regarded for it's artistic beauty (thanks in part to NBNC). Ceres, the goddess of agriculture is shown in the lower left. The central vignette, design by James Smillie, is titled *The Crossing* and features a steam locomotive with cars in tow crossing a bridge over a river with cattle watering themselves as a man on horseback looks on. Bold green security and border prints are seen along with intricate die counters in dark black ink. The amount of "500"s on the face design is staggering, and one could easily get lost trying to count them all. The example offers good appeal for the assigned grade, and would easily be the center of any Confederate collection it enters. PMG comments "Rust, Corner Tears."

$20,000-$30,000

Choice Uncirculated T-3 1861 $100

Astonishing Condition - Only PMG Uncirculated Example!

20037

T-3. Confederate Currency. 1861 $100. PMG Choice Uncirculated 63. No. 1216, Plate A. Hang onto your hats as this lot kicks off, because this is the first appearance of an Uncirculated T-3 in a PMG holder at public auction. About 1,600 of this Montgomery $100's were issued, with a little over 150 known to exist today. PMG has graded 45 examples of this type, with this monster sitting proudly atop the Population Report. This type was engraved and printed by National Bank Note Company in New York. Neatly penned signatures of Clitherall and Elmore are found, with an endorsement of "Issued May 31, 1861" seen on the reverse. The front of the note depicts allegorical Minerva (or Columbia if you are a Northerner) at left, with a detailed depiction of a train pulling into a station at center. At upper right is an ornate die counter seen in jet black ink, while the green border and protector pop in a dark green color. The paper is also bright which helps accentuate all of the design details, especially the dark navy blue serial numbers. The place of issue is Montgomery, as seen next to the lower serial number. The capital of the Confederate States of America was later moved to Richmond on May 29th, 1861.

The T-3 is often regarded as one of the most beautiful types of Confederate paper issued and it is easy to see why: wonderful craftsmanship perfected by the National Bank Note Company adds exceptional flair, while the paper quality of these NBNC notes are far superior to the examples later issued by the Confederacy. This example is found un-cancelled, and is sure to create quite a buzz among Confederate collectors looking to upgrade to this top tier note. This is one of the most attractive examples of this type your cataloger has seen, and we would not be surprised if the high estimate is met or exceeded to take this beauty home. PMG Pop 1/None Finer.

$30,000-$50,000

T-4 1861 Montgomery $50

20038

T-4. Confederate Currency. 1861 $50. PMG Very Fine 30. No. 929, Plate A. Interestingly, this note was endorsed by the same signer who endorsed the T-2 we are offering this sale. This example was "Issued June 30, 1861 Mark Jackson Capt" (some of the words after "Capt" are illegible). The green border and security prints are bold while the dual "50" die counters pop in dark black ink. The federal blue serial numbers remain particularly bold. The number of times "50" can be counted on the design is staggering, comprising the border design, die counters, protectors and security printing. Seen at center is a vignette of slaves hoeing in a cotton field (this design was used before on Southern obsolete notes, and later on the T-41 $100). National Bank Note Company (New York) produced 1,606 of these notes, with about 150+ known to exist today. The hand signed actual signatures of Register Clitherall and Treasurer Elmore remain legible and are neatly penned. Good appeal for the assigned grade, and this would make an excellent addition to one looking to start a Confederate paper collection, or would pair nicely with the T-2 and T-3 we are offering this sale.

PMG comments "Cut Cancelled."

Popular T-27 Confederate

20041

T-27. Confederate Currency. 1861 $10. PMG Very Fine 20. No. 731, Plate AB. Cr-221. PF-1. An elusive Hoyer and Ludwig produced note, of which around 100 are known to exist today. The T-27 was printed on low quality paper and was quickly discontinued for reasons still not known today, which has lead to the low survival rate of this type today. This type is typically encountered in the Fine or below grade level, and this Very Fine note is sure to attract attention from the Confederate paper community. Liberty is depicted at left seated next to a shield & eagle. At right is a vignette of an early locomotive. PMG comments "Tear."

One of the more beautiful examples of this Silver Dollar Back $5 we have had the pleasure of handling. The paper is bright and fresh with nice color and terrific eye appeal found. The 1886 $5 Silver Certificate is among the types best known to collectors for its distinctive back design featuring five Morgan silver dollars, arguably one of the most popular U.S. coin series. The back speaks to the specific coins that backed these certificates, millions of silver dollars held in the vaults of the Treasury Department that were the result of the 1878 Bland-Allison Act. As with all of the fancy back types, this one is beautifully designed with ornate borders and fine security lathe work. Depicted at right on the obverse is Civil War General & 18th President of the Untied States Ulysses S. Grant. This note last traded hands publicly 12 years ago, and given the recent trend of high end type notes we expect a hard fought battle to bring this treasure home. PMG Pop 2/1 Finer.

Fr. 1075a. 1914 Red Seal $100 Federal Reserve Note. Cleveland. PMG Choice Fine 15. Just eight examples of this variety have been graded by PMG, with this example falling in the middle of the population report. Red Seal $100's are always a must-have for large size FRN collectors. This note is a new addition to the current Track and Price census, and as an added bonus has a repeater serial number of "D5353A." Red seal Federal Reserve Notes of the Series of 1914 were replaced after less than a year when the BEP could no longer import red ink from Europe due to the outbreak of World War I. The overprints were printed in blue from then on with the latter type being far more available. PMG comments "Stains Lightened."

Choice $50 Gold Certificate Mule

20194

Fr. 1200am. 1922 $50 Gold Certificate Mule Note. PMG Choice Uncirculated 64. John Burke back plate #14 is displayed just right of center in the field of this wonderfully preserved 1922 $50 Gold Certificate. The same back plate was used on earlier $50 Gold Certificates of the Series of 1913. This variety has the small format serial numbers. This example displays bright paper surfaces, broad margins and exceptionally well printed design elements. This is the single finest example of the variety graded by PMG.

The Series of 1922 notes have an inscription, not present on the earlier issues, in the left field, "THIS CERTIFICATE IS A LEGAL TENDER / IN THE AMOUNT THEREOF IN PAYMENT OF ALL / DEBTS AND DUES, PUBLIC AND PRIVATE / ACTS OF MARCH 14, 1900, AS AMENDED / ON DECEMBER 24, 1919." The back is the same design as the preceding type. As the orange-gold color tended to fade, notes with bright backs are worth more than those with faded color, regardless of the grade.

The print run of this variety was 5,184,000. The surviving population is in the hundreds, with most showing circulation and fading.

Fr. 1215. 1922 $100 Gold Certificate. PMG Fine 12. This note represented quite a chunk of change when it was in circulation. At left is a portrait of "Old Bullion" Thomas Hart Benton, who was a senator from Missouri. It is a bit comical that he was depicted on paper money due to his staunch disapproval of soft (paper) money in favor of gold coin and bullion.

These notes were already cancelled when the fire occurred, and thus were unable to be redeemed. PMG comments "Cancelled."

Lofty Fractional

20207

Fr. 1312. 50 Cents. First Issue. PCGS Banknote Superb Gem Uncirculated 68 PPQ. Plain edges, with monogram. This is undoubtedly one of the finest graded examples of a First Issue 50 Cent fractional. For example, PMG has yet to grade a SGU 68Q of this Friedberg number, and while PCGS Banknote has not released a Pop Report, we would not be surprised if this note is Top Pop at their grading service. The margins are attractive and the centering is lovely. Dark green ink of the face design remains as appealing as the day it was printed. The ornate design on the reverse showcases intricate lathe work in a dark gray color.

Fourth Issue

20209

Fr. 1374. 50 Cent. Fourth Issue. PMG Gem Uncirculated 65 EPQ. Your cataloger has been specializing in Fractional Currency for a very long time and that experience speaks volumes; this Lincoln type is, without question, the single most popular of all the major fractional types. It is well margined gem that has great centering, deep printing, and bright color. A little over a year ago we saw the first of this type top the $10,000 figure. If that is not a clarion call for collecting Lincoln notes then nothing will be.

$2,500-$3,500

PMG comments "Good Embossing" on this highly attractive grouping of the better 1928D $5 Legal Tender notes. The six notes represent a half cut sheet which is incredibly unusually to find as these are a semi key note and any runs are usually broken up and sold individually. Five of the notes are graded Choice Uncirculated 64, and one is graded Choice Uncirculated 63.

This note boasts attractive embossing of the serial numbers and quadruple Specimen overprints. This is by far the best example of this type that we have had the pleasure of offering in our lengthy auction history. Just six examples of this Friedberg number have been graded by PMG at the time of cataloging, with this example being tied for Top Pop with two others. Scarcely offered at public auction, especially so in this condition. PMG Pop 3/None Finer.

Scarce Z-B Block Half-Cut Sheet

20216

Lot of (6). Fr. 1601. 1928A $1 Silver Certificate. PMG Gem Uncirculated 65 EPQ & 66 EPQ. Consecutive. Half Cut Sheet. An awesome offering of six consecutive 1928A Funny Back Silvers from the experimental Z-B block, which hail from a half cut sheet. Four of the notes are in Gem Unc 66 EPQ grades, while two are in Gem Uncirculated 65 EPQ grades. Notes from the Z-B block are sought after today for being part of an experimental set of notes. The BEP tried experimenting with different mixtures of paper during the Great Depression for printing notes, and the Z-B block was the control group which used normal paper. Always sought after in Gem grades, especially so in consecutive offerings such as these examples. The paper is bright on all which accentuate jet black design details and cool blue overprints. A remarkable offering and one that represents more than half of the graded Gems by PMG. PMG 65epq Pop 4; PMG 66epq POP 6/1 finer.

Lot of (6). Fr. 1601. 1928A $1 Silver Certificates. Experimental. PMG Choice Uncirculated 63 EPQ to Gem Uncirculated 66 EPQ. Consecutive. Half Cut Sheet. An impressive offering of six Y-B Block experimental Silvers, which are consecutive from a half-cut sheet. The Y-B block was special because notes were printed on different paper than the X-B/Z-B blocks, with different ratios of linen and cotton fibers. This was done in late 1932/early 1933 during the Depression to determine if the Treasury could save money on printing costs. Grades included are two CU 63Q; CU 64Q; two in GU 65Q; and GU 66Q.

Fr. 1850-H. 1929 $5 Federal Reserve Bank Note. St. Louis. PMG Choice Uncirculated 63 EPQ. Low Serial Number. Low Serial Number 19. An exceptional piece that contains that rare combination of grade and scarcity. St. Louis is the second scarcest district behind San Francisco but is rarely seen in this state of preservation. Tom Flynn had serial number 30 and it brought $6,325 in a PMG Choice Unc 64 EPQ holder back in 2008. The Newman note was an inferior PCGS Choice New 63PPQ and it sold for $4,230 in the inaugural sale of his collection. This same note first realized $4,312.50 in a 2006 sale. A great item.

Fr. 1850-L. 1929 $5 Federal Reserve Bank Note. San Francisco. PMG Extremely Fine 40 EPQ. The San Francisco $5 FRBN has long been regarded as the key to the series. Virtually all examples known fall into the Very Good-Very Fine grade range and are typically dark and soily in appearance. So far as we can tell this PMG Extremely Fine 40 EPQ is in the top 5 condition census. There is a PMG Gem Unc 66 EPQ that we sold for $21,600 in our 2020 ANA sale. There was a PMG AU 55 EPQ that brought $6,600 a year ago and a PMG Extremely Fine 45 EPQ from the Flynn Collection that sold for over $10,000 in its two auction appearances from a decade ago. This evening's offering with Extremely Fine grade and Exceptional Paper Quality designation is a real treasure.

Kansas City LGS notes are available in circulated grades, but Gems are prohibitively rare. This example exhibits lovely originality, which should attract any high denom or small size collector to compete for this prize. Error Notes

Large Size Errors

20309

Fr. 862. 1914 $5 Federal Reserve Note. Richmond. PMG Choice Very Fine 35. Butterfly Fold Error. Large size errors are often quite elusive to locate when compared to their small size counterparts. This Richmond Five displays a fold error on the top left which occurred prior to the second printing process. This resulted in a portion of the face printing being erroneously printed on the fold.

$2,000-$3,000

Error Group Lots

Foldovers

20311

Fr. 1613N. 1935D $1 Silver Certificate. Narrow. PCGS Currency Very Choice New 64 PPQ. Printed Foldover with BEP Rejection Sticker on Face. The treasury seal and roughly 99% of the serial number (minus a portion of the G) have been erroneously printed on the reverse of this Narrow variety Silver. Interestingly, the BEP rejection mark is on the front of the note at right. A small sliver of the spikes from the treasury seal are found on the front of the note.

$1,000-$1,500

20312

Fr. 1908-G. 1974 $1 Federal Reserve Note. Chicago. PMG Gem Uncirculated 65 EPQ. Fold Over Error. A dramatic foldover error is found on this Gem 1974 Ace. The note was folded prior to the third printing (as evidenced by the missing district seal) and during the cutting process, which is why a large amount of sheet selvage remains attached on the top left portion. A neat error, and sure to be well received by the collecting community.

$800-$1,200

Inking Errors

Eye Catching Doubled Back Print Error

20313

Fr. 2011-D. 1950A $10 Federal Reserve Note. Cleveland. PMG Choice Uncirculated 64. Doubled Print Error. No, your eyes are not deceiving you when you look at the back of this $10 FRN: the first print has been doubled resulting in a 3-D effect of the back printing. These doubled print errors are some of the most dramatic and popular error types in the hobby. We regularly see doubled front print errors, but seldom encounter doubled back prints.

$5,000-$7,000

Inverted Reverses

20314

Fr. 1921-D. 1995 $1 Federal Reserve Note. Cleveland. PMG Choice Uncirculated 63 EPQ. Inverted Back Error. Type II inverted back error. A massive faulty alignment and inverted back printing is found on this 1995 Cleveland Ace, and is perhaps one of the more eye catching error types out there. This note is found in a highly attractive Choice Uncirculated grade, with PMG's EPQ designation applied.

$1,250-$1,750

Inverted Third Printings

20315

Fr. 2175-L. 1996 $100 Federal Reserve Note. San Francisco. PMG About Uncirculated 55. Inverted Overprint Error. In addition to the inverted overprint resulting in the treasury seal on the left side and upside-down serial numbers, it is mis-cut, with loss of design at the bottom, and part of another note showing at the top. A dramatic looking $100 with multiple errors evident.

$1,000-$1,500

Miscellaneous Errors

20316

Fr. 2182-B. 2006A $100 Federal Reserve Note. New York. PCGS Currency Extremely Fine 45 PPQ. Cutting Error. A major cutting error occurred on this Series 2006A $100. See photographs. Damage is noticed to the upper left of the PCGS Currency holder.

Mismatched Serial Numbers

Stunning Mismatched S/N Pair

20317

The first note features a mismatched serial number error "T30211030/30211060C" while the second note has the serial number of "T30211060C". Mismatched serial number notes are always popular when offered, but the fact that we are offering the note with the correct serial number (which is also on the error note) is special, and error collectors will jump at the chance to own this special pair.

$3,000-$5,000

20318

Fr. 1621. 1957B $1 Silver Certificate. PMG Superb Gem Uncirculated 68 EPQ. Mismatched S/N Error. A lofty example of this mismatched serial number Silver. Serial numbers are "U37032094A" and "U47032094A."

National Bank Notes

California

Amazing-Newly Discovered Sacramento, CA Sheet

20322

Uncut Sheet of (4). Sacramento, California. $10-10-10-20 1902 Plain Back. Fr. 628/654. The Capital NB. Charter #10107. PCGS Banknote Choice Extremely Fine 45. The Capital National Bank was chartered on November 18th, 1911 and issued a whopping $7,192,540 during its operating tenure. The bank lasted through the end of the National Currency era in 1935, with $20,025 reported outstanding. This is the second sheet to come forth from the bank, and is sure to be well received by collectors seeking a sheet from the capital city of California. Five banks issued currency in Sacramento, with the other four banks reportedly having no known sheets available to collectors. This is the first sheet to be offered publicly to collectors from this bank, and we are sure this example will attract spirited bidding. The other sheet known is a $5 Plain Back with no auction records, and this $10-$10-$10-$20 sheet is presumed to be unique to survive for the bank. The paper is bright with dark design elements and cool blue overprints standing out. PCGS Banknote comments "Pinholes, Edge Tear, Minor Mounting Remnants."

$5,000-$10,000

Colorado

20323

Brush, Colorado. $5 1902 Plain Back. Fr. 598. The First NB. Charter #6437. PMG Very Fine 20. Clearly a veteran of numerous transactions in this small Morgan County town, this Plain Back $5 remains intact with moderately toned paper. A scarce note that realized $1,560 when last offered in a recent September 2019 auction.

$1,000-$1,500

20324

Las Animas, Colorado. $10 1902 Plain Back. Fr. 634. The First NB. Charter #6030. PMG Choice Fine 15. With only one high-grade Large Size note surviving from the FNB of Las Animas, Colorado, perhaps one can forgive a bit of repair to this otherwise attractive and only modestly-circulated example. Pleasing off-white paper, good overprint color, clear signatures and great centering should keep this note in serious consideration. PMG comments "Repaired, Piece Added."

$1,000-$1,500

Connecticut

20325

Bridgeport, Connecticut. $5 1902 Red Seal. Fr. 587. The Bridgeport NB. Charter #910. PMG Very Fine 30. This scarce Red Seal $5 from the Bridgeport National Bank in Connecticut is notable for its large, crisp black signatures. Evenly worn with pleasing off-white paper, we must mention a small tear at the center top margin. Its last offering in September 2007 drew a winning bid of $2,530. PMG comments "Small Tear."

$1,500-$2,500

20326

Danbury, Connecticut. $20 1882 Brown Back. Fr. 494. The Danbury NB. Charter #943. PMG Very Fine 25. The finer of only two 1882 Brown Backs from the Danbury National Bank on the Census, this most attractive VF 25 has broad, virtually perfectly balanced margins, rich brown overprint, sharp light brown pen signatures and very good paper quality. Clearly a note that saw limited use. Last sold in August 2012 for $1,292.50.

$800-$1,200

20327

Hartford, Connecticut. $5 1902 Red Seal. Fr. 587. The Hartford NB. Charter #1338. PCGS Currency Choice New 63 PPQ. A seldom-seen uncirculated Red Seal note from the Hartford National Bank, this Choice New 63PPQ from PCGS reminds one how bright and attractive these notes were when they were new. There is one other uncirculated example known with similar bank and treasury serial numbers, suggesting the existence of a sheet a number of years ago. Over thirty years have passed since this note last crossed the auction block in 1991, at which time it brought $525. More recently, the other Uncirculated example brought $2,645 in June 2012 and is a far better indicator of this note's present value.

$1,500-$2,500

20328

Middletown, Connecticut. $5-$5-$5-$5 1902 Plain Back. Fr. 598. The Central NB. Charter #1340. About Uncirculated. One of just two sheets available to collectors for this popular Middlesex County issuing bank according to Track and Price. This note last traded hands publicly in a 2005 sale, and is sure to attract attention tonight. This note has been water damaged, and is extremely brittle.

$2,000-$3,000

From the "This Buck Stopped Here" Collection.

20329

Mystic River, Connecticut. $5 1929 Ty. 2. Fr. 1800-2. The Mystic River NB. Charter #645. PMG Choice Uncirculated 64. An exceptionally choice Type 2 $5 from the Mystic River National Bank in Mystic CT. With almost perfect centering as well as every other aspect of this note being beyond reproach, we would have difficulty imagining a finer example. Oddly, this note appears neither on the Kelly Census nor Track & Price. There are three others listed, all EF or lower. An EF 45 brought $822.50 in August 2012, so we can only imagine what this 64 might bring. A true showpiece for the condition conscious collector.

$800-$1,200

20330

New Canaan, Connecticut. $5 1875. Fr. 401. The First NB. Charter #1249. PCGS Currency Very Fine 20. A problem-free and attractive first Charter $5 from the First National Bank of New Canaan, CT, the only issuer in this upscale Fairfield County town. New to the Census in 2012, it joined only one other (Very Good) example and is certainly the better of the two presently known. With a strong red overprint and sharp, clear pen signatures, it is a solid early issue from this much sought-after bank. It required a bid of $4,406 to acquire this note in its initial offering in August 2012.

$2,000-$3,000

20331

New Haven, Connecticut. $5 1902 Red Seal. Fr. 587. The Second NB. Charter #227. PMG Choice Very Fine 35. An unusually fresh and crisp Red Seal $5 from the Second National Bank of New Haven, CT, this note at a quick glance appears almost new. A bit closer inspection reveals three light folds, but the overall brightness of the paper, vibrancy of the overprint and sharpness of the signatures suggest a higher grade. While we should point out that there are a few Uncirculated examples of Red Seal $5s from this Charter around, this one comes far closer than one might expect from a VF 35. In June 2008, it brought $1,955. Another example has not been sold since.

$1,000-$1,500

20332

Uncut Sheet of (6). New Haven, Connecticut. $5 1929 Ty. 1. Fr. 1800-1. The Merchants NB. Charter #1128. About Uncirculated. The sole sheet recorded in Track and Price's census for this popular issuer. This sheet has been off the market for over a decade publicly, and is sure to garner quite a bit of attention when it crosses the auction block. This sheet has been water damaged, and is extremely brittle.

20333

Uncut Sheet of (6). New Haven, Connecticut. $5 1929 Ty. 1. Fr. 1800-1. The National Tradesmen's Bank & TC. Charter #1202. About Uncirculated. The second title for this New Haven issuing bank. This is the sole sheet recorded in Track and Price's census, and last traded hands publicly in a 2005 sale. This sheet has been water damaged, and is extremely brittle.

$1,000-$1,500

From the "This Buck Stopped Here" Collection.

20334

Rockville, Connecticut. $5 1929 Ty. 1. Fr. 1800-1. The First NB. Charter #186. PMG Choice About Uncirculated 58. Serial Number 6. What appears to be a new note to both the Kelly Census and Track & Price, this Type 1 $5 from the FNB of Rockville, CT bears Serial No. 6, and is virtually indistinguishable from new. From the front, it appears new, but a look at the back suggests perhaps it was lightly folded once, but it's hard to tell. It's been a number of years since a choice AU has traded hands publicly, but based on history, we expect this note to break into the four-figure range.

$1,000-$1,500

20335

Stamford, Connecticut. $20 1902 Red Seal. Fr. 639. The First NB. Charter #4. PMG Very Fine 20. Chartered in June, 1863, the First National Bank of Stamford was one of the first and longest-lived of the National Banks, continuing to issue notes through the end of the series in 1935. Only two Red Seals from this bank are known; a $10 and this $20. With lightly toned paper, good red overprint and sharp dark pen signatures, this note appears to be a quite pleasing, evenly worn example. A minor repair, which we believe is a small closed tear at the left margin, detracts very little from the overall eye appeal of this note. From our May 2006 sale where it realized $4,025. PMG comments "Minor Repair."

$1,500-$2,500

Delaware

20336

Milford, Delaware. $10 1875. Fr. 417. The First NB. Charter #2340. PCGS Currency Choice About New 55. A small group of AU-Uncirculated First Charter $10s from the First National Bank of Milford, Delaware has long provided both collectors of Delaware Nationals as well as type collectors an opportunity to acquire a top quality example from a series that is usually seen in lower grades. Nicely centered with no real trace of wear or circulation, this note is a veritable time capsule that returns you to the mid 1870s when all First Charter $10s looked like this. This particular note last realized $6,640 when sold in November 2012.

$2,000-$3,000

Illinois

20337

Aurora, Illinois. $50 1902 Plain Back. Fr. 677. The Merchants NB. Charter #3854. PMG Choice About Uncirculated 58. A lovely Plain Back $50 which boasts bright paper, dark black design details and cool blue overprints. This denomination is always popular among national collectors, especially so in this grade level.

$2,000-$3,000

20338

Kansas, Illinois. $2 Original. Fr. 389. The First NB. Charter #2011. PCGS Currency Choice About New 58 Apparent. Small Edge Nick at Top Right. Lazy Deuces are always popular among collectors, and this high grade example is sure to please. The overprints pop in dark cherry red ink. Boldly penned signatures remain fully legible & neat. The reverse features a detailed vignette at center of Sir Walter Raleigh exhibiting items from the New World to the Old World, which consist of corn and smoking tobacco. Surrounding the central vignette on the reverse is intricate lathe work in dark green ink, with the state seal of Illinois at left and the seal of the United States at right. Collectors will be hard pressed to find a more attractive Original Series Deuce. PCGS Currency comments "Small Edge Nick at Top Right."

$6,000-$8,000

20339

Pawnee, Illinois. $10 1902 Date Back. Fr. 616. The NB. Charter #7440. PMG Very Fine 25. A bright and fresh VF 25 $10 Date Back from the National Bank of Pawnee, IL with four full margins, rich blue overprint, crisp white paper and sharp clear signatures, it offers plenty of eye appeal. A minor repair to the upper left corner was skillfully done and detracts very little. From our June, 2005 sale where it brought $2,070. PMG comments "Corner Tear Repair."

$800-$1,200

Indiana

20340

Elkhart, Indiana. $5 1882 Brown Back. Fr. 466. The First NB. Charter #206. PMG Choice Fine 15. This Elkhart County issued Brown Back displays the always in demand Circus Poster font of the bank name, incorporating six different font styles making up "First National Bank of Elkhart (Indiana) Will Pay the Bearer on Demand Five Dollars." The penned signatures are still visible, and the brown ink on the back still sharp for the assigned grade. Collectors will rejoice at the chance to jump on this example without having to pay for a bank rarity or for a serial number one premium.

$2,000-$3,000

20341

Lebanon, Indiana. $1 Original. Fr. 382. The First NB. Charter #2057. PCGS Currency Choice New 63 PPQ. This Choice Uncirculated original series Ace boasts fully original paper and lovely appeal. The overprints stand out in dark red ink on attractive paper. The penned signatures are dark and neatly penned.

$3,000-$5,000

Iowa

20342

Sioux City, Iowa. $5 1882 Date Back. Fr. 534. The Live Stock NB. Charter #5022. PMG Fine 12. A search on both the Kelly Census and Track & Price for an 1882 Date Back from the Live Stock National Bank of Sioux City, Iowa comes us blank, leading us to believe that this is a most infrequently-encountered note. In addition to its obvious rarity, it features the immensely popular and attractive "Circus Poster" layout of the bank's title. While showing plenty of signs of use, the note appears to be free from any damage or restoration. While there are obviously no prior sales or anything even close, we trust those parties interested in this note will appreciate it for its extreme rarity.

$2,000-$3,000

Kentucky

Gem $20 1882 Value Back

20343

Elizabethtown, Kentucky. $10 1882 Value Back. Fr. 579. The First Hardin NB. Charter #6028. PCGS Banknote Gem Uncirculated 66 PPQ. An exceptionally well printed and very well preserved 1882 $10 Value Back from Kentucky. Plentiful margins frame the sharply inked plate impressions on both the face and the back. The importance of electricity was illustrated in the vignettes Franklin and Electricity at left (depicting the founding father's famous kite experiment) and America Seizing the Lightning at right. The green printed back design features the denomination spelled out at center, hence the "Value Back" nickname these notes are known by. To the left is a portrait of Secretary of the Treasury William P. Fessenden, while a mechanic is shown at right.

The First-Hardin National Bank was chartered initially as the Hardin National Bank in November of 1901. It adopted its second title, that seen on this note, mid-way through their usage of Value Backs. The bank issued just over $2 million in both large and small size through 1935. PCGS Banknote has yet to release a population report, however we can imagine that this note is towards the top. PCGS Banknote comments "As Made Paper Wrinkles."

Elusive Louisiana National Type 2 $10 Sheet

20345

Uncut Sheet of (6). Norco, Louisiana. $10 1929 Ty. 2. Fr. 1801-2. The St. Charles NB. Charter #13839. PMG About Uncirculated 53. A scant nine small size notes and two sheets are reported in Track and Price's census for this incredibly scarce Louisiana issuer. The St. Charles NB was chartered in 1933, just two years before National Banking came to a close. This sheet last traded hands in a 2020 auction, with auction records of single notes being few & far between. The other known sheet appears to have no public auction records. Collectors will go nuts at the chance to cross this elusive issuer off of their want list today, so expect a hard fought bidding war to take this treasure home. PMG comments "Stains."

$10,000-$15,000

Maine

20346

Augusta, Maine. $5 1882 Brown Back. Fr. 466. The First NB. Charter #367. PMG Very Good 10. This Brown Back $5 from the First National Bank of Augusta, ME features the coveted Circus Poster layout. While well-worn with some work done at the left margin, the only other known example likewise grades only Very Good, so is unlikely to be too much better. This particular note realized $1,762.50 in a September 2013 auction. PMG comments "Edge Repair."

$1,500-$2,500

20347

Brunswick, Maine. $10 1875. Fr. 416. The First NB. Charter #192. PMG Fine 12. That this note served its time in the cash registers and pockets of numerous businesses and owners is beyond question. However also beyond question is its rarity, being the only First Charter $10 from the FNB of Brunswick, Maine to be located to date. Yes, the paper is well worn, but the red overprint and ink signatures remain quite clear. The centering likewise is above average for a First Charter note. While one might hope for a better example, another has not surfaced in a century and a half, so we offer this as the sole survivor. In an October 2006 offering, this note garnered a winning bid of $2,186. PMG comments "Internal Tear Repair."

Ellsworth, Maine. $5 1882 Brown Back. Fr. 470. The Burrill NB. Charter #3804. PMG Choice Fine 15. Exhibiting virtually perfect margins and uniform, even wear, this problem-free $5 Brown Back from the Burrill National Bank of Ellsworth, ME (later the Liberty NB of Ellsworth) is the only First or Second Charter $5 to appear on the Census. The paper has toned to a pleasing light tan color and both the ink signatures and brown overprint remain sharp and clear. While certainly worn, this note packs plenty of eye appeal for the grade.

$1,000-$1,500

20349

Thomaston, Maine. $10 1875. Fr. 416. The Georges NB. Charter #1142. PMG Extremely Fine 40 EPQ. With a pedigree extending back to a Bluestone sale in March, 1946, this is truly an exceptional First Charter $10 from the Georges National Bank of Thomaston, Maine. Grading EF 40 EPQ, it evidences almost no handling from circulation save for a few light folds which barely even break the paper. The deep and vivid red overprint literally leaps off the paper and the two razor sharp ink signatures look like they were signed yesterday. Add to all this that this is the only First Charter $10 from this bank on the Census and you have a note that combines both condition and rarity. We expect substantial interest in this outstanding item which last sold in June 2009 for $2,760.

$2,000-$3,000

Maryland

20350

Upper Marlboro, Maryland. $5 1902 Plain Back. Fr. 607. The First NB of Southern Maryland. Charter #5471. PMG Very Fine 20. An evenly-circulated, well-balanced and problem-free example from this elusive Prince George's County bank. With a good overprint and sharp signatures, it is an ideal mid-grade note. While no prior sales were located for this particular note, an only slightly better example (PMG VF 30) recently brought $1,440 in a January 2018 sale.

$1,000-$1,500

Massachusetts

20351

Beverly, Massachusetts. $5 1875. Fr. 402. The Beverly NB. Charter #969. PMG Choice Fine 15. As the only-known Series 1875 $5 from the Beverly National Bank, those collecting from this State or Bank are short of alternatives. Exhibiting considerable wear as one might expect by the grade, the color and paper are quite acceptable for a Fine 15. Some light restoration work to the corners is noted. PMG comments "Corner Repairs."

$1,000-$1,500

20352

Beverly, Massachusetts. $10 1882 Brown Back. Fr. 480. The Beverly NB. Charter #969. PMG Very Fine 20. Track and Price's census reports that this is the first $10 Brown Back to come forth from this Essex County issuing bank. PMG comments "Signatures Redrawn."

$1,000-$1,500

20353

Fitchburg, Massachusetts. $5 1882 Brown Back. Fr. 474. The Safety Fund NB. Charter #2153. PMG Very Fine 30. A striking 1882 Brown Back $5 from the Safety Fund National Bank of Fitchburg, Mass. featuring the attractive and rare *Circus Poster* layout on the front. While some light folds are naturally visible, the paper quality remains very good and the overprints show rich color. Sharp pen signatures and four full margins add to the appeal of this note. The minor rust referred to by PMG appears to be a couple of almost imperceptible spots, well concealed within the ornate line patterns on the back. This note realized $1,754 when last offered in a September, 2002 sale. PMG comments "Minor Rust."

$2,000-$3,000

20354

Fitchburg, Massachusetts. $5 1882 Date Back. Fr. 534. The Safety Fund NB. Charter #2153. PMG Very Fine 25. A VF-25 1882 Date Back from the Safety Fund National Bank of Fitchburg, Mass featuring the desirable *Circus Poster* layout on the front. While all Circus Poster layouts are very scarce, they are very seldom seen on Date Backs as by their appearance in 1908, the Treasury had retired nearly all the plates with this fancy design. Nice off-white paper, sharp signatures and a rich blue overprint contribute to the visual appeal of this note. The margin is trimmed a bit at the top but that only slightly detracts from this otherwise attractive offering. Only two $5 Date Backs from this bank appear on the census. A similar note to this, also graded VF 25 by PMG, realized $4,080 in an April 2018 sale.

$3,000-$5,000

20355

Fitchburg, Massachusetts. $5 1882 Brown Back. Fr. 474. The Safety Fund NB. Charter #2153. PMG Very Fine 20. A second *Circus Poster* fancy layout on an 1882 $5 Brown Back from the Safety Fund National Bank of Fitchburg, Mass. This one bears the regional letter, and different signers at the bottom and while slightly more worn than the last, is a bit better centered. A great opportunity to acquire an example of this rarely-seen design variant.

$2,000-$3,000

20356

Harwich, Massachusetts. $1 Original. Fr. 380a. The Cape Cod NB. Charter #712. PMG Very Fine 20. Exhibiting the typical "New England" trim, this appears to be a new addition to the Kelly Census and joins two other Original Series $1s from the Cape Cod National Bank of Harwich. The paper has toned to an even shade of light tan, but the red overprint and signatures remains strong and clear. Overall, the note looks evenly worn with no distractions or problems. Track & Price records no prior sales of any Original Series $1 from this Charter making this a very rare opportunity to acquire a very early issue from this popular bank.

$1,000-$1,500

20357

Harwich, Massachusetts. $5 1882 Brown Back. Fr. 467. The Cape Cod NB. Charter #712. PMG Choice Very Fine 35. Likely the finest of the six Brown Back $5s from this bank shown on the Census, this well-centered example exhibits only light wear from three vertical and one horizontal fold. The paper remains a crisp off-white shade and the brown pen signatures are sharp and clear. Due to its rich history, all Cape Cod area banks are popular with collectors and this problem-free example should draw plenty of interest. It last realized $2,531 in a March 2009 sale.

$2,000-$3,000

20358

Harwich, Massachusetts. $5 1882 Brown Back. Fr. 467. The Cape Cod NB. Charter #712. PMG Very Fine 20. While not the equal of the other 1882 Brown Back $5 from this Cape Cod bank, this remains an acceptable mid-grade note. While the paper has toned some and the top margin is close, the overprint and signatures remain clear and PMG noted no problems worthy of mention. Track & Price lists no prior sales for this particular note, but lower grade examples sold for $1,292 and $2,115 in 2013 and 2015 respectively.

$1,000-$1,500

20359

Harwich, Massachusetts. $5 1882 Brown Back. Fr. 467. The Cape Cod NB. Charter #712. PCGS Currency Very Good 10. Well circulated but problem-free and quite pleasing for the grade, this 1882 Brown Back from the Cape Cod National Bank of Harwich boasts four full and clear margins, sharp and legible pen signatures and superior eye appeal for a VG 10. This note last sold in September 2013 for $1,292.50.

$1,000-$1,500

20360

Harwich, Massachusetts. $10 1882 Brown Back. Fr. 480. The Cape Cod NB. Charter #712. PMG Very Fine 30 EPQ. From the Cape Cod National Bank of Harwich Mass. comes this Brown Back $10. Graded VF 30 and fully deserving of the EPQ designation, it has crisp off-white paper unmarred by excessive folds or wear. The brown and red overprints are sharp and clear as are the signatures. While the top margin is close it just clears the design. One of only two shown on the Census, it is far and away the superior. Track & Price shows no sales of any Brown Back $10 from this bank, making this the first offering in some time for this issue.

$2,000-$3,000

20361

Harwich, Massachusetts. $5 1902 Plain Back. Fr. 598. The Cape Cod NB. Charter #712. PMG Choice Extremely Fine 45 EPQ. This Plain Back $5 from the Cape Cod National Bank of Harwich is, by a wide margin, the finest of the two known specimens. As noted by PMG, the paper quality and embossing is exceptional and aside from three light folds, appears almost new. The bottom margins on both known examples are tight. Liquidated in 1920, only Large Size notes are known. PMG comments "Exceptional Embossing."

$1,000-$1,500

20362

Haverhill, Massachusetts. $5 1902 Red Seal. Fr. 587. The Merrimack NB. Charter #633. PCGS Currency Very Fine 30 PPQ. This long-lived and prolific Essex County bank (Chartered in 1864 and closed in 1934) issued the full range of National banknotes. The 1902 Red Seals however are quite scarce with only three $5 notes listed on the Census. With Premium Paper Quality (PPQ) and a bright red overprint it appears the equal of the example sold in May 2009 for $1,725.

$1,500-$2,500

20363

Hyannis, Massachusetts. $1 Original. Fr. 380b. The First NB. Charter #1107. PMG Very Fine 30. A refreshing change from the usual well-worn Original Series $1s, this splendid note from the First National Bank of Hyannis, Mass. is really a delight to the eyes. Fresh off-white paper, generous balanced margins, vibrant red overprint, sharp and clear pen signatures and superb eye appeal mark this as an opportunity for the condition conscious collector. This storied Cape Cod village in the town of Barnstable has been a popular tourist destination over the years and early notes from this locale are always in high demand. From our sale of August 2019, where it realized $2,880.

$2,000-$3,000

20364

Hyannis, Massachusetts. $1 1875. Fr. 386. The First NB. Charter #1107. PMG Very Fine 20. While not excessively worn like some Original and 1875 Series Aces, we must mention a partially sealed tear at the center left margin and smaller ones in the upper left corner and right center margin. Some minor work is also evident at the lower right corner. This Cape Cod bank is always popular with collectors and even if this note is not perfect, the overall look is really quite good. The margins, overprint and signature are all fine for the grade, and the visual impact of the aforementioned issues is really relatively minor. PMG comments "Tear Repairs."

$1,000-$1,500

20365

Lawrence, Massachusetts. $5 1882 Brown Back. Fr. 470. The Merchants NB. Charter #3977. PMG Choice Fine 15. While this $5 Brown Back from the Merchants National Bank of Lawrence, Mass. has certainly spent its share of time in the channels of commerce, it is nonetheless a relatively pleasing and problem-free note for the grade. The paper is certainly toned, but the centering is good with four even and ample borders, the signatures are light but clear and the overprint retains some color. Only two others appear on the Census, so it is by no means common. From our September 2011 sale where it brought $1,092.

$1,000-$1,500

20366

Lynn, Massachusetts. $5 1902 Red Seal. Fr. 587. The Central NB. Charter #1201. PMG Fine 12. Looking every bit as nice as one could expect from a Fine 15, this attractive and very evenly worn, problem-free note is loaded with eye appeal for the grade. Nice red overprint, four clear margins, sharp signatures and lightly toned off-white paper pretty much check all the boxes for what one could look for in a circulated National. Add to all this, that it's the *only* 1902 Red Seal from the Central National Bank of Lynn listed on the Census, and you have all the ingredients for a true highlight. From a June 2011 auction where it brought a well-deserved bid of $2,760.

$1,000-$1,500

20367

Marlborough, Massachusetts. $10 1882 Date Back. Fr. 545. The Peoples NB. Charter #2404. PMG Choice Very Fine 35. Showing considerably less evidence of circulation than its grade might suggest, this extremely fresh 1882 Date Back from the Peoples National Bank of Marlborough, Massachusetts certainly has ample claim to a higher grade. Crisp white paper, bold signatures, rich blue overprint and four razor sharp corners leave little more one could ask for, particularly on a VF 35. A tight top margin still clears the design. A March 2011 sale of this note netted $2,070.

$1,000-$1,500

20368

New Bedford, Massachusetts. $5 1929 Ty. 1. Fr. 1800-1. The First NB. Charter #261. PMG About Uncirculated 55. Serial Number 1. A nicely-centered Serial No. 1 note from the FNB of New Bedford Mass. with only one extremely light, almost imperceptible center fold to account for the AU grade. Unlike some No. 1s, where numerous copies are known from cut sheets, this one is unique with no other examples with Serial Numbers under 5000 appearing on the Census. This note realized $1,840 when last offered in June 2004.

$1,000-$1,500

20369

New Bedford, Massachusetts. $1 Original. Fr. 380. The Mechanics NB. Charter #743. PMG Very Fine 20. An attractive mid-grade Original Series $1 from the Mechanics National Bank of New Bedford, this note is one of the better survivors. Pleasing off-white paper and four clear borders (though the right border is tight). From our May 2006 sale where it brought $1,725 and now pedigreed to the collection of Q. David Bowers.

$1,000-$1,500

20370

New Bedford, Massachusetts. $10 Original. Fr. 412a. The Merchants NB. Charter #799. PMG Very Fine 20. A search of the Kelly Census and Track & Price for an Original Series $10 from the Merchants National Bank of New Bedford, Mass. comes up blank, leading us to believe that this note may be somewhat elusive. Appearing better than many Original Series notes, this VF 20 retains a good red overprint, sharp pen signatures, even wear and pleasing off-white paper. No damage, restoration or other issues were noted by PMG. As the only Original Series $10 from this bank to appear thus far, we expect considerable interest in this lot.

$1,500-$2,500

20371

New Bedford, Massachusetts. $5 1875. Fr. 401. The Citizens NB. Charter #2262. PMG Very Fine 20. Looking well above average for a Series 1875 $5, this most attractive VF 20 has a bright red overprint, four clear margins, sharp and clear signatures and off white paper that retains much of its crispness. It does not appear on the Census, but as we feel it would be at home in a slightly higher grade holder, we believe this one to be better than the other two presently listed.

$1,000-$1,500

20372

New Bedford, Massachusetts. $100 1929 Ty. 1. Fr. 1804-1. The Safe Deposit NB. Charter #12405. PMG Very Fine 20. Serial Number 9. Bearing Serial Number 9 and one of only two from the Safe Deposit National Bank of New Bedford, this Type 1 $100 evidently has had minor repair, but was skillfully done and bears little trace of that now. This note realized $1,092.50 when last sold in June, 2005, but the other example (in virtually the same condition) more recently brought $2,232.50 in April 2014. PMG comments "Minor Repair."

$1,000-$1,500

20373

Newburyport, Massachusetts. $5 1902 Plain Back. Fr. 598. The First & Ocean NB. Charter #1011. PMG About Uncirculated 53 EPQ. While a handful of Plain Back $5s from the First & Ocean NB of Newburyport Mass. are around, most are in the F-VF range and only a couple of others enter the EF-AU class. This crisp and bright example shows little to no wear and while cut a bit unevenly at the bottom, retains a clear margin with no loss of design.

$1,000-$1,500

20374

Newton, Massachusetts. $5 1902 Plain Back. Fr. 611. Newton NB. Charter #13252. PMG Choice Uncirculated 63. While a hoard of Uncirculated Plain Back $5s from the Newton National Bank has been on the market for a number of years, seeing any Large Size National in this condition still brings a small thrill. Chartered in November 1928, this bank was one of the last to be chartered during the Large Size era and issued only a few Plain Back notes before converting to the Small Size notes a few months later. In 1935, only $870 in Large Size notes was shown as outstanding. A superb and relatively affordable example, you will have trouble finding a more attractive choice for a type set than this.

$1,000-$1,500

20375

Quincy, Massachusetts. $100 1929 Ty. 1. Fr. 1804-1. The National Mount Wollaston Bank. Charter #517. PMG Choice Very Fine 35. A tough high-denomination note from this relatively scarce bank, with only four examples presently known. Displaying only light circulation with a faint centerfold, good clear margins and crisp nearly white paper, this is a very solid specimen. From a January 2006 auction where it brought $1,610.

$800-$1,200

20376

Tisbury, Massachusetts. $5 1902 Plain Back. Fr. 599. The Martha's Vineyard NB. Charter #1274. PMG Very Fine 30. A full-margined and lightly-worn 1902 Plain Back $5 from this highly-collected Bank in Tisbury, Mass., it possesses clean, off-white paper and a nice blue overprint, although the signatures have faded. Nonetheless, an attractive example from this popular institution. While no prior sales for this particular note have been documented, we can mention that two other VF 30s have each realized bids in excess of $5,000 over the past ten years.

$3,000-$5,000

20377

Tisbury, Massachusetts. $5 1902 Plain Back. Fr. 599. The Martha's Vineyard NB. Charter #1274. PMG Very Fine 30. This 1902 Plain Back $5 from the Martha's Vineyard National Bank of Tisbury appears to be a new addition to the Census, as it has not been previously documented. Extraordinarily broad and balanced margins, crisp white paper and legible signatures give this note excellent eye appeal. A tiny tear is seen at the upper left margin but that detracts little from the overall attractiveness of this note. PMG comments "Tear, Stains Lightened."

$2,500-$3,500

20378

Tisbury, Massachusetts. $20 1902 Plain Back. Fr. 651. The Martha's Vineyard NB. Charter #1274. PMG Choice Fine 15. According to our research, no Large Size $20 from the Martha's Vineyard National Bank of Tisbury has been offered for sale over the past several decades. This is the first and while it appears on the Census, auction appearances are conspicuously absent. While it has definitely been in a few pockets and wallets, it appears to be free from any problems, and is simply a nice circulated note fully representative of the assigned grade of Fine 15. The signatures are a bit worn but fully legible and the bottom margin is close, but full. An extremely rare opportunity to acquire a Large Size $20 from this popular and collectible Bank, and one unlikely to be repeated soon.

$1,500-$2,500

20379

Whitman, Massachusetts. $5 1882 Brown Back. Fr. 472. The Whitman NB. Charter #4660. PMG Choice Very Fine 35 EPQ. Just five large size notes are reported in Track and Price's census for this Plymouth County issuer. Up until tonight, just one Brown Back $5 was available to collectors from this bank, with this note being a new & welcomed addition to the current census. The Whitman National Bank was issued in 1891 and issued a meager $332,730 during its tenure, with just $510 reported out for large size in 1935 at the end of the National Currency era. This example is far superior to the other $5 Brown Back known on the bank, which has not made a public auction appearance since 2011. This note is offered in an appealing mid-grade with PMG's all-important EPQ qualifier applied. The penned signatures are neat, and the paper is bright.

$6,000-$8,000

20380

Yarmouth, Massachusetts. $5 1902 Date Back. Fr. 590. The First NB. Charter #516. PMG Choice Uncirculated 64. Looking as fresh as the day it was made, this Choice Uncirculated 64 reminds us of how attractive these notes were when they were new. A real visual gem from this popular Cape Cod community Bank. PMG comments "Good Embossing."

$1,000-$1,500

Michigan

20381

Howell, Michigan. $10 1929 Ty. 2. Fr. 1801-2. First NB. Charter #14144. PMG Very Fine 25. An incredibly scarce bank charter, with just four examples recorded in Track and Price's census. This example is a new & welcomed addition to the current census. It has been nearly a decade since a note from this Livingston County issuing bank traded hands at public auction, and this note is sure to fill a void in any Michigan collection.

$1,500-$2,500

Missouri

20382

Butler, Missouri. $1 Original. Fr. 382a. The Bates County NB. Charter #1843. PMG Choice Fine 15. A First Charter Ace from this small Bates County MO community that hosted three issuers over the years, notes from this bank are effectively the only ones available. While the note presents quite well, the red overprint has faded and PMG notes some minor repairs. The paper has toned to a pleasing light tan, and the signatures are light but fully visible. This note realized $3,220 at its last sale in April 2006. PMG comments "Discoloration, Minor Repairs."

$1,000-$1,500

Montana

20383

Missoula, Montana. $10 1882 Brown Back. Fr. 484. The Western Montana NB. Charter #3995. PMG Choice Fine 15. Although nearly ten Plain Back $10s from the Western Montana National Bank of Missoula, MT are known, there is only one Brown Back accounted for. We present it here and can say that one should not be misled by the relatively low PMG grade of Fine 15. Other than some tan toning of the paper, this is really quite a nice note. For openers, it is almost perfectly centered with four clear and balanced borders. The brown overprint remains strong and retains good color. The pen signatures are sharp and legible. We have seen far worse notes in this grade and few better. If you are a collector of Montana notes, do not make the mistake of passing this one up. It is the only Brown Back $10 available and for a Fine 15, will be a pleasant surprise.

$3,000-$5,000

Nevada

20384

Reno, Nevada. $5 1902 Plain Back. Fr. 606. The Reno NB. Charter #8424. PMG Very Fine 25. From the Reno National Bank (formerly named the Nixon National Bank), this Plain Back $5 has outstanding eye appeal for a VF 25, with crisp off-white paper, bold stamped signatures, four clear margins and good overprint. PMG noted minor repairs which appear to be at the bottom center margin but were skillfully done and now have little visual impact. According to the records, this note has not been publicly offered in 44 years. PMG comments "Minor Repairs."

$1,000-$1,500

New Jersey

20385

Cranford, New Jersey. $5 1929 Ty. 2. Fr. 1800-2. The First NB. Charter #12263. PMG Gem Uncirculated 65 EPQ. A new addition to the Kelly Census and quite likely the finest of the 16 currently known. Looking much as it did when it came off the presses in 1935, this is one of the last notes printed. Far and away the nicest Type 2 $5 from the FNB of Cranford, NJ ever to be offered.

$1,000-$1,500

20386

Lot of (4). Hillsdale, New Jersey. $5 1902 Plain Back. Fr. 609. The Hillsdale NB. Charter #12902. PMG Choice Uncirculated 63. A cut sheet of four Plain Back $5s from the Hillsdale National Bank in New Jersey. Containing plate positions A-D for Serial No. 10345, this appears to be one of several sheets preserved and later cut from this bank in the Serial No. range from 10339 to 10346. All four notes are full-margined Uncirculated 63's, though the plate position C note was marked as "Previously Mounted." We are somewhat baffled by this, as all four notes appear to be nearly identical to us and we can detect no evidence. The "Minor Stains" on the "A" note are indeed minor, and affect nothing. The "D" position note has an extra broad bottom margin. Over time as cut sheet notes are sold individually and go their separate ways, it will become progressively more difficult to acquire all four notes from a sheet together. PMG comments "Minor Stains" on the first note and "Previously Mounted" on the third note.

$1,500-$2,500

20387

Matawan, New Jersey. $5 1902 Plain Back. Fr. 598. The Farmers & Merchants NB. Charter #6440. PMG Very Fine 20. While half a dozen examples of Plain Back $5s from the Farmers and Merchants National Bank of Matawan, NJ appear on the Census, public auction appearances are quite rare events, with only one recorded offering shown on Track & Price, that occurring in May 2010. This VF-20 specimen displays moderate wear and the paper is toned a light tan shade. A numerical ink stamp and a small patch of discoloration appear on the back. PMG comments "Discoloration, Ink Stamp."

$1,000-$1,500

20388

Merchantville, New Jersey. $5 1902 Plain Back. Fr. 600. The First NB & TC. Charter #8323. PMG Very Fine 30. From the FNB and TC of Merchantville, NJ is this attractive Plain Back $5. Bright nearly white paper with evenly-balanced and ample margins, it presents quite well for its VF-30 grade. By no means common, examples of this type have appeared only three times over the past 20 years - the most recent being this note in December 2017 when it realized $2,467.50.

$1,500-$2,500

20389

Newark, New Jersey. $5 1882 Date Back. Fr. 532. The Merchants NB. Charter #1818. PCGS Currency Extremely Fine 40. A crisp 1882 Date Back $5 from the Merchants National Bank of Newark, NJ with fresh white paper, three broad margins and incredibly large, bold black signatures. Appears nearly new save for a few very light vertical folds. Really a striking note particularly with the signatures.

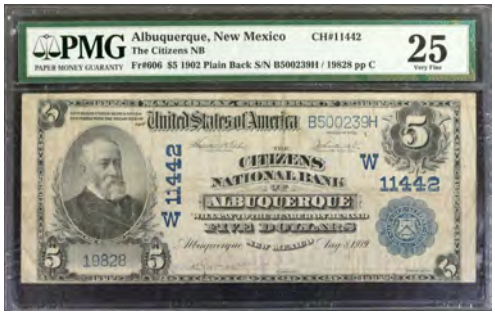
$800-$1,200

20390

Woodstown, New Jersey. $20 1882 Brown Back. Fr. 496. The First NB. Charter #399. PMG Very Fine 25. Looking considerably better than one might expect from a VF-25, this $20 Brown Back from the FNB of Woodstown, NJ certainly has claims to a higher grade. With superb centering, fresh and crisp paper, sharp clear ink signatures and nearly unimprovable eye appeal, we can assure the new owner they will not be disappointed in this note. This note will be a new addition to the Kelly Census as well, joining only one other. Quite simply, one of the nicest "VFs" we have seen.

$1,500-$2,500

New Mexico



20391

Albuquerque, New Mexico. $5 1902 Plain Back. Fr. 606. The Citizens NB. Charter #11442. PMG Very Fine 25. Moderately circulated though problem-free and retaining decent eye appeal for the grade.

$1,000-$1,500

New York

20392

Bellmore, New York. 1902 Plain Back $5 Fr. 606. The First NB. Charter #11072. PMG Choice Very Fine 35. Located on the southern shore of Long Island, Bellmore has a long history of settlement dating back to the 1640s. With only four large size notes of any type or denomination accounted for, and only $280 in Large Size notes outstanding in 1935, the rarity of this bank speaks for itself. The present note is one of only three listed on the Census, and small repair referred to by PMG is quite difficult to detect. The good far outweighs the bad here, and the note boasts outstanding signatures, four clear margins, fresh paper and good color. Even with the insignificant fault, this note brought $3,172.50 when it was last offered in August, 2012. PMG comments "Small Tear Repair."

$2,000-$3,000

20393

Cazenovia, New York. 1902 Plain Back $5 Fr. 607. The Cazenovia NB. Charter #5675. PMG Very Fine 25. Located in upstate NY about 20 miles southeast of Syracuse, the town of Cazenovia was established in 1793. Only two banks issued notes, and the Cazenovia National Bank was the second, following the National Bank of Cazenovia which only lasted from 1865 to 1873. Notes from this bank are extremely rare, with only $410 shown as outstanding in 1935. Only eight notes of all denominations and types appear on the Census, this being one of the three Plain Back $5s. It last appeared in an October 2012 sale where it was hammered at $1,057.50.

From the hamlet of Chappaqua, NY, a beautiful uncirculated Type 1 $10 note bearing Serial No. 2. Fresh and crisp, it would pair very well with one of the two $20s also being offered in this sale. Most recently offered in a December 2010 auction where it realized $1,380, we anticipate an even stronger showing now.

$2,000-$3,000

Chappaqua, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Chappaqua NB. Charter #12746. PMG Gem Uncirculated 66 EPQ. Serial Number 2. Looking much as it did when it left the press nearly a century ago, this outstanding Type 1 $20 from the Chappaqua National Bank not only bears Serial No. 2, but a grade of 66 EPQ as well. From a sheet cut over 20 years ago, this exact note sold in a September 2003 sale for $3,680. Located in the town of New Castle, about 10 miles north of White Plains in Westchester County, this upscale hamlet is currently the home of Hillary and Bill Clinton.

Another superb Type 1 $20 from the Chappaqua NB, cut from the same sheet as the other note appearing in this sale. 20397

Croton On Hudson, New York. 1902 Plain Back $10 Fr. 626. The First NB. Charter #9171. PMG Choice Very Fine 35. Located on the east bank of the Hudson in the town of Cortlandt, Croton-on Hudson is a village in Westchester County. Only five 1902 Plain Back $10s appear on the Census with this being in the upper portion in quality. Quite a scarce bank, as only six large size notes are known of *any* type or denomination. This is an extremely pleasing note, with good centering, clear signatures and rich color. Finding a superior example would be difficult if not impossible. From a December 2010 sale where it realized $4,370.

$3,000-$5,000

20398

Uncut Sheet of (4). Dunkirk, New York. 1902 Plain Back $10-$10-$10-$20 Fr. 634/660. The Merchants NB. Charter #2619. Choice Uncirculated 63. Serial Number 20220, plate A-C. Track and Price's census reports that this is the first $10 & $20 Plain Back sheet to come forth from this popular Chautauqua County issuing bank, with the two sheets currently in the census listed as $5 Plain Backs. The notes are all bright offering exceptionally well printed design details. The penned signatures stand out in dark ink and are fully legible. A real treat for any New York national or sheet collector. PMG comments "Minor Rust."

$4,000-$6,000

20399

East Northport, New York. 1902 Plain Back $5 Fr. 609. The Citizens NB. Charter #12593. PCGS Currency Extremely Fine 45. Located on the north shore of Long Island, East Northport is hamlet in the town of Huntington in Suffolk County. This Choice EF note had at one time been described as "Uncirculated" and still appears as such in the holder, but we must assume there were some extremely light folds detected by the service. Of the five appearing on the census, this is surely one of the top two, if not the best. An appearance in a January 2013 sale brought $2,350 and judging by the appearance of this note, could easily approach or exceed that again.

$1,500-$2,500

20400

Ellenville, New York. 1882 Brown Back $5 Fr. 472. The Home NB. Charter #2117. PMG Choice Extremely Fine 45. One of only two known Brown Back $5s from this popular Ulster Country bank, and the only really collectible copy as the other is shown in the Census as "Fair." Well-centered with a fresh appearance, some very light ink coloring is visible on the back at right. Offered twice over the past 25 years or so, it most recently realized $2,530 in November, 2006; up substantially from the $1,705 it brought in 1999. A high-grade note with no real alternative examples out. PMG comments "Ink."

$2,000-$3,000

20401

Elmsford, New York. 1902 Plain Back $5 Fr. 609. The First NB. Charter #12956. PMG Choice Very Fine 35. A Choice VF 35 from the FNB of Elmsford, a village a few miles northwest of White Plains, is one of about 10 known. Cut close at the top, but otherwise quite fresh and attractive for the grade with good color and bold signatures. It proved worthy of a $1,092.50 winning bid at its last auction appearance in December, 2010.

$1,000-$1,500

20402

Freeport, New York. 1929 Ty. 1 $20 Fr. 1802-1. The First NB. Charter #7703. PMG About Uncirculated 50. Serial Number 1. Located in the Southwestern portion of Long Island, Freeport was originally named Raynortown, but changed its name to Freeport in 1853 as customs duties were not levied on offloaded cargo. Bearing Serial No. A000001A, this note was last sold by us in May 2008 when it brought $1,380. Other sales for similar notes are seen in the $1,000 to $2000 range.

$1,000-$1,500

20403

Greenport, New York. Original $1 Fr. 380a. The First NB. Charter #334. PMG Very Good 10. An Original issue $1 from the First National Bank of Greenport NY (Charter #334) is an important offering. As the only bank in the Nassau / Suffolk County area to issue First Charter notes, its importance to collectors of notes of that area cannot be overstated. Located on the far Eastern tip of Long Island, it was first settled in 1692 and was originally named Winter Harbor, Stirling. An important whaling and shipping center, it was widely used for "rum running" during Prohibition. The present note is well-worn, typical of First Charter issues. Its offering in a March, 2005 auction brought $7,951, and while we don't expect to exceed that record, we expect a mid four-figure bid for this rarity. PMG comments "Minor Repairs."

$2,000-$3,000

20404

Hartsdale, New York. 1929 Ty. 2 $5 Fr. 1800-2. The Hartsdale NB. Charter #12705. PMG Uncirculated 62 EPQ. A handful of Uncirculated 1929 Type 2 $5s from the Hartsdale NB are known. Encompassing s/n's A000007-A000012, they are evidently from a cut sheet. This note bears serial no. 11, and is a crisp 62 EPQ. It's last appearance in December 2010 brought $977.50, but other notes from this sheet have seen higher prices in the $2,000 to $4,000 range.

$1,250-$1,750

20405

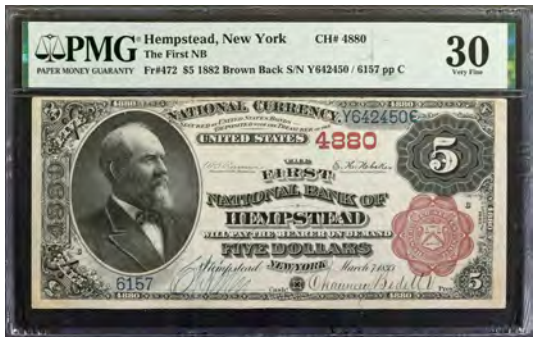
Hastings-Upon -Hudson, New York. 1902 Plain Back $5 Fr. 600. The First NB. Charter #8586. PMG Very Fine 20. This note, from the FNB of Hastings upon Hudson is quite collectible and high-grade examples regularly trade in excess of $5,000. Hastings-on-Hudson lies on the East bank of the Hudson, just north of Yonkers, and retains much of its 19th century charm to this day. This note is cut a bit high, with some loss at the top and a bit from the lower note at the bottom. A clean four digit ink stamp is seen to the left of the vignette on the back. Its last appearance in June 2011 realized $1,610. PMG comments "Ink Stamp."

$1,000-$1,500

20406

Haverstraw, New York. 1882 Brown Back $5 Fr. 474. The NB. Charter #2229. PMG Very Fine 20. Only about half a dozen Brown Backs from the NB of Haverstraw, NY are out there, with most in the VF range. Located on the West bank of the Hudson River about 40 miles north of New York City, Haverstraw has a rich history and in the late 19th century, was known as "the brickmaking capitol of the world." This full-margined VF 20 is a pleasing and problem-free note, with clear signatures and four nice corners. A June 2015 sale saw it trade at $1997.50.

$1,000-$1,500



20407

Hempstead, New York. 1882 Brown Back $5 Fr. 472. The First NB. Charter #4880. PMG Very Fine 30. First Chartered in 1893, the First National Bank of Hempstead was the major issuing bank for Nassau County until its receivership in 1934. Only four Brown Back $5s appear on the census, this being one of the two VF 30s. With four full margins and bold pen signatures, it presents extremely well. It's appearance in a March, 2006 sale netted $5,750. PMG comments "Minor Repairs."

$3,000-$5,000

20408

Hempstead, New York. 1929 Ty. 1 $100 Fr. 1804-1. The First NB. Charter #4880. PMG Choice Very Fine 35. One of five listed on the Census, and the best by a wide margin, this exceptionally clean $100 appears to have claims to an even higher grade. From a November 2001 sale where it brought $1,375.

$1,000-$1,500

Serial Number 1 Hempstead, New York

20409

Hempstead, New York. 1902 Plain Back $5 Fr. 606. The Second NB. Charter #11375. PMG About Uncirculated 50. Serial Number 1. An extraordinarily rare and desirable note, bearing Serial Number 1 with a nice, fresh appearance. A newly-discovered piece in 2005, this lovely AU brought $6,900 when it was first offered 17 years ago. First settled in 1644, Hempstead is a town located in Nassau County in the western portion of Long Island. If it were to be incorporated as a city, it would be the 2nd largest city in the state of New York, and the18th largest in the country! Of the three issuing banks in Hempstead, the 2nd National Bank is far and away the scarcest, with only $1,340 out in 1935. Only nine large size notes are known of *any* type or denomination from this bank. Certainly one of the highlights of the sale.

$6,000-$8,000

20410

Heuvelton, New York. 1902 Plain Back $20 Fr. 655. The First NB. Charter #10446. PMG Choice Very Fine 35. Located just a few miles south of the St. Lawrence River and the Canadian Border, the tiny village of Heuvelton had only one issuing bank. A scarce issue with only $690 in Large Size notes outstanding in 1935, this note has had a bit of work done, including the lightening of some stains at the right and a small repair to the lower right corner. Be that as it may, the note presents visually quite well now as evidenced by its last sale in June 2011 at $2,760. PMG comments "Stains Lightened."

$2,000-$3,000

20411

Huntington, New York. 1929 Ty. 1 $10 Fr. 1801-1. The First NB & TC. Charter #6587. PMG Choice Fine 15. A new note to the census, this joins just five others, all in the F-VF range. Despite a few around, auction appearances for small size notes from this Suffolk County bank are infrequent to say the least with only one other sale so far this century - that being a slightly inferior note to this one in Sept 2005 which was hammered at $2,530.

$1,000-$1,500

Key New York 1902 Plain Back

20412

Irvington, New York. 1902 Plain Back $5 Fr. 598. The Irvington NB. Charter #6371. PMG Very Fine 25. An affluent village located on the east bank of the Hudson, just north of Yonkers, Irvington is a part of the town of Greenburgh in Westchester County. While small size notes from this popular bank appear occasionally, a Large Size example is a considerable rarity. In fact, the census lists only three large size notes of any type or denomination for this bank, period. (In 1935, a mere $750 in Large Size notes was shown as outstanding.)This attractive mid-grade VF displays four full margins, pen-signed signatures and a clean, well-balanced look. Auction appearances are few and far between, with this note bringing $8,912 at its last sale in January 2009. The only other example to trade has been sold twice since 2005. It is graded Fine, and in both offerings bought in excess of $8,000.

$7,000-$9,000

20413

Irvington, New York. 1929 Ty. 2 $10 Fr. 1801-2. The Irvington NB & TC. Charter #6371. PMG Choice Very Fine 35. A fairly scarce issue from this popular Westchester County bank, this Choice VF note is one of less than 10 listed on the census. Formerly in a December 2010 sale where it brought $546.

$1,000-$1,500

20414

Jamestown, New York. 1882 Brown Back $5 Fr. 468. The Chautauqua County NB. Charter #1563. PMG Very Fine 30. Sitting all alone on the Census is this pleasing Brown Back from the Chautauqua County National Bank of Jamestown NY. While it is a bit close at the bottom margin, that is quite typical for these issues. It has been off the market for 25 years, last appearing in February 1997 when it sold for $715. PMG comments "Minor Rust Repair."

$1,000-$1,500

20415

Kinderhook, New York. 1902 Red Seal $10 Fr. 613. The National Union Bank. Charter #929. PMG Very Fine 25. With only three others on the Census, this is a moderately scarce note. A problem-free VF, its last sale in August 2003 at $920 was a sharp advance over the $357 it had realized only four years earlier.

$1,000-$1,500

20416

Larchmont, New York. 1882 Brown Back $10 Fr. 490. The Larchmont NB. Charter #6019. PMG Very Fine 20. Serial Number 5. Laying just to the northeast of New Rochelle is the village of Larchmont, a village within the town of Mamaroneck in Westchester County. Bearing Serial Number 5, this nicely-centered Brown Back is one of only two appearing on the census. At its last auction appearance in November 2016, it brought $2,300.

$1,500-$2,500

20417

Larchmont, New York. 1882 Value Back $5 Fr. 574. The Larchmont NB. Charter #6019. PMG Very Fine 25. A scarce Value Back $5 from Larchmont, NY, this moderately-circulated note is decently centered with sharp signatures. From a December 2010 sale where it brought $1,092.

$1,000-$1,500

20418

Lowville, New York. 1902 Date Back $5 Fr. 590. The First NB. Charter #348. PMG Very Fine 30. A search of both online Census sites - regardless of denomination or series - turns up only *five* examples from this extremely rare bank. The present 1902 $5 Date Back is unlisted and most likely unique for its denomination and type. No prior sale records exist and for those assembling New York Nationals by Bank, this constitutes an extraordinarily rare opportunity.

$1,000-$1,500

20419

Marathon, New York. 1882 Brown Back $5 Fr. 467. The First NB. Charter #3193. PMG Very Good 10. While obviously a veteran of numerous transactions, those looking for an 1882 Brown Back $5 from the FNB of Marathon, NY have few other choices. Only two examples are known, the other being a VF 25 that recently brought $2,880. This is certainly more worn, but its June 2009 sale at $949 suggests it should be far more affordable. PMG comments "Stained."

$800-$1,200

20420

Marlboro, New York. 1902 Plain Back $10 Fr. 626. The First NB. Charter #8834. PMG Very Fine 25. Situated just south of Poughkeepsie on the west bank of the Hudson, the hamlet of Marlboro had only one chartered bank. Of the three known examples from this Ulster County bank, this is likely the finest. (The other PMG VF 25 of this type appears to have considerable staining.) A pleasing problem-free example consistent with the grade, its two recent sales attest to the desirability of this note: $3,450 in a September 2007 sale followed by $4,140 in a June 2011 sale. With only $720 in Large Size notes outstanding in 1935, their rarity is undeniable.

$2,000-$3,000

20421

Mount Kisco, New York. 1882 Brown Back $5 Fr. 474. The Mount Kisco NB. Charter #5026. PMG Choice Very Fine 35. A village roughly about 40 miles North of New York City, Mt. Kisco is a significant historic site along the Washington-Rochambeau Revolutionary Route. As the only issuing bank in this Westchester County village, the Mt. Kisco NB showed only $2,080 Large Size notes outstanding in 1935. This is one of only two known 1882 Brown Back $5s and has had several auction appearances over the past 20 years with grades varying from VF to AU. It currently resides in a PMG 35 holder which appears fairly accurate. Due to the wide variation in grades at which it's been offered, results have varied from a low of $3,231 to a high of $7,475. Its past offerings notwithstanding, it remains quite a rare note, and worthy of a generous bid.

$3,000-$5,000

20422

Mount Kisco, New York. 1882 Date Back $10 Fr. 542. The Mount Kisco NB. Charter #5026. PMG Extremely Fine 40 EPQ. A splendid 1882 Date Back $10 from the Mount Kisco National Bank - nicely centered especially on the front with bright paper and rich color. This is the only example of its type shown on the census and luckily the quality of this note will require no compromises from even an advanced collector. Last appearing in a December 2010 sale where it was graded XF-AU, it realized an impressive $3,220. A most attractive and rare note.

$3,000-$5,000

20423

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB. Charter #5026. PMG Choice About Uncirculated 58 EPQ. Of the slightly more than two dozen examples of the $5 1902 Plain Back from the Mount Kisco NB on the census, this one probably takes the top spot. Graded PMG AU 58 EPQ, it features great pen signatures, rich original embossing and superior eye appeal. The $1,740 it fetched in its last appearance in January 2003 came as no surprise.

$1,000-$1,500

20424

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB & TC. Charter #5026. PMG About Uncirculated 55. Sporting its new title as the *Mount Kisco National Bank and Trust Company,* this attractive 1902 Plain Back $5 is the finest-known example with the later title. It's last appearance in December 2010 saw it sell for $1,265, and we expect a similar result today.

$1,000-$1,500

20425

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB. Charter #5026. PMG About Uncirculated 50. A choice pen-signed example from this popular bank, this crisp AU 50 brought $1,265 at its last appearance in January 2005. While there are about 30 examples of this type on the census, only a handful are close to this one in condition with most of the rest falling into the VG-XF range.

$800-$1,200

20426

Mount Kisco, New York. 1902 Plain Back $10 Fr. 632. The Mount Kisco NB. Charter #5026. PMG About Uncirculated 55. The finest of the three $10 Plain Backs from the Mount Kisco National Bank, this lovely AU is extremely close to new. Bearing stamped signatures and rich original embossing, it is easily the top example known. It brought an impressive $1,840 in its last appearance in September 2004 and we expect another strong showing here.

$800-$1,200

20427

Mount Vernon, New York. 1882 Brown Back $20 Fr. 504. The First NB. Charter #5271. PMG Very Fine 25. Sporting penned signatures, this rare note is the only 1882 Brown Back $20 known from this popular Westchester County bank. Grading VF 25 with four clear margins, it presents a unique opportunity for the specialist or collector of this bank to acquire the only known example from this series. Last appearing in a December 2010 auction where it brought $977.50, we would not be surprised to see it bring nearly double that today.

$1,500-$2,500

20428

Mount Vernon, New York. 1882 Date Back $20 Fr. 555. The First NB. Charter #5271. PMG Choice Very Fine 35. First things first. This is the *only* 1882 $20 Date Back from this bank reported, so aside from this note, there aren't any other choices. Fortunately, this example presents a pleasing, problem-free option, as it a choice VF 35 with nothing to apologize for. The signatures are stumped, but that hardly detracts from the overall excellent eye appeal of this rare item. This note last traded in a December 2010 sale where it realized $1,035. With no additional specimens surfacing over the past dozen years, we expect that figure to be easily exceeded.

$1,500-$2,500

20429

Mount Vernon, New York. 1882 Value Back $5 Fr. 574. The First NB. Charter #5271. PMG Choice Very Fine 35. Named after George Washington's Virginia plantation and located just north of the Bronx, Mr. Vernon opted to remain independent of New York City in an 1894 referendum. This lovely 1882 Value Back $5 from the FNB of Mount Vernon, NY appears quite conservatively graded. It is very well centered, and shows few signs of use. While this exact note does not appear on the census, a nearly identical note realized $2,232 in an April 2017 sale. We see no reason why this note should not bring a similar sum.

$2,000-$3,000

20430

New Rochelle, New York. 1902 Red Seal $5 Fr. 587. The National City Bank. Charter #6427. PMG Very Fine 20 Net. Repaired, Severed & Reattached. With only three Red Seals from this popular Westchester County bank known, this note bears a bit of discussion. Bearing serial number 4, from the front it presents quite well with the general appearance of a higher grade. However the back displays evidence of some extensive repair. Regardless, this note realized $3,220 in January 2005 and represents an opportunity to acquire an extremely rare note, despite its stated defects. PMG comments "Repaired, Severed & Reattached."

$2,000-$3,000

20431

This sheet bears the always in demand low serial numbers of "000002A." Traces of original embossing are noticed through the back of the third party holder. The paper is bright and showcases dark brown overprints on all. PMG comments "Tear Repairs."

Uncut Pair. Niagara Falls, New York. 1902 Plain Back $5 Fr. 609. The NB of Niagara & TC. Charter #12284. PMG About Uncirculated 53 EPQ. Serial Number 3. This uncut pair of $5 PB's offer the low serial number of "3". Just fourteen notes (all large size) are reported to this second bank title for the charter, and this is the first sheet (uncut pair) to come forth from the bank according to Track and Price's census.

$2,000-$3,000

20442

North Creek, New York. 1902 Date Back $20 Fr. 645. The North Creek NB. Charter #9716. PMG Very Fine 20. While small-size examples from this bank turn up occasionally, they are quite scarce in large-size, with only four examples in this denomination on the census. This is a nice VF example, and the only one known with the date back. It last appeared in a September 2008 sale where it brought $1,725.

$1,000-$1,500

20443

Ossining, New York. 1902 Plain Back $5 Fr. 598. The First NB & TC. Charter #471. PMG Choice About Uncirculated 58 EPQ★. Serial Number 1. From the popular county of Westchester in New York, we are proud to offer the first note bearing the third title of this bank. Originally chartered as the First National Bank of Sing Sing in July 1864, it was renamed the FNB of Ossining when the 1902 Red Seals were issued. With the start of the 1902 Plain Backs around 1915, the third title (First National Bank and Trust Company of Ossining) made it appearance. This important double Serial No. 1 note is a wonderfully crisp and vibrant AU 58 EPQ with bold pen signatures, rich color and superb eye appeal. Easily a top highlight of this sale and worthy of a generous bid. At a previous offering in September 2004, it attracted a winning bid of $10,925.

$8,000-$12,000

20444

Oswego, New York. 1882 Brown Back $10 Fr. 479. The First NB. Charter #255. PMG Choice Extremely Fine 45. While not an extremely rare issue per se as a number of high grade examples are known, this note is certainly a worthy acquisition with fresh paper, four full margins, bold pen signatures and sharp corners. We can detect almost no signs of circulation, and a higher grade would not at all surprise us. This note was hammered for $1,150 at its last offering in September, 2008.

$800-$1,200

20445

Ozone Park, New York. 1902 Date Back $5 Fr. 592. The First NB. Charter #8865. PCGS Currency Fine 15. With only one other 1902 Date Back $5 on the Census, this Fine 15 is quite sound for the grade. This tough Queens County bank shows only six notes on the Census of any type or denomination, so is by no means easy to come by. It has been previously written that a number of counterfeits from this bank are around, many identifiable by an incorrect Charter No. in the border design. This one is the real thing! This note garnered a winning bid of $1,496 when it was last offered in January, 2012.

$1,000-$1,500

20446

Palmyra, New York. 1902 Red Seal $10 Fr. 613. The First NB. Charter #295. PMG Very Fine 30. Bold, black pen signatures, full and clear margins and bright paper and red overprint distinguish this VF 30 1902 Red Seal from the FNB of Palmyra. Its offering in April 2008 drew a winning bid of $1,265.

$800-$1,200

20447

Pine Bush, New York. 1902 Plain Back $20 Fr. 653. The Pine Bush NB. Charter #9940. PMG Very Fine 20. A mid-grade $20 Plain Back from this Orange County bank evidences no issues other than moderate wear from circulation. It is one of only two $20 denominations appearing on the Census from this bank from any series, and with only $1,020 in Large Size notes shown as outstanding in 1935, that is not at all surprising.

$800-$1,200

20448

Port Chester, New York. Original $1 Fr. 380b. The First NB. Charter #402. PMG Choice Fine 15. With many Original Series $1s the victim of excessive circulation, this Fine 15 is well above average. Retaining a fair amount of brightness and color as well as possessing four clear margins, it is a fine representative of this difficult type. From a September 2004 sale at $1,495.

$1,500-$2,500

20449

Port Chester, New York. 1882 Brown Back $5 Fr. 466. The First NB. Charter #402. PMG Choice Very Fine 35. Trimmed at the bottom margin, but an otherwise acceptable copy of this 1882 Brown Back $5 from this popular Westchester County bank. PMG comments "Minor PVC".

$1,000-$1,500

20450

Port Chester, New York. 1902 Red Seal $5 Fr. 587. The First NB. Charter #402. PMG Very Fine 30. A bright full-margined 1902 Red Seal $5 from the FNB of Port Chester, NY. Scarce, with sharp pen signatures. Last sold in a September 2005 auction where it brought $3,162.50.

$1,000-$1,500

20451

Port Chester, New York. 1902 Red Seal $10 Fr. 613. The First NB. Charter #402. PMG Extremely Fine 40. Aside from an Uncirculated 65 EPQ bearing serial No. 1, this is the only other available 1902 Red Seal $10 from the FNB of Port Chester, NY. Bearing only the faintest traces of circulation, with crisp paper, sharp pen signatures, bright red overprinting and generous margins, this is an attractive note that will compliment nearly any collection. A tiny tear is barely visible near the upper left corner. From a December 2010 sale where it realized $2,530. PMG comments "Small Tears."

$1,500-$2,500

20452

Port Jefferson, New York. 1902 Plain Back $5 Fr. 606. The First NB. Charter #5068. PMG Choice Very Fine 35 EPQ. Not shown on the Kelly Census nor Track & Price, this $5 Plain Back from the FNB of Port Jefferson, NY appears to be a new find. Graded 35 EPQ, it appears fully worthy of that designation as it boasts four nicely-balanced margins, outstanding paper and clear stamped signatures. A lightly-circulated, attractive note.

$800-$1,200

20453

Rye, New York. 1882 Value Back $10 Fr. 577. The Rye NB. Charter #5662. PMG Very Fine 30. Series 1882 Value Backs are infrequently seen, and this $10 note from the Rye National Bank is an exceptionally nice appearing example. Very well-centered with four clear margins, bright paper and bold dark signatures, it is a wonderful representation of the type. Its last appearance in December 2010 drew a winning bid of $3,220 which is easily understandable after viewing this note. PMG comments "Stains Lightened."

$3,000-$5,000

20454

Rye, New York. 1929 Ty. 2 $20 Fr. 1802-2. The Rye NB. Charter #5662. PMG Choice Uncirculated 63. A crisp, Choice Uncirculated 63 Type 2 $20 from the Rye National Bank in New York, while centered a bit low, still has four clear margins. A small group of AU-Uncirculated $20s from this bank exists, with most trading between $1,000 and $2,000 over the past two decades.

$1,250-$1,750

20455

Saratoga Springs, New York. 1875 $5 Fr. 405. The First NB. Charter #893. PMG Fine 12. Although some 64 notes from the FNB of Saratoga Springs NY are shown on the Census, there is only *one* from the Series of 1875, that being this $5 note offered here. In fact, this appears to be one of only two Large Size $5s from this bank of any type so far located. While certainly well-used, the red overprint remains bold the margins are full and complete and the signatures remain fairly clear.

$1,000-$1,500

20456

Skaneateles, New York. 1882 Brown Back $5 Fr. 477. The NB. Charter #5360. PMG Extremely Fine 40 EPQ. An exceptionally attractive, high-grade Brown Back from this small lakeside town about 20 miles southwest of Syracuse, this EF 40 EPQ leaves little more to be desired. Four balanced and generous margins, light but clear signatures, bold, rich brown overprint and only light folds, there is little to find fault with here. It has sold on three occasions over the past three decades, advancing well each time. From $742.50 in 1994, to $2,185 in 2007 to its most recent sale for $2,760 in June 2011, bidders have clearly appreciated the quality of this note.

$1,500-$2,500

20457

Somers, New York. 1882 Brown Back $5 Fr. 469. The Farmers & Drovers NB. Charter #1304. PMG Very Fine 25. A nicely-centered, broad margined and overall quite attractive example from this extremely tough Westchester County bank that closed in 1896. Nice pen signatures and a fresh overall look. We are at a loss to either see, or explain PMG's comments, as they were not mentioned in either of its previous offerings nor are we able to detect them. At its most recent offering in September 2008, it achieved a bid of $4,887.50. PMG comments "Tears, Closed Pinholes."

$2,000-$3,000

20458

Somers, New York. 1882 Brown Back $5 Fr. 469. The Farmers & Drovers NB. Charter #1304. PCGS Currency Fine 15. Only one Original Series $10 and a group of Brown Back $5s are known from this small Westchester County bank which was liquidated in January, 1896. This is a no-problems Fine 15, and while a bit faded, is nonetheless fully margined with good paper quality for the grade. An opportunity to acquire an example from this short-lived and scarce bank for a reasonable price.

$1,000-$1,500

20459

South Glens Falls, New York. 1902 Plain Back $10 Fr. 633. The First NB. Charter #5851. PMG Very Fine 20. A mere nine large size notes are reported to this Warren County issuing bank. The stamped signatures stand out in in dark ink and are fully legible.

$1,500-$2,500

20460

Tarrytown, New York. 1882 Date Back $10 Fr. 545. The Tarrytown NB. Charter #2626. PMG Choice Very Fine 35. A Choice Very Fine 35, that, apart from light signatures, appears closer to Extremely Fine, this important note is likely the finest of the three extant. Four full and well balanced margins along with crisp paper and rich blue overprint lend a look of quality and freshness to this note. Tarrytown is a village in the town of Greenburgh, on the east bank of the Hudson River, about 25 miles north of Manhattan and was mentioned in 1820 by Washington Irving in "The Legend of Sleepy Hollow". Pedigreed to the Malcolm Trask Collection, this note last sold in December 2010 for $4,370.

$3,000-$5,000

20461

Utica, New York. 1902 Red Seal $5 Fr. 587. The Utica City NB. Charter #1308. PCGS Currency Very Fine 30 PPQ. A well-centered 1902 Red Seal $5 from the Utica City National Bank that retains ample color and freshness. Only two Red Seal $5s from this bank appear on the census, and with the other example shown as "About Good" this note is the only viable option for collectors. Its March 2005 sale brought $2,013.65.

$800-$1,200

20462

West Hempstead, New York. 1929 Ty. 1 $5 Fr. 1800-1. The West Hempstead NB. Charter #13104. PMG Extremely Fine 40. A search of the online census comes up with *no results* for a Type 1 $5 from the West Hempstead NB, leading us to the conclusion that this may be a rather rare note. Only two other small size $5's from this Charter are known, both Type 2's and in far lower grade. A nice problem-free and well-balanced EF, this rarity is certainly worthy of a generous bid.

$1,250-$1,750

20463

West Hempstead, New York. 1929 Ty. 1 $5 Fr. 1800-1. The West Hempstead NB. Charter #13104. PMG Very Fine 20. Another small size $5 from the West Hempstead NB that appears to have avoided the Census so far. As most of the extant notes from this bank saw considerable circulation, this one is towards the higher end of the scale.

$800-$1,200

20464

West Hempstead, New York. 1929 Ty. 1 $10 Fr. 1801-1. The West Hempstead NB. Charter #13104. PMG Very Fine 30. Serial Number 1. As Serial Numbers go, it's tough to get lower than 1. We are please to present this note which is new to the Census, joining only five other 1929 Type 1 $10s. Of course, being a new addition, we have no previous auction records for referral, but Serial Number 8, graded Fine, brought $2,645 in a June 2004 sale. More recently we sold a VF 20 (s/n 975) for $1,320 in August 2019.

$2,000-$3,000

20465

West Hempstead, New York. 1929 Ty. 2 $10 Fr. 1801-2. The West Hempstead NB. Charter #13104. PMG Very Fine 30. Serial Number 6. Four $10 Type 2's appear on the Census, with this one considerably better than the rest. Add to that the low Serial No. (6) and you have a very desirable note. A newly-discovered piece when it was offered in April 2008, it realized a healthy $2,530 at that sale. A premium note.

$1,000-$1,500

20466

Westbury, New York. 1902 Plain Back $10 Fr. 633. The Wheatley Hills NB. Charter #11730. PMG Choice Fine 15. Only three Large Size notes from the Wheatley Hills National Bank of Westbury are presently known, this example being one of the two $10s accounted for. While the signatures have faded away, the margins are full, albeit a bit tight, and no problems are mentioned by PMG. Wheatly Hills was an affluent area on Long Island, known for large estates and extravagant parties during this time. Off the market for nearly a quarter century, this note realized $1,540 back in October 1998. Of more relevance however, might be the $3,525 brought by the other example which graded PMG Fine 15 Net (Tear) in January 2013.

$1,000-$1,500

20467

White Plains, New York. 1902 Plain Back $5 Fr. 598. The First NB. Charter #6351. PMG Very Fine 25. Four clear margins with a decent amount of freshness remaining, though the signatures are extremely light. From our August 2012 sale where it realized $1,527.50. PMG comments "Closed Pinholes."

$2,000-$3,000

20468

White Plains, New York. 1902 Plain Back $5 Fr. 598. The First NB. Charter #6351. PMG Choice Fine 15. An average circulated $5 Plain Back from the FNB of White Plains - tight but intact margin at the lower left, and faded but visible brown ink signatures. This note realized $3,910 in a December 2010 auction, and while we doubt that result will be eclipsed, we still expect a four-figure bid on this lot.

$1,000-$1,500

Gorgeous White Plains Red Seal

20469

White Plains, New York. 1902 Red Seal $10 Fr. 613. The First NB. Charter #6351. PMG Very Fine 20. This extremely rare White Plains Red Seal is one of only two known and is certainly one of the "Holy Grails" of Westchester County Nationals. In operation only from 1902 to 1920, only Third Charter 1902 series notes were issued with most of the survivors today being Plain Back $5s. Its rarity notwithstanding, this is an attractive note with four full margins, decent brown ink signatures and bright red overprint on off-white paper that retains some crispness. While folds are naturally visible given the grade, this note retains a remarkably fresh appearance and will be a prize for its next owner. Its last appearance in September 2004 required a bid of $25,300, and we expect spirited bidding for this major rarity.

$15,000-$25,000

20470

White Plains, New York. 1902 Plain Back $5 Fr. 609. The Peoples NB & TC. Charter #12574. PMG Very Fine 25. This second title Peoples National Bank and Trust Company of White Plains issued just a handful of Large Size Plain Backs as its September 1924 Charter only allowed a short time. Consequently, the vast majority of survivors from this institution are Small Size notes. In fact, only $545 in Large Size notes were outstanding in 1935. This full-margined VF 25 evidences only moderate wear, and is a problem-free mid-grade example. At our August 2012 sale it received a winning bid of $2,530.

$2,000-$3,000

20471

White Plains, New York. 1902 Plain Back $5 Fr. 609. The Peoples NB. Charter #12574. PMG Very Fine 20. Quite well-centered and retaining a fair amount of eye appeal. From our August 2012 sale at $1,292.50. PMG comments "Minor Repairs."

$1,000-$1,500

20472

White Plains, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB & TC. Charter #12574. PMG Choice About Uncirculated 58. The highest graded of the Type 1 $20s from the People's National Bank and Trust Co. of White Plains in the sale, this crisp, well-centered example is probably the finest known judging by the evidence shown in the Census. With nearly all the others in the F-VF range, this AU 58 sits well above the rest. The Census records indicate this note brought $1,045 in a November 2001 sale.

$1,500-$2,500

20473

Yonkers, New York. Original $1 Fr. 380b. The First NB. Charter #653. PMG Choice Fine 15. An Original Series Ace from the FNB of Yonkers New York, evidencing the extensive circulation commonly seen on these early issues. That said, it is well-centered with four full margins and legible brown ink signatures. A few rust spots are visible over the left vignette on the back. The records show a realization of $1,265 at its last offering in March, 2011. PMG comments "Minor Rust."

$1,500-$2,500

20474

Yonkers, New York. Original $2 Fr. 387a. The First NB. Charter #653. PMG Very Good 8. One of only two known, this Original Series "Lazy Deuce" from the First National Bank of Yonkers has certainly been in a few pockets and cash registers, but retains all key design elements. Though faded, the signatures, seal, serial numbers and lettering remain clear. This much-demanded type on a highly collectible bank should still bring a healthy four-figure bid, despite its fairly low condition. It last realized $4,600 in a January 2006 auction. PMG comments "Minor Repairs."

$3,000-$5,000

North Carolina

Newly Discovered $20 Brown Back

20475

Concord, North Carolina. $20 1882 Brown Back. Fr. 497. The Concord NB. Charter #3903. PMG Very Fine 25. The Concord National Bank was chartered on June 26th, 1888 and issued $2,010,910 during its operating tenure. The bank lasted through the end of the National Currency in 1935, with just $5,055 in large outstanding at close. This note is the first $20 Brown Back to come forth from this bank, and North Carolina collectors will be excited to add this treasure to their collection. The Cashiers and Presidents signatures are hand signed in a dark brown ink.

$7,000-$9,000

20476

Elizabeth City, North Carolina. $20 1902 Plain Back. Fr. 658. The First NB. Charter #4628. PMG Gem Uncirculated 65 EPQ. Even though there are numerous Uncirculated Plain Back $20s from the First & Citizens National Bank of Elizabeth City, NC around, this 2nd title note is easily one of the finest of that elite group. Looking much as it did when it left the printing press about 100 years ago, this note is ideal for the type collector searching for a high grade Plain Back $20 for their set.

$2,000-$3,000

North Dakota

20477

Fargo, North Dakota. $10 1882 Date Back. Fr. 544. The First NB. Charter #2377. PMG Very Fine 25. This note is one of just three 1882 Date Back $10's reported to this Cass County issuing bank. This note bears the first title for the charter number, and is being offered in a Very Fine grade. Seen with light, but still visible purple signatures.

$1,000-$1,500

Ohio

20478

Cleveland, Ohio. $5 1902 Plain Back. Fr. 607. Brotherhood of Locomotive Engineers Co-Operative NB. Charter #11862. PMG Choice Uncirculated 64 EPQ. A mouthful of a bank title takes up the majority of the design space at center for this Ohio national. This bank title is always popular when offered, and this nearly Gem example is sure to please.

$1,000-$1,500

Pennsylvania

20479

Halifax, Pennsylvania. $10 1882 Value Back. Fr. 577. The Halifax NB. Charter #5601. PMG Choice Very Fine 35. With nearly perfect centering, bright white paper, bold and vivid blue overprint, and one light vertical center fold, we are scratching our heads as to why this is not in an EF holder. We're aware that there are a few very high grade Value Back $10s and $20s from the Halifax National Bank out there, but we'd place this one up there as well due to overall eye appeal. In addition to being a fine choice for the Pennsylvania collector, this would make a perfect selection for anyone assembling a high grade type set of Nationals.

$1,000-$1,500

20480

Herminie, Pennsylvania. $10 1902 Plain Back. Fr. 628. The First NB. Charter #10188. PMG Choice Fine 15. As the only bank from this small Westmoreland County village to issue notes, only two Large Size notes are known today - both are Plain Back $10s. This comes as no surprise as only $980 in Large Size notes were outstanding in 1935. While a good ways from new, this note does show four full and clear margins, legible signatures and a good blue overprint for the grade. A patch of rust-coloring is apparent in the upper right center of the note. The other, slightly less-circulated example but with a closely-trimmed top margin brought $3,450 in May, 2005. PMG comments "Minor Rust."

$1,500-$2,500

20481

Saegertown, Pennsylvania. $10 1902 Plain Back. Fr. 633. The First NB. Charter #11910. PCGS Currency Extremely Fine 40. One of just five Large Size notes of any type or denomination shown on the Census from this small Crawford County bank and certainly the finest known. Crisp white paper and five generous and balanced margins give this note considerable eye appeal. This note realized $1,645 when last offered in August, 2012.

$1,000-$1,500

20482

Uncut Sheet of (6) Sharon, Pennsylvania. $5 1929 Ty. 2. Fr. 1800-2. The McDowell NB. Charter #8764. PMG Choice Uncirculated 63. Serial numbers included on this sheet are "A000001" through A"000006." Track and Price's census currently lists no sheets in their census for this Mercer County issuing bank. PMG comments "As Made Ink-Staple Holes."

$3,000-$5,000

20483

Uncut Sheet of (6) Sharon, Pennsylvania. $10 1929 Ty. 2. Fr. 1801-2. The McDowell NB. Charter #8764. PMG Choice About Uncirculated 58. This sheet would make an excellent pairing with the $5 sheet we are offering from the same bank. Track and Price's census currently reports no sheets are known for this bank. This sheet offers serial numbers "A000001" through A000006."

$3,000-$5,000

20484

Wayne, Pennsylvania. $5 1902 Plain Back. Fr. 609. The Main Line NB. Charter #12504. PMG Very Fine 25. The Main Line National Bank of Wayne, PA issued only 1902 Plain Back $5s during its brief, 7 years of operation from its Charter in 1924 to its receivership in 1931. While just over a dozen are listed on the Kelly Census, this note is not one of them. Track & Price does list it however but no prior sales are shown. A very similar note traded at $1,800 in January 2018.

$1,000-$1,500

20485

West Chester, Pennsylvania. $10 1902 Red Seal. Fr. 613. The First NB. Charter #148. PMG Very Fine 30. Virtually perfectly-centered with a vivid red overprint and bright attractive paper, this lovely 1902 Red Seal $10 from the FNB of West Chester, PA has outstanding eye-appeal for its VF 30 grade. With only one other Red Seal from this Chester County institution known, this is an infrequent opportunity to acquire a prize from this popular bank. This note realized $1,955 when last offered in June 2011.

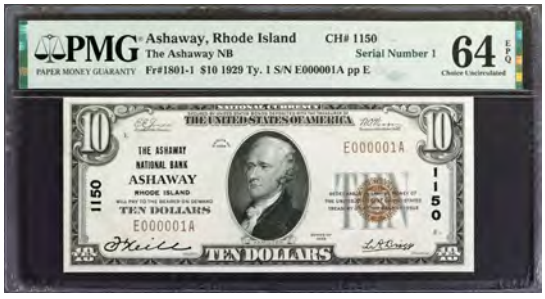
$1,000-$1,500

Rhode Island

20486

Ashaway, Rhode Island. $1 Original. Fr. 380a. The Ashaway NB. Charter #1150. PMG Fine 12. This Original Series $1 from the Ashaway NB in Rhode Island is well-circulated but remains a very pleasing, problem-free note and clearly superior to the other known example. Well-centered, with even wear consistent with the grade.

$1,000-$1,500



20487

Ashaway, Rhode Island. $10 1929 Ty. 1. Fr. 1801-1. The Ashaway NB. Charter #1150. PMG Choice Uncirculated 64 EPQ. A new-gem Type 1 $10 from the Ashaway National Bank bearing Serial No. 1, this note is well-centered on the front and very fresh. While a handful of these are known, this is quite likely one of the two finest. Last sold in a June 2004 auction for $2,990, we expect a healthy bid for this lot.

$2,000-$3,000

20488

Bristol, Rhode Island. $1 1875. Fr. 384. The First NB. Charter #1292. PMG Very Fine 25. From the FNB of Bristol, Rhode Island, this Series 1875 Ace exhibits good color and paper with bold pen signatures. One of only two shown on the Census, it is cut close at the right edge and appears a bit rough. PMG comments "Minor Edge Damage."

$1,000-$1,500

20489

Centreville, Rhode Island. $10 1902 Date Back. Fr. 616. The Centreville NB of Warwick. Charter #1284. PMG Very Fine 25. With four clear margins, good paper and decent color, this Series 1875 $5 from the National Exchange Bank of Greenville, RI is a superior example for the type. It is the only one shown on the census, and has not been offered for sale in recent memory. Clear ink signatures and a stunning vignette on the back will more than please the next owner of this rarity.

$1,500-$2,500

Hopkinton, Rhode Island. $1 Original. Fr. 380. The First NB. Charter #1054. PMG Very Fine 20. This Original Series $1 from the FNB of Hopkinton, Rhode Island is tightly cut on all sides, yet retains pleasing, off-white paper, clear signatures and attractive red colors. From the collection of Q. David Bowers, who likely purchased it from our October 2010 sale for $1,495. Hopkinton is a historic village near the Connecticut border, and travelers headed Northbound on I-95 will find it their first stop in Rhode Island.

$1,250-$1,750

20492

Hopkinton, Rhode Island. $10 1882 Brown Back. Fr. 480. The First NB. Charter #1054. PMG Very Fine 30. A clean and pleasing Brown Back from the First National Bank of Hopkinton. While a handful of 1902 Date Backs are known, this is the only 1882 Brown Back listed on the Census from this bank. Off the market since 2001, it's an excellent opportunity to acquire a rare note from this Charter.

$1,000-$1,500

20493

Hopkinton, Rhode Island. $20 1902 Date Back. Fr. 642. The First NB. Charter #1054. PMG Choice Very Fine 35 EPQ. An amazingly fresh and vibrant VF 35 EPQ 1902 Date Back $20 from this Rhode Island village. Featuring deep rich color, superb paper and four sharp corners, this minimally circulated note is a stunning example. While half a dozen or so are known, we doubt any would exceed this note in originality or eye appeal.

$800-$1,200

20494

Kingston, Rhode Island. $1 Original. Fr. 380a. The National Landholders Bank. Charter #1158. PMG Choice Fine 15. This Original Series $1 from the National Landholders Bank of Kingston RI has a few flaws mentioned by PMG, but none appear visually distracting or serious. To us, it appears to be simply a moderately circulated note with an appearance entirely consistent with the F 15 grade. While the signatures are faded somewhat, the overall look of the note is better than its grade and comment might suggest. PMG comments "Minor Repairs, Stains."

$1,000-$1,500

20495

Newport, Rhode Island. $2 Original. Fr. 387a. The Newport NB. Charter #1492. PMG Extremely Fine 40. A famed "Lazy Deuce" from the Newport National Bank, this is one of two known Original Issues. Despite the issues mentioned, it is far superior to the other example which grades only G-VG. A few small nicks at the upper right edge minimally detract and the tight margin at right likewise is not troublesome. The overall look is quite bright and it's evident that this note saw only light use. The signatures are sharp and bold. Given the alternative, this note remains an attractive offering and a most presentable example of this coveted type. Previously from an August 2002 sale where it received a winning bid of $3,509. PMG comments "Minor Restoration, Small Tears."

$4,000-$6,000

20496

Newport, Rhode Island. $5 Original. Fr. 397a. The Newport NB. Charter #1492. PMG Fine 12. A perusal of the NBN Online Census as well as Track & Price for Large Size $5s from the Newport National Bank of Newport, RI reveals a small group of 1902 Plain Backs but only this one Original Issue. While not a high grade example, it is fully intact and sound Fine 15, with sharp, clear signatures and above-average margins for the issue. It last appeared in our August 2015 sale where it brought $881.25. Given that it is the only Original Issue $5 from this popular bank, we expect to meet or exceed that previous result.

$1,000-$1,500

20497

Newport, Rhode Island. $1 1875. Fr. 384. The Newport NB. Charter #1492. PMG Very Fine 30. Serial Number 7. A low Serial No. note (#7) we must in all honesty disclose that for some reason, there are several other 1875 $1's also with single-digit serial numbers floating about. The repair mentioned by PMG is difficult to find, and was quite skillfully done. On the upside, this note appears fresh, with slightly faded but very legible signatures, four full margins, and above average color and paper. PMG comments "Tear Repair."

$1,000-$1,500

20498

Newport, Rhode Island. $10 1902 Red Seal. Fr. 614. The National Exchange Bank. Charter #1565. PMG Very Fine 20. As the sole known 1902 Red Seal $10 from the National Exchange Bank of Newport, RI, there no other alternatives to this note for the collector assembling a set from this bank. While the top margin is close, and the signatures are faded, the note retains some brightness and the paper quality appears to be good. This note last appeared in an October 2010 sale where it realized $2,875. PMG comments "Restoration."

$2,000-$3,000

Rare Unique Lazy Deuce

20499

Pascoag, Rhode Island. $2 Original. Fr. 387a. The Pascoag NB. Charter #1512. PMG Very Good 10. Only four banknotes of any size, denomination or type from the Pascoag NB are known, making this an extraordinarily tough issue. This is of course the only Deuce known, and being an Original Issue with an extremely popular design only adds to the allure of this rarity. While it certainly saw its share of use, it really appears to only have good, honest wear, with no serious defects noted or visible. Four clear margins (very unusual on this issue) and legible signatures certainly make this a prize for the advanced Rhode Island or National Bank Note collector. Its offering in September 2013 netted $9,987.50 and we expect a similar high four-figure result in this sale.

$6,000-$8,000

20500

Pawtucket, Rhode Island. $5 1882 Brown Back. Fr. 467. The First NB. Charter #843. PMG Very Fine 25. Doubled Print Error. A most unusual error on this 1882 Brown Back $5 from the First National Bank of Pawtucket RI resulted in the signatures being printed twice, with a slight offset on the second printing. A most interesting and striking visual effect and should be of intense interest to error collectors. The note is otherwise unremarkable, with even, consistent wear from moderate circulation.

$1,000-$1,500

20501

Pawtucket, Rhode Island. $10 1882 Brown Back. Fr. 480. The Slater NB. Charter #856. PMG Very Fine 20. A pleasing note with above average centering and sharp, clear black ink signatures, this note realized $1,035 at its last appearance in January 2007.

$1,000-$1,500

20502

Providence, Rhode Island. $5 Original. Fr. 394a. The First NB. Charter #134. PMG Very Fine 20. This Original Issue $5 from the First National Bank of Providence exhibits the typical tight "New England" trim at the sides, but otherwise is free of any serious issues so often seen on these early notes. The "Annotation" mentioned by PMG appears to be a tiny "squiggle" in the upper left of the vignette on the back. PMG comments "Annotation."

$1,000-$1,500

20503

Providence, Rhode Island. $10 1882 Brown Back. Fr. 480. The Second NB. Charter #565. PMG Choice Very Fine 35. One of three Large Size $10s from the Second National Bank of Providence, this could well be the finest of the group. Grading Choice VF 35 with good margins and sharp ink signatures, one could ask for little more from a note of this vintage. We note the last sale of any $10 denomination from this bank occurred in 1996, making this a rare opportunity indeed.

$1,000-$1,500

20504

Providence, Rhode Island. $5 1875. Fr. 401. The Third NB. Charter #636. PMG Very Fine 20. Despite some minor edge splits and some light staining, only seven notes from this short-lived bank appear on the Census. This is the sole Series 1875 $5 that has been documented from the Third National Bank of Providence, and while not entirely free from defects it is basically sound and quite collectible. It realized $2,585 at its last auction appearance in September, 2013. PMG comments "Stains, Split."

$1,000-$1,500

20505

Providence, Rhode Island. $5 1882 Brown Back. Fr. 467. The Third NB. Charter #636. PMG Choice Very Fine 35. An extremely attractive and choice VF 35 from the Third National Bank of Providence also happens to be the sole surviving example of an 1882 Brown Back issue for this denomination. Very sharp and crisp ink signatures along with four full margins leave nothing to apologize for. This note has been offered several times over the past 35 years, advance sharply each time. From $350 in 1987, to $1,760 in 2001 and finally to $6,727.50 at its latest appearance in November 2006, the rarity and desirability of this note is evident.

$2,000-$3,000

20506

Providence, Rhode Island. $10 1875. Fr. 416. The Fifth NB. Charter #1002. PMG Very Fine 25. As the only known $10 of *any* type from this scarce Providence area bank, this note retains a rich, deep red color on the overprint and attractive light paper.

$1,000-$1,500

20507

Providence, Rhode Island. $2 1875. Fr. 391. The Mechanics NB. Charter #1007. PMG Very Good 10. Only one "Lazy Deuce" is known from this long-lived Providence bank, and while quite well worn with some obvious issues, it remains the only one of its kind. A good opportunity to acquire an example of this popular design at a reasonable price. It brought $1,955 at its last offering in March 2006. PMG comments "Signatures Retraced, Minor Repairs."

$1,000-$1,500

20508

Providence, Rhode Island. $50 1902 Plain Back. Fr. 675. The Mechanics NB. Charter #1007. PMG Very Fine 25. Bright white paper with a rich blue overprint lend plenty of eye appeal to this 1902 Plain Back $50 from Rhode Island. The steam locomotive shown on the back is a popular vignette and certain to attract the attention of type collectors.

$1,000-$1,500

20509

Providence, Rhode Island. $1 Original. Fr. 380a. The Old NB. Charter #1151. PMG Very Fine 25. This Original Series Ace from the Old National Bank of Providence is closely trimmed at left and top, but is otherwise a fine example of an early $1with decent paper quality and less wear than is normally seen on these issues. Of the four different examples that have traded since 1996, this is almost certainly the finest.

$1,000-$1,500

20510

Providence, Rhode Island. $5 1875. Fr. 401. The Manufacturers NB. Charter #1283. PMG Very Fine 20. With only one other Series 1875 $5 from this bank known, it can be concluded this is a scarce, if not rare issue. Sharp clear signatures, nice overprint and good paper quality more than compensate for a close trim at the left, most visible on the back at right.

$1,000-$1,500

20511

Providence, Rhode Island. $10 1902 Red Seal. Fr. 613. The Providence NB. Charter #1302. PMG Very Fine 30. Sitting all alone on the Census is this 1902 Red Seal $10 from the Providence National Bank. Oddly, a number of high denomination notes are known for this type from this bank, but only one $5 and one $10 have been traced so far. With four clear margins and a bright red overprint this note presents quite well. At its last sale in November 2007, it fetched a winning bid of $2,300.

$1,000-$1,500

20512

Providence, Rhode Island. $5 Original. Fr. 397b. The National Exchange Bank. Charter #1339. PMG Very Fine 20. Above average centering and margins for this tough Original Issue $5 with bold color and nice paper quality for the grade. Only one other is shown on the Census, but no information is provided, so it's possible that it is the same note as this one. A very presentable example of this elusive issue.

$1,000-$1,500

20513

Providence, Rhode Island. $5 1875. Fr. 401. The National Exchange Bank. Charter #1339. PMG Very Fine 25. Replacement Plate. An 1875 $5 from the National Exchange Bank in Providence, PMG notes a "Replacement Plate". This note does not appear on the Census, though about another half dozen are known. Typical "New England" trim, with some evidence of lightened rust areas on the back, it remains a relatively fresh and attractive example. PMG comments "Rust Lightened."

$1,000-$1,500

20514

Providence, Rhode Island. $5 1882 Brown Back. Fr. 469. The City NB. Charter #1429. PMG Choice Fine 15. Large and striking signatures appear on this discovery note which joins only two others on the Kelly Census. The City National Bank in Providence was liquidated in January 1900, so only the Original, 1875 and 1882 Brown Back series' were issued. Four full margins lend a fairly well-balanced look, and while it has certainly seen considerable circulation, it remains sound and quite attractive for the grade. A similar note (graded VF-F) brought $7,475 in a September 2006 sale.

$2,000-$3,000

20515

Providence, Rhode Island. $20 1882 Brown Back. Fr. 495. The American NB. Charter #1472. PMG Choice Very Fine 35. An exceptionally fresh, nearly perfectly-centered note with legitimate claims to a higher grade, we can detect almost no evidence of circulation. Offered twice about 20 years ago in the XF-AU range, we are somewhat at a loss to explain the 35 grade. Only one other 1882 Brown Back $20 appears on the Census, and is without question inferior to this lovely example. Easily one of the most attractive notes in the sale.

$1,000-$1,500

20516

Providence, Rhode Island. $5 1902 Red Seal. Fr. 587. The Atlantic NB. Charter #2913. PMG Very Fine 20. Only a few $5 Red Seals from this bank are known. While this one has seen some repair, the paper and color remain fairly bright and bold. While far from perfect, it appears better than one might expect at arm's length. PMG comments "Repaired."

$1,000-$1,500

20517

Smithfield, Rhode Island. $10 1902 Plain Back. Fr. 624. The First NB of Smithfield. Charter #1035. PMG Extremely Fine 40. Despite a close trim at the top margin, little evidence of circulation can be seen on the $10 Plain Back issue of 1902. While four others appear on the Census, this one easily takes the top spot for condition.

$1,000-$1,500

20518

Warren, Rhode Island. $5 1875. Fr. 401. The First NB. Charter #673. PMG Very Fine 25. As one of two Series 1875 $5s accounted for, this note displays a rich bold red overprint and superior paper for the grade. A few areas where stains may have been lightened are barely detectable on the back. Otherwise, a deep, sharp impression with four clear margins. PMG comments "Stains Lightened."

$1,500-$2,500

20519

Warren, Rhode Island. $1 Original. Fr. 380a. The National Hope Bank. Charter #1008. PMG Choice Fine 15. Although half a dozen Original Series Aces from the National Hope Bank in Warren, RI appear on the Census, this particular note is not one of them. Most all the others are in the VG-F range, likely placing this note in the upper half of the surviving examples. PMG notes some rust, but aside from a tiny spot at the top, we seen nothing unusual for the grade. PMG comments "Rust."

$800-$1,200

20520

Warren, Rhode Island. $10 1882 Brown Back. Fr. 480. The National Hope Bank. Charter #1008. PMG Very Fine 25. As the only 1882 Brown Back $10 known from this Warren, RI bank, little more need be said concerning the rarity of this offering. While some folds are plainly visible, the overall appearance of this note suggests fairly light circulation. Nicely balanced and centered margins and superior paper for the grade make this note quite attractive. At its previous offering in June 2014, it drew a winning bid of $2,070.

$1,500-$2,500

20522

Warren, Rhode Island. $5 1882 Brown Back. Fr. 468. The National Warren Bank. Charter #1419. PMG Very Fine 25. Showing only light to moderate circulation, with four clear margins and well-balanced look, this $5 Brown Back from the National Warren Bank of Warren is one of three traced to date and the only one to have traded in recent memory. It last appeared in a November 2006 auction where it garnered a winning bid of $3,450. An impressive result for a pleasing, no-problem note.

$1,500-$2,500

20521

Warren, Rhode Island. $20 1875. Fr. 432. The National Warren Bank. Charter #1419. PMG Choice Fine 15. A rare 1875 $20 from this Bristol County, RI bank, the Kelly Census reveals nothing about the "other" example known, leading us to question if it is also this note. The two (?) 1875 notes are the only $20s of any issue appearing on the Census from the Warren Bank of Warren. Sporting a bold, deep red overprint and legible signatures, the note appears sound for the grade but PMG notes "Minor Repairs." No example has been offered in over twenty years.

$2,000-$3,000

20523

Westerly, Rhode Island. $5 1882 Brown Back. Fr. 474. The National Niantic Bank. Charter #823. PMG Very Fine 25. Prior to its liquidation in January 1905, the National Niantic Bank of Westerly issued notes in the Original, 1875 and 1882 Brown Back series. This mid-range VF shows the expected folds and a trace of what appear to be red markings on the back, but they detract little from this note's overall appearance. PMG comments "Foreign Substance."

$1,000-$1,500

20524

Westerly, Rhode Island. $10 1882 Brown Back. Fr. 480. The National Niantic Bank. Charter #823. PMG Very Fine 20. One of two 1882 Brown Back $10s from the National Niantic Bank of Westerly, this almost perfectly centered, well-margined example is quite nice for the grade and issue. The "Foreign Substance" mentioned by PMG is a small area in the lower right portion of the front, but is well-hidden by the vignette. PMG comments "Foreign Substance."

$1,000-$1,500

20525

Westerly, Rhode Island. $10 1875. Fr. 417. The Washington NB. Charter #952. PMG Choice Fine 15. The only Series 1875 $10 from the Washington National Bank of Westerly, this note appears quite nice for a Fine 15. The overprints are rich and bold but the right signature is somewhat faded. Given that no others have yet been located, this is a most satisfactory example for the Rhode Island collector.

$1,000-$1,500

20526

Woonsocket, Rhode Island. $10 1882 Brown Back. Fr. 480. The Woonsocket NB. Charter #1058. PMG Choice Fine 15. One of three known 1882 Brown Back $10s from the Woonsocket National Bank, this one is likely the finest. No problems other than circulation, this note has several positive attributes including four full, clear margins, sharp, clear signatures, clear overprints and good paper quality for the grade. Very little more one could ask from a note of this type and vintage. A search of recent sales records for $10s from this bank revealed no results. Thus, we regard this current offering as a significant opportunity.

$1,000-$1,500

20527

Woonsocket, Rhode Island. $5 1882 Brown Back. Fr. 467. The First NB. Charter #1402. PMG Fine 12. One of the scarcer Woonsocket banks, the First National Bank of Woonsocket was liquidated in February 1902 with only $5,922 outstanding in 1910. This 1882 Brown Back $5 is one of only two on the Census, and while fairly well worn, retains legible signatures and acceptable eye-appeal for the grade. It recently brought a bid of $2,160 in a January 2018 sale.

$1,000-$1,500

20528

Woonsocket, Rhode Island. $10 1882 Brown Back. Fr. 482. The Producers NB. Charter #1421. PMG Very Fine 25. Five 1882 Brown Back $10s from the Producers National Bank of Woonsocket are accounted for. With a bright overall look, bold pen signatures and four good, clear margins, this note possesses a high visual appeal. We believe the tape repair mentioned by PMG is detectable at the bottom center of the note, but is of minimal detriment. While this note has not sold in the past 20 years, another VF 25 note realized $2,415 in a May 2011 sale. PMG comments "Tape Repair."

$1,500-$2,500

20529

Woonsocket, Rhode Island. $10 1882 Brown Back. Fr. 482. The Producers NB. Charter #1421. PMG Very Fine 25. Although four 1882 Brown Back $10s from the Producers National Bank of Woonsocket appear on the Census, we have here a fifth example. Like the other offered in this sale, this note has good visual appeal. Four broad and balanced margins, superior paper and good color are positive attributes, but the lack of any mentioned restoration or repair makes this note even better. Being a new discovery, there are of course no previous sales records, but as we mentioned on the other similar lot, another PMG VF 25 sold for $2,415 in May 2011.

$2,000-$3,000

20530

Woonsocket, Rhode Island. $10 1902 Red Seal. Fr. 613. The Producers NB. Charter #1421. PMG Very Fine 20. On the upside, this $10 Series 1902 Red Seal from the Producers National Bank of Woonsocket has good centering with four full margins, a nice red overprint, and bright paper. On the downside, the signatures are only faintly visible, having faded over time. In its November 2001 appearance, this note received a winning bid of $1,870.

$2,000-$3,000

South Carolina

20531

Barnwell, South Carolina. $5 1902 Plain Back. Fr. 606. The First NB. Charter #11287. PMG Very Fine 20. An evenly worn and problem-free $5 Plain Back from this extremely short-lived (1919-1924) bank in rural South Carolina, it is likely the 2nd finest known of the seven known to date. While we can trace no prior sales for this note, a VF 25 most recently sold for $3,120 in January 2018. Four years earlier, a PCGS Fine 15 PPQ realized $3,737.

$2,000-$3,000

Texas

20532

Crandall, Texas. $20 1882 Value Back. Fr. 581. The Citizens NB. Charter #5938. PMG Fine 12 Net. Rust, Edge Damage. Just six large size notes are reported to this Kaufman County issuing bank. The Citizens NB of Crandall was chartered in August of 1901, and lasted through the end of the National Currency era, with a scant $1,750 in large size reported outstanding in 1935. This is the sole $20 Value Back available to collectors from this charter, and it is sure to be hotly contested once the bidding starts. PMG comments "Rust, Edge Damage."

$800-$1,200

Newly Discovered $10 Texas Brown Back

20533

Glen Rose, Texas. $10 1882. Fr. 490. The First NB. Charter #5795. PCGS Banknote Very Fine 25. Up until tonight, just two notes were available to collectors from this Somervell County issuing bank. This is the first $10 Brown Back to come forth from the bank, and collectors from the Lone Star state will vie to add this note to their holdings. The First National Bank of Glen Rose was chartered on May 4th, 1901 and issued notes from the 1882 Brown Back, Date Back and 1902 Plain Back series. The bank was liquidated on June 26th, 1928 with just $4,300 reported out at close ($117,450 was issued). Currently, a $20 Brown back and $20 Plain Back are known to exist from the bank, with no notes from the 1882 Date Back series reported to be in existence. The bank issued only $10's and $20's during its operating tenure. The signatures are dark, neatly penned and fully legible. The overprints and treasury seal stand out in a dark maroon color. Fully framed margins add to the appeal along with dark design details. The cashiers signature is of Lawrence McFall, who later became a Texas bank examiner. Tragically he died during a routine dental procedure that went terribly wrong. McFall kept the note after leaving the bank, becoming a family heirloom for many years. This is the first time it will be offered to the public.

Glen Rose was known as the "whiskey woods capital of the state" during the prohibition era, with moonshining being popular in the city. The local mineral springs attracted various doctors and self-proclaimed healers to the area, although business and the population slowly declined after the depression. The population was roughly 1,000 people in the early 1900's through the 1920's, and today it is roughly 2,500 people. The small population and low issuance of notes from this bank has equated to the limited surviving examples available to collectors today from this bank.

$10,000-$15,000

20534

Hempstead, Texas. $10 1902 Plain Back. Fr. 630. The Farmers NB. Charter #4905. PMG Very Good 8. The Farmers National Bank of Hempstead was organized on April 15th, 1893 and issued $553,570 until it went into receivership on February 7th, 1925. At close, $49,195 was reported out. Eight notes, all large, are reported in Track and Price's census with auctions records being few and far between. Scarce, and sure to be hotly contested by collectors of Lone Star currency.

$1,000-$2,000

20535

Mexia, Texas. $50 1882 Brown Back. Fr. 508. The First NB. Charter #3014. PMG Fine 12 Net. Restoration. Just three notes are available to collectors from this Limestone County issuing bank. This is the sole $50 Brown Back reported on the bank, and as an added treat is has the low serial number of lucky "13." The First National Bank of Mexia was chartered in 1883 and issued $180,790 during its tenure. The bank was liquidated on March 22nd, 1919 with $11,900 left outstanding at close. The bank issued notes from the Brown Back, Red Seal and Date Back series, however only two $5 Brown Backs and this $50 Brown Back are currently known to survive. High denomination nationals always hold a special place in collectors hearts, and this example is sure to draw quite a bit of excitement. Depicted at left is Washington crossing the Delaware, while Washington is again found at right, this time praying with allegorical figures watching over. The penned signatures are found in a dark brown ink and are still legible. PMG comments "Restoration."

$5,000-$8,000

20536

Mexia, Texas. $20 1902 Plain Back. Fr. 659. The City NB. Charter #11964. PMG Choice Fine 15. The City NB of Mexia was chartered in April of 1921 and issued an impressive $1,032,500 during its tenure. The bank made it through the depression and made it through the end of the National Currency era, with $3,110 in large size left outstanding in 1935. Nine large size note are reported in Track and Price's census for this Limestone County issuing bank.

$800-$1,200

20537

Mount Pleasant, Texas. $10 1902 Plain Back. Fr. 631. The State NB. Charter #6139. PMG Fine 12. This note comes from the second bank title for the charter. Three notes, all large size, are reported in track and price for the State NB. The bank was chartered on February 27th, 1902 and issued $634,250 until it was liquidated on May 12th, 1924. $59,300 was reported out at close. The Cashiers signature is found in a dark gray ink, while the Presidents signature has sadly faded into the sands of time. Scarce, and surely missing from even the most advanced collections of Texas Nationals.

$4,000-$5,000

20538

Paris, Texas. $10 1882 Brown Back. Fr. 484. The City NB. Charter #4411. PMG Fine 12. The City NB of Paris was chartered in 1890, issuing $3,357,090 until it was liquidated on August 31st, 1926. At close, $33,600 was reported out. A denomination and type which is always popular among collectors of Texas currency. PMG comments "Corner Missing, Previously Mounted."

$1,500-$2,000

20539

Palestine, Texas. $5 1882 Brown Back. Fr. 469. The First NB. Charter #3694. PCGS Banknote Choice Fine 15. A rarity from this Anderson County issuer, as this is the first $5 Brown Back to be offered at public auction. Currently, no $5 Brown Back's are listed in the National Bank Note Census for this issuer, and we are excited to offer this note to collectors of Lone Star currency. PCGS Banknote comments "Contemporary Annotation", although this is in reference to a penned date of "Dec 24 190". to the left of the printed charter date.

$2,000-$3,000

Special Palestine Texas $100 Date Back

20540

Palestine, Texas. $100 1902 Date Back. Fr. 691. The First NB. Charter #3694. PCGS Banknote Choice Extremely Fine 45. The First National Bank of Palestine was chartered on May 5th, 1887 and issued $1,604,060 during its lifetime. The bank lasted through the end of the National Currency period, with just $5,780 in large size reported outstanding in 1935. The City of Palestine was established in 1843, with the Texas legislature designating Palestine to serve as the seat for the newly established Anderson County in 1846. Palestine was supposedly named after the city in Illinois by preacher Daniel Parker, although other sources attribute the name to a migrant from the same Illinois city. The city's main income came from the timber trade, which was stimulated when the International Railroad and the Houston and Great Northern Railroad were built in the early 1870s which passed through Palestine.

This Date Back $100 is special, as it is the only high denomination note currently known for the bank. This note is reported in Track and Price's census, so it must have been seen by a collector at some point, but there is no auction history reported for it. This will be the first time National collectors will get to bid publicly on this treasure. The signatures are hand penned in a dark brown ink, which stand out quite well on bright paper. The appeal is good for the assigned grade, with mostly even circulation noticed. The primary design is dark, along with the blue overprints. Found on the back at center is a bald eagle perched above the shield of the United States, with allegorical figures at left and right and flags on opposite sides. The "100" counters are in each corner with arch and column designs making up the border design in a dark hunter green ink.

$6,000-$8,000

20541

Palestine, Texas. $5 1902 Plain Back. Fr. 600. The First NB. Charter #3694. PCGS Banknote Uncirculated 62 PPQ. Beautiful dark brown penned signatures pop on this original Texas national. The paper is bright with dark blue overprints radiating through the encapsulation surfaces. The design is particularly bold, and any collector of Lone Star currency would be proud to take this note home. Track and Price's census reports that this is one of the finer Plain Back $5's available to collectors from the bank.

$1,000-$1,500

Vermont

20542

Fair Haven, Vermont. $5 Original. Fr. 394. The First NB. Charter #344. PMG Very Fine 25. A well-preserved Original Series $5 from the First National Bank of Fairhaven, VT. While the left margin is closely trimmed and there are a few light stains as noted by PMG, the overall paper quality, sharp clear ink signatures and limited wear on the note really give it superior eye appeal. PMG comments "Stains."

$1,000-$1,500

20543

Manchester Center, Vermont. $5 1902 Red Seal. Fr. 587. The Factory Point NB. Charter #3080. PMG Very Fine 30. A nicely-centered Red Seal $5 from the Factory Point National Bank of Manchester Center, VT with bright overprint and blue end paper. The finer of only two shown on the Census. From an October 2010 sale at $2,530.

$2,000-$3,000

20544

Montpelier, Vermont. $5 1882 Brown Back. Fr. 467. The First NB. Charter #748. PMG Fine 12. Although having seen plenty of circulation, this Fine 12 Brown Back $5 from the First National Bank of Montpelier features the highly attractive and desirable "Circus Poster" font on the front. Higher-grade examples of this note have been known to bring mid four-figure to five-figure bids but this fairly well-worn example should still realize a decent sum. It last brought $1,880 in a September 2013 sale.

$1,500-$2,500

20545

Springfield, Vermont. $10 1875. Fr. 416. The First NB. Charter #122. PMG Fine 12. An evenly-worn, problem-free blue end paper First Charter $10 from the FNB of Springfield, VT. While this note has seen its share of use, it has suffered no abuse, and simply reflects an honest life in commercial channels. The signatures remain sharp and clear and the red overprint retains a good bit of life to it. It last traded at $1,265 almost exactly ten years ago in March, 2012.

$1,000-$1,500

20546

Wells River, Vermont. $5 1902 Red Seal. Fr. 587. The NB of Newbury. Charter #1406. PCGS Currency Very Fine 30. One of only two Red Seal $5s from the National Bank of Newbury at Wells River VT presently known (the other appears in this sale as well), it more than lives up to its VF 30 grade. Crisp white paper, rich red embossing, and just a few light folds are exactly what "old school" graders defined as "Very Fine." Top notch eye appeal and utterly free from any problems, this note realized a bid of $2,990 when last sold in November 2003.

$1,000-$1,500

20547

Wells River, Vermont. $5 1902 Red Seal. Fr. 587. The NB of Newbury. Charter #1406. PMG Very Fine 25. The second of the two known Red Seals from the National Bank of Newbury at Wells River, VT, this note is graded VF 25 by PMG and is likewise a pleasing example for the grade. While the paper shows a few more folds, the signatures are darker and the overall impression appears just a bit richer. Choosing between the two would be almost a toss-up really, but bidders in this sale have the privilege of selecting from the two known Red Seals from this Vermont bank.

$1,000-$1,500

20548

White River Junction, Vermont. $10 1902 Red Seal. Fr. 614. The NB. Charter #3484. PMG Very Fine 30. Even though a number of $10s from the National Bank of White River Junction VT are around, nearly all are Small Size or 1902 Plain Backs. This note is indeed the only Red Seal known to either Kelly or Track & Price, and fortunately for the collecting community, it is a most attractive example. Lovely nearly white paper, a deep red overprint, light but clear and legible signatures and four full clear margins leave little more to wish for. While some folds are present, they are neither deep nor distracting. In all, an extremely pleasing note. Its last offering in October 2010 brought a winning bid of $2,990.

$2,000-$3,000

Washington

20549

North Yakima, Washington. $10 1902 Plain Back. Fr. 624. The First NB. Charter #3355. PMG Choice Fine 15. With only moderate and even circulation, nearly perfect centering on the front, and freedom from any stated problems, this Plain Back $10 from the FNB of Yakima, WA is quite appealing for its Fine 15 grade. Of the five notes presently shown on the Census, it is likely the second finest. A prior sale for $2,300 took place in January, 2008.

$1,000-$1,500

Bonds

20550

United States of America. Act of June 13, 1898-Three Percent Loan of 1898. $20 3% Coupon Bond. Issued. Very Fine. This bond is encountered only when advanced collections are sold. The Herbstman Collection estimates around 20 examples are known. A large format, coupons under bond and of impressive size. Printed at the Bureau of Engraving and Printing. 33.0cm by 58.0cm with full coupons. Brown frame and interest undertint. Brown tinted coupons. Washington at top center over title, eagle with shield in left cartouche. Large red Treasury seal. Engraved Green back with Peace at center within intricate lathe and medallions. Back of coupons green. August 1, 1898 date. Engraved Lyons signature. Serial number 48098. A desirable full coupons bond in choice condition. When offered at auction, these are hotly pursued. Internal holes from fold wear are noticed. Overall, a lovely example for the type. This is an essential Federal Loan type for any comprehensive collection. Also included is a check for 36 cents for Three Percent Loan of 1898 made out to H.D. Jameson.

Tied for Top Pop at PMG and only one of two examples graded of this denomination. Vignette of a horse and sage leaf on the back. PMG notes "Repaired" but in light of its rarities we can probably be more forgiving of its maladies. Much scarcer than the 20 shilling note. Rare.

$800-$1,000

21003

MA-266. Massachusetts. 1779. 1 Shilling. PMG Choice Very Fine 35. No. 1167. The front plate for this series was engraved by Paul Reverse. PMG comments "Stained."

A scarce, late issue payable in "Coined Gold and Silver," having four solid margins and boldly printed text. PMG notes Edge damage; Stains. Only 5,000 were issued. Incredibly rare until about fifteen years ago when a handful of examples came out of hibernation.

$500-$700

21005

21006

NJ-100. New Jersey. June 22, 1756. 6 Pounds. PCGS Currency Fine 12. No. 429. Signed by Hartshorne, Smyth, and Hollinshead. A meager 625 printed for this highest denomination example. Red and black printing. Green back as made. New Jersey Coat of Arms at left. PCGS notes Edge splits; Minor stains. A rare note that should not be overlooked by the New Jersey specialist.

$300-$400

21007

NJ-125. New Jersey. October 20, 1758. 30 Shillings. PMG Choice Fine 15 Net. Reattached at Center, Annotation. No. 16203. Three signatures remain primarily legible. New Jersey coat of arms at left. Red and black text. Printed by James Parker of Woodbridge, NJ. PMG comments "Reattached at center, annotation." The PMG Population Report confirms what this cataloger already knew; low-end Very Fines are top grade for this very scarce series. This is not to be confused with the more available May 1, 1758 issue.

$400-$600

21008

NJ-132. New Jersey. April 10, 1759. 6 Pounds. PMG Very Fine 25. No. 1072. Signed by Nevill, Daniel Smith Jr., and Sam Smith. Red and black printing. Superb details on both sides of the note. Only 1,834 of these notes were issued and they were to return to the Treasury and made invalid by May, 1768. Any of these early high-denomination New Jersey notes that are found in Very Fine grade and without condition problems are to be held closely for years to come.

$400-$600

21009

NJ-211. New Jersey. 1786. $1 Shilling. PMG Very Fine 20 Net. Repaired. No. 38167. Plate C. Signed by Ewing and Smith. Printed by Isaac Collins, 1786. Trenton, New Jersey. State Coat of Arms at left. This was the last 18th century colonial issue for New Jersey. PMG comments "Repaired." According to the PMG Population Report this is right at the top of the scale.

$400-$600

21010

PA-132. Pennsylvania. March 1, 1769. 1 Pound, 10 Shillings. PMG Choice Fine 15. Repeater serial number 2828. Plate D. Signed by Isaac Greenleafe, John Gibson, Jr., and Daniel Roberdeau. Only 4,000 printed of this denomination. PMG comments Stained. These March 1st issue notes are much scarcer than the Bettering House series that was dated a few days later on March 10th.

$400-$600

21011

PA-176. Pennsylvania. April 10, 1775. 5 Pounds. PCGS Currency Extremely Fine 45. No. 2732. Plate B. Signed by Roberts, Bacon, and Coats. The back shows the Walnut Street Workhouse, which was the city jail in Philadelphia.

$200-$300

21012

PA-219b. Pennsylvania. April 10, 1777. 8 Shillings raised to 8 Pounds. PCGS Banknote Very Fine 20 Details. Splits and Tears, Minor Surface Damage. Printed by John Dunlap, who was one of the most successful printers of this era and who was responsible for printing the first copies of the Declaration of Independence. Signers of this particular note were William Thorne and Phillip Alberti. Notes of denominations 4 shillings and above were required to bear a second signature. This is the better red and black variety for this series. What makes this note so interesting is that it is the only known Pennsylvania raised note and the only one that has been raised to a denomination that didn't exist for the issue. The note has been raised from 8 shillings to 8 pounds in numerous places: the obligation (the black central text), twice in red ink (both immediately above and below the text), four times in the red border design, and even on the back of the note above the central farming scene. Both signatures are written in black ink, whereas for the two highest denomination notes one black and one red signature were required. The border ornamentation seen on the back is also different between the 8 shilling note and that of the two highest denomination pieces. Finally, on the 8 shilling note the back is printed primarily in red, while the backs on the two high denomination notes are printed in all black. An enigmatic and glorious note that will stimulate the senses of any casual currency collector or colonial history buff. PCGS Banknote comments "Splits and Tears, Minor Surface Damage."

$400-$600

21013

RI-56a. Rhode Island. February 14, 1743/44. 10 Shillings. PCGS Banknote About Good 3 Details. Pieces Missing, Backed. No serial number. A "Tall" Bill of Credit from Rhode Island. This issue was authorized by the General Assembly from South Kingstown. PCGS Banknote cites "Pieces Missing, Backed." Any intact example is worth a solid four-figure or even five-figure price. These are rare even in the well-used state of preservation. Not to be overlooked and a piece that will a gaping hole in anyone's Colonial Currency collection.

$500-$700

21014

SC-155. South Carolina. February 8, 1779. $60. PCGS Banknote Choice Extremely Fine 45. No. 88. Signed by John Scott, Plowden Weston, and Downes. Printed by Thomas Coram. The motto, "MUTUA DEFENSIO TUTISSIMA" translates as "mutual defense is safest." The reverse vignette is of a Lyre, Horns, and Flags. This highly popular 1779 series is a collector favorite as the back designs are some of the most stunning used on Colonial era notes. A small edge tear is noted by PCGS. A riveting issue from this southern original colony.

$700-$900

21015

VA-101. Virginia. May 6, 1776. 4 Pound. PMG Choice Fine 15. No. 811. Signed by Morris and Seaton. Standard thick rag paper, size, and uniface designs. Horizontal format. Arms at upper left with cast border cuts. Another key sterling note from this date with only 1,000 notes printed. The highest denomination sterling note on the date. PMG has spotted a Tape Repair. This is a rare denomination with the only sold by us a troubled Very Fine that realized $1,380 in our 2007 Ford XVII sale.

21020

CC-79. Continental Currency. September 26, 1778. $5. PMG About Uncirculated 50. No. 197801. Signed by Cox and Donnell. Vignette of hand being pricked by thorns. $400-$600

21021

CC-83. Continental Currency. September 27, 1778. $30. PCGS Banknote Choice Uncirculated 63 PPQ. Blue Counterfeit Detector. This amply margined and fully uncirculated $30 Continental bears the Latin motto "SI RECTE FACIES" meaning "If you act rightly." This surrounds the wreath on a tomb emblem at left. The paper is exceptionally choice, fully crisp and free of any distractions. Only a tight left margin limits the grade.

$400-$600

21022

CC-86CT. Continental Currency. September 26, 1778. $60. PMG Choice Uncirculated 64. Counterfeit. No. 290090. False signatures of Gamble and Snowden. Printed by Hall and Sellers 1778. Globe vignette. Latin motto DEUS REGNAT EXULTET TERRA, which Newman translates "God reigns, let the earth rejoice." These counterfeits were produced by the British in an attempt to ruin the colonial economy, one which was highly dependent upon trust and faith in accepting paper money. This well margined and boldly printed example is very close to Top Pop status, with only a pair of 64 EPQ notes found in the PMG Population Report

$600-$800

21023

CC-93. Continental Currency. January 14, 1779. $30. PMG Uncirculated 61. No. 56626. Signed by Gaither and Watkins. Vignette of a tomb topped by a wreath. Latin motto SI RECTE FACIES, which Newman translates "If you act righteously, you will be honored after death." Printed by Hall and Sellers 1779. PMG notes "Previously Mounted, Toned." Somewhat surprisingly, the PMG Population Report confirms what this cataloger has suspected for years; the $30 denomination from this issue is actually somewhat scarcer than a lot of the more commonly accepted "tough" notes from this series. Their Pop Report also shows that this is one of only eight uncirculated pieces from this issue. A broadly margined and well centered example which, despite its flaws, faces up well.

$500-$700

A deep crease and bend in the PMG holder is noted at the upper left corner.

$250-$350

A most unusual error, with the Fed and Treasury seals and Serial numbers perfectly positioned, on the *back* of this Series 1988A $10. They are of course missing from the front. This note shows several light folds, indicating either a short time in circulation, or being carried around and shown off as a curiosity at the very least.

National Bank Notes

Arkansas

21349

Fort Smith, Arkansas. $5 1882 Brown Back. Fr. 469. The American NB. Charter #3634. PCGS Currency Fine 12 Apparent. Repairs, Pieces Added, Design Redrawn. This low Serial Number Brown Back $5 from the American National Bank of Fort Smith features the striking and extremely popular Circus Poster motif on the bank's title. Brown Backs from Arkansas are quite scarce with only about two dozen known from all denominations and all banks. PCGS graded Fine 12 Apparent, with several areas of restoration mentioned. These appear to be at the center of the note and at the right margin. While well worn and having undergone some repairs, the note is well-centered and has clear signatures and overprinting. Plus as an Arkansas Brown Back, it is rare. At its prior sale in September 2016, it brought $1,057.50.PCGS Currency comments "Repairs, Pieces Added, Design Redrawn."

$800-$1,200

21350

California

21352

Colton, California. $5 1902 Plain Back. Fr. 600. The First NB. Charter #3573. PMG Choice Fine 15. While moderately to heavily circulated, this remains a fairly scarce issue with only sixteen Large Size notes of all denominations and types appearing on the Census. No Small Size notes were printed from this bank. PMG comments "Minor Repairs."

$500-$700

21353

Fullerton, California. $5 1902 Plain Back. Fr. 609. First National Trust & Savings Bank. Charter #12764. PMG Choice Fine 15. Adopting the *First National Trust and Savings Bank of Fullerton* title in May, 1927, only a few Large Size notes from this bank were issued before the switch to Small Size notes. In fact, only $490 in Large Size notes were shown as outstanding in 1935. While this note has seen its share of circulation, it remains a scarce issue. PMG comments "Minor Repair."

$400-$600

21354

San Francisco, California. $10 1882 Value Back. Fr. 577. The Wells Fargo Nevada NB. Charter #5105. PMG Very Fine 30. A fresh and attractive mid-grade Value Back $10 from the Wells Fargo Nevada National Bank of San Francisco with excellent centering on the front and bold black signatures. $500-$700

21355

San Francisco, California. $20 1929 Ty. 1. Fr. 1802-1. Bank of America National Trust & Savings Assoc. Charter #13044. PMG Choice Very Fine 35. Just a very light centerfold is evident on this Choice VF 35 Type 1 $20 from the Bank of America National Trust and Savings Association of San Francisco.

$400-$600

Connecticut

21358

Bridgeport, Connecticut. $2 Original. Fr. 387. The First NB. Charter #335. PMG Very Good 8 Net. Repaired, Pieces Added. One of just three First Charter notes known from this bank, this note will take home no prizes for its condition. However it is quite rare, and can serve its purpose as a "filler" until something better comes along.... which could be a *very* long wait. PMG comments "Repaired, Pieces Added."

$1,000-$1,500

21359

Bridgeport, Connecticut. $20 1902 Plain Back. Fr. 652. The First NB. Charter #335. PMG Very Fine 25. Even though there are eight Plain Back $20s from this bank shown on the Census, offerings appear to be few and far between with only one sale documented this century so far - that being a March 2008 sale of a VF-XF for $276. This is a very attractive VF 25 with bold, black signatures, good blue overprint and even, off-white paper. Whatever the "Minor Repair" mentioned by PMG was, it was most skillfully done as it is difficult to pinpoint now. PMG comments "Minor Repair."

$150-$250

21360

Clinton, Connecticut. $5 1902 Date Back. Fr. 590. The Clinton NB. Charter #1314. PMG Very Fine 30. While Series 1902 Plain Back $5s from the Clinton National Bank of Connecticut are relatively numerous, Date Backs are another matter entirely with this note being only the second to surface. It is not presently shown on the Census, and no sales records exist for either this, or the other known specimen. It is therefore fortunate for collectors that this note is a virtually perfect VF 30 example, showing only light, even use, four good full margins, good signatures and overprint color and lovely, crisp paper. A wonderful opportunity to acquire a truly scarce variety from this bank, in a condition that needs neither excuses nor apologies.

$200-$300

21361

21362

New Canaan, Connecticut. $5 1902 Plain Back. Fr. 598. The First NB. Charter #1249. PCGS Currency Very Fine 25. Simple, even, consistent wear is really all that needs be said about this problem-free Plain Back $5 from the prestigious town of New Canaan, CT. Showing the expected folds and slight toning of the paper from use, there are no "issues" which occasionally are found on notes such as this. A previous offering in August 2012 brought a winning bid of $998.75.

$300-$500

21363

New Haven, Connecticut. $50 1929 Ty. 1. Fr. 1803-1. The Merchants NB. Charter #1128. PMG Very Fine 25. About a dozen Type 1 $50s from the Merchants National bank of New Haven, CT can be found on the Kelly Census. All but one though are VF or lower making this note one of the better examples available. Nicely margined with no flaws other than normal wear.

$400-$600

21364

Norwich, Connecticut. $1 Original. Fr. 380b. The Thames NB. Charter #657. PMG Fine 12. There are about a dozen Original Series Aces from the Thames National Bank in Norwich CT known, and most, like this note, are in relatively low grade. We note a small area of repair at the center of the bottom margin, but it appears relatively minor in the overall scheme of things. The signatures remain legible and sharp, and the red overprint still has a bit of life in it. Well worn to be sure, but really not a bad example given the grade. A $632.50 note when last sold in September 2007. PMG comments "Repaired."

21365

Delaware City, Delaware. $10 1929 Ty. 1. Fr. 1801-1. The Delaware City NB. Charter #1332. PMG Very Fine 20. A moderately circulated Type 1 $10 from the Delaware City National Bank with decent color, centering and paper for the grade. PMG comments "Minor Repair."

$300-$500

Hawaii

21366

Honolulu, Hawaii. $5 1929 Ty. 2. Fr. 1800-2. Bishop NB of Hawaii at Honolulu. Charter #5550. PMG Very Fine 20. Bearing the third title of this most prolific bank from the playground of the Pacific, the Bishop National Bank of Hawaii at Honolulu first issued Brown Backs after being chartered in August of 1900 as the First National Bank of Hawaii, Honolulu. While by no means a rare note as over 100 examples appear on the census, it remains a highly-demanded bank from a most popular location. This particular note last brought $489 in a September 2005 sale.

$200-$300

21367

Honolulu, Hawaii. $10 1929 Ty. 1. Fr. 1801-1. The Bishop First NB. Charter #5550. PMG Choice Fine 15. An example of the 2nd title of this most active Hawaii bank (Bishop First National Bank of Honolulu, Hawaii) this Type 1 $10 is a well-centered albeit certainly well-circulated note. While the Census records nearly 100 notes of this type, the issuing locale keeps demand high and insures ongoing popularity.

$200-$300

21368

Honolulu, Hawaii. $50 1929 Ty. 1. Fr. 1803-1. Bishop First NB. Charter #5550. PMG Very Fine 20. Despite a good number of examples on the market, notes from the Bishop FNB of Honolulu, Hawaii enjoy a strong ongoing demand. A few tiny specks of rust from a paper clip are minor indeed. PMG comments "Minor Rust."

$400-$600

21369

Honolulu, Hawaii. $100 1929 Ty. 1. Fr. 1804-1. Bishop First NB. Charter #5550. PMG Very Fine 20. Of the five Chartered National Banks in Hawaii, only the First National Bank of Hawaii, Honolulu (and under its later Bishop First National Bank of Honolulu moniker) issued a significant amount of notes. Many of these survive today particularly in Small Size (though for some reason no Small Size $20s appear to have been issued). This VF-20 Type 1 $100 shows a few tiny rust spots at the upper right corner but is otherwise a pleasing moderately-circulated example. PMG comments "Minor Rust."

$500-$700

Illinois

21370

Chicago, Illinois. $100 1929 Ty. 2. Fr. 1804-2. The Live Stock NB. Charter #13674. PMG Extremely Fine 40. Chartered in April 1933, the Live Stock National Bank of Chicago issued only Type 2 notes. Quite a few are known of in all denominations so we cannot call this particularly rare. However it is a well-balanced EF showing minimal signs of use. A bit of fading over Independence Hall on the back is noted. PMG comments "Minor Discoloration."

$400-$600

21371

Chicago, Illinois. $100 1929 Ty. 2. Fr. 1804-2. the Live Stock NB. Charter #13674. PMG Choice Very Fine 35. Well-centered with the light folds one might expect from a VF-graded note.

$400-$600

21372

Danville, Illinois. $20 1882 Value Back. Fr. 581. The Danville NB. Charter #5812. PMG Choice Fine 15. As the only Value Back $20 from the Danville (IL) National Bank on the Census, one must take what they can get. In fact, only two $20s from this bank of any size or type appear on the census at all, underscoring the rarity of this denomination from this bank. While exhibiting moderate to heavy wear, the note is otherwise free of any serious problems or repair, and has four clear and full margins.

$400-$600

21373

Elgin, Illinois. $100 1929 Ty. 1. Fr. 1804-1. The Home NB. Charter #2016. PCGS Banknote Choice Fine 15. Only $50s and $100s in Small Size were issued from the Home National Bank of Elgin, IL. A well-circulated note with lightly toned paper and a few stray pencil notations on both the front and back. PCGS Banknote comments "Pencil Marking."

$200-$300

21374

Joliet, Illinois. $20 1882 Brown Back. Fr. 499. The Will County NB. Charter #1882. PMG Choice Fine 15. A moderately but evenly-circulated, problem-free Brown Back $20 from the Will Country National Bank of Joliet, IL. The margin at right is a bit tight, but design loss, if any, is negligible. Charter No. 1882 on an 1882 Brown Back is an interesting and rather novel combination.

$500-$700

21375

O'Fallon, Illinois. $20 1902 Plain Back. Fr. 650. The First NB. Charter #6924. PMG Choice Uncirculated 63. A lovely Choice Uncirculated example of this Plain Back Twenty. PMG comments "Toning."

$400-$600

21376

Robinson, Illinois. $100 1929 Ty. 1. Fr. 1804-1. The Second NB. Charter #13605. PCGS Banknote Very Fine 30 Details. Edge Damage, Ink Stamp. Only five Small Size $100s from the Second National Bank of Robinson, IL are reported on the Census. While well-centered on the front, it displays a few handling marks from the bank, including a partial teller stamp to the left of the portrait, a small ink stain with a tiny tear at the bottom margin and a light written "3000" flanked by two tiny pinholes just right of the Charter Number at left. PCGS Banknote comments "Edge Damage, Ink Stamp."

$200-$300

21377

Seneca, Illinois. $100 1929 Ty. 1. Fr. 1804-1. The First NB. Charter #1773. PMG Choice Fine 15 Net. Repaired. One of only three Small Size $100s listed from the First National Bank of Morris, IL, this Fine-15 Net note appears to have undergone minor repair at the top center margin, but is otherwise evenly toned and worn with good centering. PMG comments "Repaired."

$300-$500

Indiana

21378

Bedford, Indiana. $5 1902 Plain Back. Fr. 606. The Citizens NB. Charter #5173. PMG Very Fine 30 EPQ. With four clear margins and a vivid rich blue overprint, this Plain Back $5 from the Citizens National Bank of Bedford, IN possesses superior eye appeal for its VF 30 grade. While a horizontal and some vertical folds are apparent, the paper retains a good off-white color and considerable freshness.

$400-$600

21379

Fowler, Indiana. $10 1902 Plain Back. Fr. 633. The First NB. Charter #5430. PMG Choice Uncirculated 63. Wide margins stand out on three of the four sides. The paper is exceptionally bright and the overprints are pleasing in a dark blue color.

$400-$600

Iowa

21380

Bedford, Iowa. $5 1929 Ty. 2. Fr. 1800-2. The Bedford NB. Charter #5165. PMG Very Fine 25. While the Kelly Census lists eight Small Size $5s from the Bedford National Bank in Iowa, seven of those are Type 1s, leaving this note as the *only* Type 2 presently known. Almost perfectly centered and showing modest wear, it represents the only opportunity to own a Type 2 $5 from this Taylor County bank.

$150-$250

21381

Lorimor, Iowa. $10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #12248. PMG Choice Uncirculated 63. Although just over twenty Type 1 $10s from the FNB of Lorimor, Iowa appear on the Census, the majority are in the F-VF range with only two uncirculated examples listed; this being one of them. As crisp and bright as the day it was made, this outstanding note transports one back to the depth of the Great Depression when it represented a good amount of money. Although no sales results for uncirculated examples have been recorded, an EF 40 realized $258.50 in March 2017. We expect this note to be worth considerably more.

$300-$500

21382

Mason City, Iowa. $5 1902 Plain Back. Fr. 604. The Security NB. Charter #10428. PCGS Currency Choice About New 55 PPQ. This scarce Mason City bank issued only 1902 Date Backs and Plain Backs during its brief 12 year operation between 1913 and 1925. The present $5 Plain Back is virtually new, with bold vivid embossing that literally jumps off the crisp white paper. The signatures are light but visible and the margins are full and balanced. From an April 2011 sale where it brought $977.50.

$600-$800

21383

Muscatine, Iowa. $10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #1577. PMG Choice Uncirculated 63 EPQ. Originally known as the Merchant's Exchange National Bank of Muscatine, this early Iowa Chartered Bank was renamed the FNB of Muscatine in June 1886. This Choice Uncirculated 63 EPQ example is close to Gem condition except for a slightly smaller bottom margin than top. It last brought $546 in May, 2005.

$200-$300

Maine

21384

Biddeford, Maine. $20 1902 Red Seal. Fr. 639. The First NB. Charter #1089. PMG Fine 12 Net. Repaired, Pieces Added. As collectors of National Banknotes are well aware, condition and rarity are often trade-offs, and obtaining both at the same time is an infrequent occurrence at best. Unfortunately, we cannot say this is one such opportunity, for while this Red Seal $20 is the only known of its type from the FNB of Biddeford, ME, it has had some surgery on the right edge of the note, and suffers other minor ailments such as a lightly-faded seal and signatures. Be that as it may, alternatives are nil. PMG comments "Repaired, Pieces Added."

$600-$800

Maryland

21385

Baltimore, Maryland. $10 1902 Red Seal. Fr. 613. The Western NB. Charter #1325. PCGS Currency Very Fine 20. This Red Seal $10 from the Western National Bank of Baltimore is a balanced, problem-free note with moderate circulation consistent with the VF 20 grade. The paper has mellowed some, as have the signatures and red overprint, but the overall effect is simply one of showing some normal age and use.

$300-$500

21386

Baltimore, Maryland. $10 1882 Date Back. Fr. 545. The Drovers & Mechanics NB. Charter #2499. PMG Very Fine 30. Missing from both the Kelly Census and Track & Price is this higher grade 1882 Date Back $10 from the Drovers and Mechanics National Bank of Baltimore. A most attractive and fresh VF 30 with crisp, nearly white paper, a deep rich blue overprint, nearly perfect centering with broad, generous borders, we can confidently predict the new owner will be delighted with its condition and appearance.

$800-$1,200

21387

Frederick, Maryland. $10 1902 Plain Back. Fr. 625. The Citizens NB. Charter #3476. PMG Choice Extremely Fine 45. This Choice EF 45 $10 Plain Back has not yet made it to either the Kelly Census or Track & Price, but will make a most worthy addition. Lovely paper, embossing and color with a couple of barely detectible folds give this note an appearance very close to new.

$400-$600

21388

Perryville, Maryland. $5 1902 Plain Back. Fr. 606. The NB. Charter #11193. PMG Very Fine 30. Although there are about a dozen 1902 Plain Back $5s from the NB of Perryville, MD on the sites, this note is not among them. Judging by the others though, this one would rank near the top for condition, being eclipsed by only one EF. Only lightly circulated with attractive off-white paper, four good margins and strong overprinting, it has excellent eye appeal and is really the epitome of a lightly-used Large Size $5.

$400-$600

Massachusetts

21389

Athol, Massachusetts. $10 1882 Brown Back. Fr. 480. The Millers River NB. Charter #708. PCGS Currency Fine 15 PPQ. With only two Brown Back $10s on the Census from the Millers River National Bank of Athol, and only about 15 Large Size notes of any type or denomination known, this is a relatively scarce Bank. Sharp black signatures and good paper for the grade. This note garnered a winning bid of $1,495 when last offered in September 2008.

$600-$800

21390

Athol, Massachusetts. $5 1882 Brown Back. Fr. 474. The Athol NB. Charter #2172. PMG Very Fine 25. One of the finer examples of the five known $5 Brown Backs from this Worcester County bank, the ornate title layout and superior paper quality give this note considerable appeal. This note's virtual twin was sold in a September 2008 sale for $1,552.50.

$1,250-$1,750

21391

Athol, Massachusetts. $10 1902 Plain Back. Fr. 631. The Athol NB. Charter #2172. PMG Choice Very Fine 35. The finer of the two known Plain Back $10s from the Athol National Bank in Massachusetts. this note has bright white paper a vivid rich blue overprint and full margins.

$200-$300

21392

Boston, Massachusetts. $5 1882 Brown Back. Fr. 466. The National Hide & Leather Bank. Charter #460. PCGS Currency Very Fine 20. This 1882 Brown Back $5 from the unusually named National Hide and Leather Bank of Boston features sharp black pen signatures, and a rich, bold overprint. Liquidated in 1902, the Brown Backs were the last issue from this institution. A $1,380 bid was required at its last offering in January 2006.

$700-$900

21393

Boston, Massachusetts. $10 1902 Red Seal. Fr. 613. The Merchants NB. Charter #475. PCGS Currency Very Fine 30 PPQ. The first offering of a Red Seal $10 from the Merchants National Bank of Boston in twenty years, this note epitomizes what a nice Very Fine should look like. Fresh paper with light but visible folds, giving the impression of a few years of relatively light use.

$500-$700

21394

Boston, Massachusetts. $50 1902 Date Back. Fr. 667. The Boylston NB. Charter #545. PCGS Currency Fine 12. A tough higher-denomination from this Boston bank which issued only large size notes. Well-centered and problem-free with simply good, honest wear. A September 2007 offering realized $1,150.

$600-$800

21395

Boston, Massachusetts. $5 1882 Brown Back. Fr. 467. The Mount Vernon NB. Charter #716. PMG Very Fine 25. Light to moderate circulation is seen on this broadly-margined Suffolk County 1882 Brown Back $5. Outstanding eye appeal for the grade with a very even, balanced look free from any problems or issues.

$800-$1,200

21396

Boston, Massachusetts. $50 1929 Ty. 1. Fr. 1803-1. The Webster & Atlas NB. Charter #1527. PMG About Uncirculated 50. Close inspection is needed to distinguish this note from new. A bold and vibrant printing, and according to the Census, the second-finest known. From a June 2004 sale where it realized $690.

$400-$600

21397

Boston, Massachusetts. $100 1929 Ty. 1. Fr. 1804-1. The Webster & Atlas NB. Charter #1527. PMG Choice Very Fine 35. While nine other Type 1 $100s appear on the Census from this Suffolk County bank, nearly all are in the F-VF range, placing this exceptionally strong VF-35 near the top of the pack. Only light folds are visible and the crisp off-white paper and balanced margins lend excellent visual appeal to this note.

$300-$500

21398

Chelsea, Massachusetts. $10 1902 Date Back. Fr. 619. The Broadway NB. Charter #9651. PMG Very Fine 25. This note is the sole 1902 Date Back $10 reported from this Suffolk County issuing bank. PMG comments "Stained."

$700-$900

21399

Concord, Massachusetts. $1 1875. Fr. 383. The Concord NB. Charter #833. PMG Very Good 10. Only one Series 1875 $1 from this historic Massachusetts town appears on Kelly's census, and it is *not* this note. While it has unquestionably seen extensive circulation, it is a problem-free example with no issues other than plenty of wear. The top margin is tight but design loss is minimal. A very rare note from one of the most recognized and revered locations in the country, it remains only the second to be discovered and presents an opportunity that will likely not soon be repeated.

$600-$800

21400

Dedham, Massachusetts. $5 1902 Plain Back. Fr. 609. The Dedham NB. Charter #12567. PMG Very Fine 20. This Plain Back $5 from the Dedham National Bank in Norfolk County, Mass. has seen moderate circulation, and the signatures have all but faded away. The blue overprint remains strong as does the paper. The bottom margin is tight but clear of the design. Chartered in the summer of 1924, this bank only issued Large Size notes for a brief period of time.

$400-$600

21401

Fall River, Massachusetts. $10 Original. Fr. 409a. The First NB. Charter #256. PMG Very Good 10 Net. Repaired, Piece Added. Heavily worn with extensive repairs including a piece added at the right margin. Still a scarce early note with no recorded sales of *any* Original Series $10 from this bank over the past 25 years. PMG comments "Repaired, Piece Added."

$800-$1,200

21402

Fall River, Massachusetts. $10 1882 Brown Back. Fr. 479. The First NB. Charter #256. PMG Very Fine 20. Wide and almost perfectly balanced margins, sharp pen signatures and outstanding paper for the grade make this $10 Brown Back from the FNB of Fall River, Mass. a most attractive VF-20.

$300-$500

21403

Falmouth, Massachusetts. $20 1929 Ty. 1. Fr. 1802-1. The Falmouth NB. Charter #1320. PMG Very Fine 20. Well-balanced, generous margins and a low Serial Number are featured on this evenly-worn Type 1 $20 from the Falmouth National Bank.

$125-$175

21404

Gloucester, Massachusetts. $5 1882 Date Back. Fr. 534. The City NB. Charter #2292. PMG Very Fine 25. Only the second 1882 Date Back $5 from the City National Bank of Gloucester to surface, this new-found note joins another PMG VF 25 on the Census. While nicely-margined, PMG notes some "Minor Repair" which we believe may be at the right margin. The other known example, with some staining on the front and slight loss of design due to a cutting bottom margin on the back realized $1,035 in April 2011. PMG comments "Minor Repair."

$600-$800

21405

Ipswich, Massachusetts. $10 1902 Plain Back. Fr. 628. The First NB. Charter #4774. PMG Very Fine 20. While not shown on the Census, this note would join half a dozen other Plain Back $10s from the First National Bank of Ipswich, Mass. With four clear borders, good paper, and light but fully legible stamped signatures, it certainly requires no apologies.

$400-$600

21406

Lowell, Massachusetts. $2 1875. Fr. 391. The Appleton NB. Charter #986. PMG Very Good 10 Net. Repaired, Corner Added, Faded Overprint. Despite extensive circulation which has resulted in some repair at the lower right corner, this remains a desirable and certainly rare type. The overprint has faded but the both Serial Numbers remain clear, as do the signatures. Even with these issues, this note realized $1,410 in a recent June 2019 sale. PMG comments "Repaired, Corner Added, Faded Overprint."

$1,000-$1,500

21407

Lowell, Massachusetts. $5 1882 Value Back. Fr. 574. The Union NB. Charter #6077. PCGS Currency Very Fine 25 PPQ. Graded VF 25 PPQ by PCGS, this 1882 Value Back $5 from the Union National Bank of Lowell, Mass. shows only a modest amount of wear and retains a good amount of paper freshness and color. The top margin is cut in slightly but otherwise the note is a fine example for the grade.

$600-$800

21408

Merrimac, Massachusetts. $10 1902 Red Seal. Fr. 613. The First NB. Charter #268. PMG Very Fine 20. A few scattered rust spots, mostly visible on the back, detract only slightly from the otherwise well-balanced look of this 2nd title Red Seal from the FNB of Merrimac, Mass. From one of our recent sales (8/2019) where it brought $720. PMG comments "Rust."

$600-$800

21409

New Bedford, Massachusetts. $5 1882 Brown Back. Fr. 466. The First NB. Charter #261. PMG Very Fine 25. Of the seven other Brown Back $5s from the FNB of New Bedford listed on the Kelly Census, none really appear to be superior to this VF 25 example. Fresh off-white paper and bold, rather flamboyant signatures add to the eye appeal of this note. The top margin is tight, but any design loss is minimal.

$600-$800

21410

New Bedford, Massachusetts. $10 1902 Plain Back. Fr. 624. The First NB. Charter #261. PMG About Uncirculated 53. While nine 1902 Plain Back $10s from the FNB of New Bedford are listed on the Census, none appear to be superior to this note which PMG has graded AU 53. All margins are clear though the top margin is a bit tight, and the signatures are light but legible. The crisp white paper and bold blue overprint lend much freshness to the overall look of this high grade note.

$400-$600

21411

New Bedford, Massachusetts. $1 Original. Fr. 380a. The NB of Commerce. Charter #690. PMG Choice Fine 15. Outstanding centering with four very well-balanced and generous margins, this Original Series Ace from New Bedford evidences no problems aside from good, honest wear. The paper is lightly toned but the red overprinting remains strong and the two pen signatures are sharp and legible. While four other examples are enumerated on the Census, this note is not among them. Overall, a quite pleasing Fine 15.

$600-$800

21412

New Bedford, Massachusetts. $5 1882 Brown Back. Fr. 467. The NB of Commerce. Charter #690. PMG Very Fine 20. A scarce issue, and one of only two on the Census, this Brown Back $5 from the National Bank of Commerce of New Bedford Mass. is quite well-centered with four generous margins on the front, bold and sharp pen signatures and above average paper for the grade. As this bank was liquidated in April 1898, only First Charter and 1882 Brown Backs were issued. PMG's "Split" is quite small and virtually impossible to detect. This note brought $881.25 when last offered in January 2016. PMG comments "Split."

$600-$800

21413

New Bedford, Massachusetts. $1 1875. Fr. 383. The Mechanics NB. Charter #743. PMG Fine 12. A number of Original Issue and Series 1875 Aces are found in lower grades and with some repair work. This note is no exception, with repairs at the center portion of the bottom margin. Despite the problems, the note is reasonably well-centered with much of the overprint color remaining. The other known examples are likewise in lower grade, and also with issues. PMG comments "Repaired, Piece Added."

$300-$500

21414

New Bedford, Massachusetts. $5 1882 Brown Back. Fr. 467. The Mechanics NB. Charter #743. PMG Very Fine 30. A well-balanced, evenly worn and problem free note with four good borders and sharp and bold pen signatures.

$700-$900

21415

New Bedford, Massachusetts. $5 1882 Brown Back. Fr. 467. The Mechanics NB. Charter #743. PCGS Currency Very Fine 20. One of only about half a dozen Brown Back $5s from this bank and certainly among the two best, this attractive VF 20 shows even, light wear, good color and bold signatures. At its last offering in September 2017 it realized $750.

$600-$800

21416

New Bedford, Massachusetts. $20 1902 Date Back. Fr. 642. The Mechanics NB. Charter #743. PMG Very Fine 25. The only 1902 Date Back $20 from the Mechanics National Bank of New Bedford, it realized $345 in a March 2013 sale. Good, only slightly off-white paper, good blue color on the overprint and four clear margins. The "Internal Tear" mentioned by PMG is quite difficult to pinpoint with the note inside the holder. PMG comments "Internal Tear."

$200-$300

21417

New Bedford, Massachusetts. $10 1882 Brown Back. Fr. 480. The Merchants NB. Charter #799. PMG Choice Very Fine 35. Four large "boardwalk" margins, crisp white paper, good color and very light use lend an extremely fresh look to this $10 Brown Back from the Merchants NB of New Bedford. Some slight toning of the paper at the lower right corner apparently accounts for PMG's comment, but we question why it was even mentioned as it appears to be entirely natural and not at all offensive. We might also mention it is the only one shown on the Census. Last sold by us in September 2005 for $2,185 and certainly worthy of a strong bid here. PMG comments "Corner Stain."

$600-$800

21418

New Bedford, Massachusetts. $5 1902 Red Seal. Fr. 587. The Merchants NB. Charter #799. PMG Extremely Fine 40 EPQ. Yet another "discovery" note not previously recorded on either the Kelly Census or Track & Price, this 1902 Red Seal $5 from the Merchants National Bank of New Bedford is far and away the finest out there at this point, grading a solid EF 40 EPQ against the other two which are both "Fine." Even, near perfect margins, extremely vivid and bright red overprint, crisp white paper and the barest trace of three light folds give this note exceptional eye appeal and a ticket to entry in the collections of the most discriminating collectors.

$800-$1,200

21419

New Bedford, Massachusetts. $5 1882 Brown Back. Fr. 474. The Citizens NB. Charter #2262. PMG Fine 12. Just three Brown Back $5s from the Citizens National Bank of New Bedford are around and all are in Fine condition. This note is typical for the grade, with some darkening of the paper and obvious signs of extended use, but the signatures and overprint remain strong. The top margin is touching the design, but with virtually no loss. We recently sold this note in August, 2019 for $600.

$500-$700

21420

New Bedford, Massachusetts. $50 1929 Ty. 1. Fr. 1803-1. The Safe Deposit NB. Charter #12405. PMG Very Fine 30. A well-centered Type 1 $50 showing minimal use, it brought $748 at its last recorded sale in August 2002. PMG notes "Erasure" which we believe refers to a bit of smudging to the left of the portrait on the front. PMG comments "Erasure."

$200-$300

21421

Peabody, Massachusetts. $20 1902 Plain Back. Fr. 650. The Warren NB. Charter #616. PMG Choice Fine 15. A search for Large Size $20s from the Warren National Bank of Peabody Mass. returns only this one example. While it is a well-circulated banknote, it is fully margined and really quite problem-free for the grade. Folds are evident of course and the paper color has toned somewhat, but the signatures are clear and the overprint still shows nicely. A small neat blue stamp of the letters "U.C." appears in the lower right corner on the front. An obviously rare issue, unique on the Census thus far, and really a most acceptable example. PMG comments "Ink Stamp."

$300-$500

21422

Pepperell, Massachusetts. $10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #5964. PMG Very Fine 30. Of the three Type 1 $10s from the FNB of Pepperell, Mass. listed on the Census, this particular note is not included. Being new to the market, we can state with some certainty that it is the finest extant; two of the others being listed in the VG-F range, and the third, while also a PMG VF 30, is not as nice as this note as it has considerable roughness in the top left margin. That note brought $822.50 in January 2016 and this example is distinctly better.

$600-$800

21423

Great centering, bright paper and only light wear are attributes of this Type 1 $50 from the National Mount Wollaston Bank of Quincy, Mass. With only about half a dozen known, it is by no means common.

$700-$900

21426

Springfield, Massachusetts. $5 1882 Brown Back. Fr. 466. The First NB. Charter #14. PMG Choice Fine 15. Generous, very well balanced margins and sharp, clear signatures add to the eye appeal of this note. Though fairly well worn, this bank was among the first to be chartered in June 1863 and its liquidation in March 1906 meant that the Red Seals of 1902 were the last to be issued, though none have surfaced to date. This note last sold in March 2018 for $500.

$300-$800

Though considerable wear and faded signatures are evident on this Plain Back $5 from the Martha's Vineyard National Bank, the note appears to suffer from no other issues. Just a note that did its share of work a century ago.

$1,000-$1,500

21430

Tisbury, Massachusetts. $5 1929 Ty. 1. Fr. 1800-1. The Martha's Vineyard NB. Charter #1274. PMG Choice Fine 15. A very scarce Type 1 $5 from this popular and widely sought after Bank at the northern tip of Martha's Vineyard, this evenly worn Fine 15 is how these are typically found. Only one high-grade note of this type has been located. A minor rust spot at the lower left corner is the only issue on this otherwise problem-free note. PMG comments "Minor Rust." Its last offering in May 2003 brought a winning bid of $1,179.

$300-$500

21433

Wareham, Massachusetts. $5 1929 Ty. 1. Fr. 1800-1. The NB. Charter #1440. PMG Choice Uncirculated 64. We believe this is a new "discovery" note as careful examination of the Kelly Census and Track & Price reveals no prior evidence of its existence. The only three notes of this type listed are all shown to be in "Fine" condition, making this piece far and away the finest known to date. Virtually perfectly centered, with crisp white paper, four sharp corners and a deep, rich impression, this is a prize for the finest collection.

It realized $920 when last offered in November, 2005.

$500-$700

New Hampshire

21456

Hanover, New Hampshire. $5 1902 Plain Back. Fr. 598. The Dartmouth NB. Charter #1145. PMG Choice Very Fine 35 EPQ. A most attractive Plain Back $5 from the Dartmouth NB of Hannover, New Hampshire exhibiting crisp, white paper, bright and vivid blue overprint and four full and well-balanced margins. A new note to both the Kelly Census and Track & Price, it joins perhaps ten other examples. While certainly not a rare issue, this would be ideal for a high-end circulated representative for a type set.

$600-$800

21457

Laconia, New Hampshire. $1 1875. Fr. 385. The Laconia NB. Charter #1645. PMG Fine 12. Most First Charter $1s and $2s saw heavy use and this note is no exception. From our May 2008 sale where it brought $1,265. PMG comments "Tape Repairs."

$800-$1,200

New Jersey

$300-$500

21459

Atlantic Highlands, New Jersey. $10 1929 Ty. 2. Fr. 1801-2. The Atlantic Highlands NB. Charter #4119. PCGS Currency Very Fine 20. A tougher Type 2 $10 from the Atlantic Highlands National Bank in Monmouth County, NJ, these are considerably rarer than their Type 1 counterparts with only two currently listed on the Census. This note has toned a uniform shade of tan, and shows moderate wear consistent with its grade.

$200-$300

Bergenfield, New Jersey. $5 1902 Plain Back. Fr. 606. The Bergenfield NB. Charter #11368. PMG Very Fine 25. A first title note from the Bergenfield National Bank in New Jersey and new to the Census, this VF 25 has off-white paper and a bold and a sharp blue overprint. $150-$250

21465

Perth Amboy, New Jersey. $5 1902 Plain Back. Fr. 606. The First NB. Charter #5215. PMG Fine 12. This Plain Back $5 from the FNB of Perth Amboy, NJ has doubtless performed yeoman service over its life purchasing a great many items during the 1920s and early 1930s. Well-worn though it is, PMG noted no prior damage or restoration.

$200-$300

21466

Pleasantville, New Jersey. $10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #6508. PMG About Uncirculated 50 Net. Stains Lightened, Discoloration. While this well-centered, nearly new Type 1 $10 from the FNB of Pleasantville, NJ likely never circulated, it did become stained at one time, and still bears the scars of that unfortunate event.

$100-$150

21467

Ridgewood, New Jersey. $10 1929 Ty. 1. Fr. 1801-1. The Citizens NB. Charter #11759. PMG About Uncirculated 50. A crisp and white AU-50 Type 1 $10 from the Citizen's NB and TC of Ridgewood, NJ. and certainly one of the better surviving examples of the nearly two dozen listed. Any signs of handling are all but non-existent. Although centered somewhat to the left, the margin remains clear.

$300-$500

21468

Salem, New Jersey. $20 1929 Ty. 1. Fr. 1802-1. The Salem NB & TC. Charter #1326. PCGS Currency Choice About New 55 PPQ. Replacement. A Replacement Note Type 1 $20 from the Salem National Bank & Trust Company of Salem, NJ, this Choice AU-55PPQ note is very well-centered and as one might expect from the grade, quite close to new. Of the nine listed on the Census, this is almost certainly the second-finest known trailing only one listed as "Uncirculated." We would doubt it is much better than this one.

$200-$300

21469

Trenton, New Jersey. $5 1902 Red Seal. Fr. 587. The First NB. Charter #281. PMG Choice Fine 15. A Red Seal $5 from the FNB of Trenton, NJ which has seen moderate circulation but retains some good color in the red overprint, legible signatures, and fairly bright off-white paper. One of only three presently known, it is certainly not the highest graded, but this problem-free example still presents reasonably well.

$600-$800

New Mexico

21470

Melrose, New Mexico. $20 1929 Ty. 1. Fr. 1802-1. The First NB. Charter #8397. PMG Very Fine 20. This is a very scarce bank, and the only issuer in this tiny Eastern New Mexico village. With a population of only 655 in the 1930 census, the rarity of notes from this bank is clear. In April 2006, another only slightly better Type 1 $20 from this bank brought $4,887.50. While we don't expect this note to achieve that, we do think it speaks to the rarity and desirability of this issue.

$800-$1,200

21471

Roswell, New Mexico. $10 1902 Plain Back. Fr. 632. The First NB. Charter #5220. PMG Fine 12 Net. Severed & Reattached. This Plain Back $10 from the legendary town of Roswell, New Mexico has suffered some severe trauma during its life, but has been mended. PMG comments "Severed & Reattached."

$300-$500

New York

21472

Bayside, New York. 1902 Plain Back $5 Fr. 599. The Bayside NB. Charter #7939. PMG Choice Fine 15. A new note not appearing on the Census or previous auction records, this Fine 15 displays nice, even wear consistent with the grade and is free from problems. There are five others listed on the Census, ranging from VG to XF placing this recent find near the middle of the known examples. There are obviously no prior sales for this note, but the other known examples have generally sold in the $500 to $1000 range.

$600-$800

21473

Bellmore, New York. 1929 Ty. 1 $5 Fr. 1800-1. The First NB. Charter #11072. PCGS Currency Fine 15. An evenly-circulated Type 1 from the First NB in Bellmore, a suburb of New York City in Nassau County that looks its name from the railroad station opened nearby in 1867. This note last sold in a late September, 2013 sale where it brought $558.

$200-$300

21474

Brewster, New York. 1882 Brown Back $10 Fr. 487. The First NB. Charter #2225. PCGS Currency Very Good 10. Bearing the original "Brewsters" name of this Putnam County community, this 1882 Brown Back $10 is just one of four traced so far. As the grade would suggest, it is certainly well-circulated but remains fully intact with clear signatures, overprints and design elements. It brought $1,265 when last offered in April, 2011.

$600-$800

21475

Brewsters, New York. 1902 Plain Back $10 Fr. 631. The First NB. Charter #2225. PCGS Currency Fine 15. Bold, dark signatures and even wear make this a most attractive example for the grade. Only about a dozen Large Size examples of all denominations and types are known, making this a reasonably scarce bank. This note realized $852 in a January 2013 sale.

$300-$500

21476

Bronxville, New York. 1902 Plain Back $10 Fr. 625. Gramatan NB. Charter #8240. PMG Fine 12. A well-circulated example from this fairly scarce bank, it brought $546 in a September, 2006 sale.

$200-$300

21477

Carmel, New York. 1902 Plain Back $10 Fr. 624. The Putnam County NB. Charter #976. PMG Extremely Fine 40. An attractive EF 40 Plain Back $10 from Putnam County, with nice pen signatures from the Ryder family who were the owners of the bank until the 1970s. One of seven examples on the current Census, it appears better than its grade indicates. Its previous offering in September 2005 fetched a winning bid of $2,530.

$500-$700

21478

Carmel, New York. 1929 Ty. 2 $10 Fr. 1801-2. The Putnam County NB. Charter #976. PMG Choice Very Fine 35. Attractive and problem-free for the grade. While no auction records for this note are to be found, we note the recent sale of two VFs; a 20 @ $216 and a 25 @ $312, both within the past three years.

$200-$300

21479

Cedarhurst, New York. 1929 Ty. 1 $10 Fr. 1801-1. Peninsula NB. Charter #11854. PMG Extremely Fine 40. This Type 1 Small Size $10 from the Peninsula National Bank of Cedarhurst, NY appears to be new to the Census - and a good thing as well, as the other four are all in the VG to VF range. Appearing close to new, with near perfect centering, fresh paper and good color, we expect this new discovery note to exceed the $400-$700 range realized by lesser examples.

$400-$600

21480

Deposit, New York. 1902 Plain Back $10 Fr. 626. The Farmers NB. Charter #9434. PMG About Uncirculated 50. Located near the Pennsylvania border, about 35 miles east of Binghamton, the Farmer's National Bank of Deposit is not a terribly rare bank to find, with 22 Plain Back $10s currently on the Census. However, nearly all are in the VG-VF category, leaving this AU 50 at or near the top of the Census. Last appearing in a January 2009 sale where it brought $460, we believe it is worth more today.

$600-$800

21481

East Northport, New York. 1929 Ty. 1 $5 Fr. 1800-1. The Citizens NB. Charter #12593. PMG Very Fine 20 Net. Stains. Only nine small-size $5's from this infrequently-seen Suffolk County bank appear on the census, with none listed above VF. Some light stains are evident on the front, but the overall look of the note is sound. A January 2013 auction appearance netted $1.057.50. PMG comments "Stains."

$300-$500

21482

Ellenville, New York. 1882 Date Back $5 Fr. 533. The Home NB. Charter #2117. PCGS Currency Fine 15 Apparent. Minor Edge Damage; Minor Discoloration on Back. One of only two known Series 1882 Date Back $5 known from this popular Ulster County bank, the rough top edge and slight discoloration on the back are compensated for by the overall fresh appearance and superior centering. The other known example is fairly heavily stained on both front and back. This note brought $881 in its last auction appearance in January, 2013. PCGS Currency comments "Minor Edge Damage; Minor Discoloration on Back."

$700-$900

21483

Ellenville, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Home NB. Charter #2117. PMG Very Fine 30. Serial Number 4. From the village of Ellenville (situated halfway between NYC and Albany) we offer this Type 1 $20 from Home National Bank. With the Kelly Census showing only five examples, and all graded in the F-VF range, this PMG 30 bearing Serial No. 4 is likely the finest available. We sold this note recently (in May, 2018) and it realized $432. We expect a similar result.

$300-$500

21484

Ellenville, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Home NB. Charter #2117. PMG Very Fine 25. A nice Type 1 small-size $20 from the Home NB of Ellenville, this VF 25 falls in the middle of the pack condition-wise. Only four others are accounted for, and all appear to be in the F-VF area. Sold previously in January 2004 for $920, and while unlikely to break that record, a mid three-figure bid is expect for this scarcity.

$300-$500

21485

Elmsford, New York. 1929 Ty. 2 $5 Fr. 1800-2. The First NB. Charter #12956. PMG About Uncirculated 53. A nice Type 2 1929 $5 from the FNB of Elmsford, NY. Looks virtually new, and may be save for what may be a counting fold in the lower left corner. One of a handful of low Serial No. notes known from this Westchester County bank. No sales records were found for this particular note, but the most recent sales record for an AU 55 was the $862.50 realized in a March, 2014 sale.

$400-$600

21486

Freeport, New York. 1929 Ty. 1 $20 Fr. 1802-1. The First NB. Charter #7703. PMG Very Fine 30. Serial Number 2. Bearing Serial #2, this note is a pleasing mid-grade VF with only minor discoloration on the reverse. Previous sales records are of little help here, as there are a handful of Serial #1's about, but based on a June 1985 sale at $147, we would expect a mid three-figure bid for this note. PMG comments "Stains."

$200-$300

21487

Harrison, New York. 1929 Ty. 1 $20 Fr. 1802-1. The First NB. Charter #12601. PMG Very Fine 30. From this tough Westchester County bank comes a VF 30 Type 1 $20. While closely cut at the lower left front, the overall condition of the note is quite nice and possibly the best available as the others appear to be in the Fine 12-15 range. Its only recorded sale in September 2004 realized $1,725.

$300-$500

21488

Harrison, New York. 1929 Ty. 1 $20 Fr. 1802-1. The First NB. Charter #12601. PMG Very Fine 20. This Type 1 $20 from Harrison, NY is joined by only four others on the census, all in approximately the same grade. While it evidences considerable wear from circulation, it remains a scarce note. Its last offering in a December 2010 sale brought $862.50.

$300-$500

21489

Hempstead, New York. 1882 Brown Back $5 Fr. 472. The First NB. Charter #4880. PMG Very Good 8. With only three other Brown Backs known from this popular bank, its rarity should compensate for the condition of this note. While it is well-used, there are no stated defects or problems. At an October 1998 sale, it realized $962.50. Higher-grade examples bring in excess of $5,000, so this presents an opportunity to acquire a rare note at reasonable cost.

$800-$1,200

21490

Hempstead, New York. 1902 Plain Back $5 Fr. 603. The First NB. Charter #4880. PMG Extremely Fine 40. Oddly, while no auction records appear for this note, it does appear on the Census as "Uncirculated." Looking at the note, that grade is understandable, as there appears to be almost no evidence of circulation whatsoever. However, it presently resides in an NGC EF 40 holder, and thus is offered here as such. While we cannot speak for the grading services and we have not examined it out of the holder, we would not be surprised to see a higher grade upon resubmission.

$300-$500

21491

Hempstead, New York. 1902 Plain Back $5 Fr. 603. The First NB. Charter #4880. PMG Very Fine 25. While no auction records or Census listing appears for this note, it is a solid mid-grade specimen that fits in the center of the population ranking. Nice clear signatures with an interesting pen notation dated 10/1927 at the upper right edge of the front. Some light discoloration is also evident there but does not appreciably detract. PMG comments "Stain, Annotation."

$200-$300

21492

Hempstead, New York. 1902 Plain Back $5 Fr. 603. The First NB. Charter #4880. PMG Very Fine 25. Offered twice in the mid-1990s, when it brought in the $350-$400 range, it has been off the market for the past 25 years or so. While the bottom margin is close, the overall appearance is decent for the grade.

$200-$300

21493

21495

Hempstead, New York. 1929 Ty. 1 $5 Fr. 1800-1. The First NB. Charter #4880. PMG About Uncirculated 53 EPQ. Of the eighteen or so known examples of a Type 1 $5 from the FNB of Hempstead, this one stands head and shoulders above the rest. Most all the others are in the VG-VF range. This striking AU 53 EPQ is nearly perfectly centered and has rich, original embossing. It brought $558 in a recent, March 2019 sale and is a top-grade example worthy of a generous bid.

$400-$600

21496

Hempstead, New York. 1929 Ty. 1 $5 Fr. 1800-1. The First NB. Charter #4880. PMG Fine 12. A well-worn example which certainly bought its share of "stuff" in the 1930s and 40s. Certainly appropriate as a "filler" or for a collector on a budget.

$100-$150

21497

Hempstead, New York. 1929 Ty. 1 $50 Fr. 1803-1. The First NB. Charter #4880. PMG Very Fine 30. This mid-grade VF from the FNB of Hemstead in Nassau County displays only a few trivial rust spots to the right of the portrait. Otherwise a solid note with a good impression. $200-$300

21501

Highland Falls, New York. 1902 Plain Back $5 Fr. 600. The First NB. Charter #8850. PMG Very Fine 20. With only a few tiny, trivial rust spots, this Plain Back VF from the FNB of Highland Falls NY otherwise is free of any problems. Four clear margins and sharp signatures lend a pleasing overall look. No auction records for this particular note have been found, but similar notes seem to be worth in the $500-$700 range. PMG comments "Minor Rust."

$500-$700

21502

Huntington, New York. 1902 Plain Back $20 Fr. 650. The First NB. Charter #6587. PMG Very Fine 20. As the only large-size $20 from this bank to appear on the census, the rarity of this issue is beyond dispute. While the side margins are generous, the bottom margin is a bit tight. Bold ink signatures and pleasing for the grade. It has not appeared at auction since October, 1998 - at that time realizing $660. PMG comments "Ink Stamp."

$600-$800

21503

Huntington, New York. 1929 Ty. 1 $10 Fr. 1801-1. The First NB & TC. Charter #6587. PMG Choice Fine 15 Net. Tear. A well-circulated note from this extremely elusive small size issue from the FNB & TC of Huntington NY. Fewer than half a dozen of these notes have been traced, and while this one may not top the condition charts, its rarity is indisputable. Certainly worthy of a mid three-figure bid. PMG comments "Tear."

$600-$800

21504

Irvington, New York. 1929 Ty. 2 $10 Fr. 1801-2. The Irvington NB & TC. Charter #6371. PMG Very Fine 25. As the only bank to issue in this Westchester County city, this remains a popular Charter for collectors. A nice mid-grade VF, this note last realized $1,380 in a September, 2004 appearance.

$800-$1,200

21505

Irvington, New York. 1929 Ty. 2 $10 Fr. 1801-2. The Irvington NB & TC. Charter #6371. Fine. An elusive small size note for the second title of this charter number. A mis-cut is seen in the top margin, with a stain seen above and to the left of the top serial number.

$800-$1,200

21506

Larchmont, New York. 1902 Plain Back $10 Fr. 634. The Larchmont NB & TC. Charter #6019. PMG About Uncirculated 50. A beautifully-centered and fresh appearing Plain Back $10 evidencing only the slightest trace of circulation. Last appearing in a December 2010 auction where it brought $920.

$700-$900

21507

Lynbrook, New York. 1902 Plain Back $5 Fr. 607. The Peoples NB. Charter #11603. PMG Very Fine 25. A most acceptable example of a moderately-circulated note, most auction records show results for VF's in the $250-$450 range.

$300-$500

21508

Lyons Falls, New York. 1902 Plain Back $5 Fr. 609. The Lyons Falls NB. Charter #12836. PCGS Currency Very Good 8 Apparent. Stains; Edge and Internal Splits. With only three other (low grade) examples on the census, this scarce Lewis County bank certainly does not turn up often. Graded Apparent VG8, this note has certainly seen better days. However its rarity keeps it active in the collecting community. Three sales since 2000 in the $500-$1000 range confirm its desirability, the most recent being a sale for $690 in April 2012. PCGS Currency comments "Stains; Edge and Internal Splits."

$400-$600

21509

Margaretville, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB. Charter #5924. PCGS Currency Choice About New 55. A choice AU note from this infrequently-seen Delaware County bank. It last sold in October 2012 for $881 and as one of the finest examples out there, should again realize a strong price.

$600-$800

21510

Massena, New York. 1902 Plain Back $5 Fr. 598. The First NB & TC. Charter #6694. PMG Choice Fine 15. A scarce bank in Large Size, this 1902 Plain Back $5 is one of only six on the census. While it has seen some circulation, it is a problem-free example and quite pleasing for the grade - a fact reflected in its $2,760 realization at its last sale in September, 2004.

$500-$700

21511

Montour Falls, New York. 1929 Ty. 1 $20 Fr. 1802-1. Montour NB. Charter #10497. PMG Very Fine 25. A new addition to the census, this low serial no. note (C000052A) joins two others, neither of which appears to be graded higher. Scarce bank.

$600-$800

21512

Mount Kisco, New York. 1882 Brown Back $5 Fr. 474. The Mount Kisco NB. Charter #5026. PMG Very Good 8 Net. Repaired, Severed & Reattached, Thinning. A well-worn note which has seen its share of use as well as repair. Despite its low grade, it remains quite a scarce item, and can serve as a filler for the type. PMG comments "Repaired, Severed & Reattached, Thinning."

$600-$800

21513

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB. Charter #5026. PMG Choice Extremely Fine 45. A well-centered XF with only light folds visible on the front, this Mount Kisco NB 1902 Plain Back last traded hands in December 2010 at $1,092.

$500-$800

21514

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB. Charter #5026. PMG Extremely Fine 40. A near perfectly-centered PMG 40, with four sharp corners and crisp paper, this note is about as nice as lightly circulated examples come. While we feel the grade is very conservative, we're also certain that the next owner will be more than pleased with its condition. It appears to have last traded in April 2003 when it was hammered at $1,495. Really quite a nice note.

$400-$600

21515

Mount Kisco, New York. 1902 Plain Back $20 Fr. 658. The Mount Kisco NB. Charter #5026. PMG Very Fine 30. The only $20 Plain Back from the Mount Kisco NB appearing on the census, this lovely VF 30 is almost perfectly centered and has a bright, fresh appearance for the grade. It most recently appeared in a December 2010 sale where it realized $1,840 but earlier records suggest an even higher value.

$500-$700

21516

Mount Kisco, New York. 1902 Plain Back $5 Fr. 606. The Mount Kisco NB & TC. Charter #5026. PMG Choice Extremely Fine 45 EPQ. Though only graded by PMG as XF45 EPQ, we believe this note to be nearly the equal of the AU 55 also appearing in this sale. As the scarcer "2nd title" variety, we are unquestionably offering the two finest examples here with the possible exception of Serial No. 1, which brought $9,400 in August of 2012.

$600-$800

21517

Mount Kisco, New York. 1929 Ty. 1 $5 Fr. 1800-1. The Mount Kisco NB & TC. Charter #5026. PMG Choice Very Fine 35. Serial Number 10. For low serial # fans, we offer A000010A on a lightly circulated 1929 Type 1 $5 from the Mount Kisco NB & TC. PMG's "Minor Discoloration" comment has us scratching our heads a bit... maybe the slightest hint on the back? Its last sale in December 2010 netted $747.50. PMG comments "Minor Discoloration."

$300-$500

21518

New Rochelle, New York. 1902 Plain Back $5 Fr. 598. The National City Bank. Charter #6427. PMG Choice Fine 15. Last sold by Stacks just over 20 years ago where it brought $632.50, more recent sales records for similar notes have maintained that value. Good overall appearance for the grade albeit a bit tight at the top margin.

$300-$500

21519

New Rochelle, New York. 1902 Plain Back $10 Fr. 624. The National City Bank. Charter #6427. PMG Very Fine 25. A scarce issue from this Westchester County bank with only three others listed on the census, this note boasts outstanding centering and a great overall appearance for the grade. It realized $805 in a September 2004 sale, where it was noted it had been acquired from Tom Denly in 1989.

$600-$800

21520

New Rochelle, New York. 1902 Plain Back $20 Fr. 650. The National City Bank. Charter #6427. PMG Very Fine 25. A rare note, and the *only* example of its type on the census. While close at the bottom, the overall eye appeal of this note is quite nice for the grade, and offers a great opportunity to acquire the only known $20 1902 Plain Back from the National City Bank of New Rochelle. This note brought $374 in a December 2010 sale and should realize well over that today.

$600-$800

21521

New York, New York. 1902 Red Seal $10 Fr. 613. The First NB. Charter #29. PMG Very Fine 20. A solid mid-grade example of this fairly scarce low-charter No. issue (only four shown on the census), this note should bring more than a less attractive example which sold in September 2017 for $264.

$300-$500

21522

New York, New York. 1929 Ty. 1 $10 Fr. 1801-1. The First NB. Charter #29. PMG Gem Uncirculated 66 EPQ. As bright and fresh as the day it was made, this outstanding 66 EPQ is almost certainly one of the finest known. While 65's appear with some frequency, a 66 is quite a different story, with *none* appearing on any sales records. With 65's bringing in the $200 range, this top condition example should be worth considerably more.

$300-$500

21523

New York, New York. 1902 Red Seal $10 Fr. 613. The NB of Commerce. Charter #733. PMG Very Fine 25. A respectable mid-grade piece, a bit tight at the bottom margin, but displaying good color and paper quality for the grade. No recent sales records for this particular note, but other VF's appear to be bringing in the $300 to $500 range.

$200-$300

21540

Oneida, New York. 1875 $1 Fr. 384. The Oneida Valley NB. Charter #1090. PCGS Currency Very Good 8 Apparent. Edge Tears. The low-denomination notes from this period naturally saw the heaviest circulation (keeping in mind that $1.00 in 1875 was equivalent to about $25.00 today), so the well-worn condition of this $1 note from the Oneida Valley National Bank comes as no surprise. Only one other example appears on the Census, and is likewise in low grade. Despite the wear, all signatures and overprints remain legible and clear. PCGS Currency comments "Edge Tears."

$500-$700

21541

Ossining, New York. 1929 Ty. 2 $10 Fr. 1801-2. The First NB & TC. Charter #471. PMG About Uncirculated 50. A nice AU 50 example of this Type 1 Small Size $10 from this highly collectible Westchester County Bank. Only a very light center fold is visible on this otherwise nearly-new note.

$400-$600

21548

Peekskill, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Westchester County NB. Charter #1422. PMG Choice Very Fine 35. Scarcer than the Small Size $10s from this bank, the $20 denomination is represented by only five examples on the Kelly Census - three Type 1s and two Type 2s. This 1902 Plain Back $20 is the only one of its denomination to be found of any type, and while far from new, there simply are no alternatives. Only $2,111 was shown as outstanding when it closed in July, 1932. This note realized $1,092.50 when it last appeared just over 10 years ago in a January 2012 sale. PCGS Currency comments "Small Edge Tears."

$500-$700

21554

Red Creek, New York. 1902 Plain Back $10 Fr. 631. The Red Creek NB. Charter #10781. PMG Fine 12. While a fair number of Small Size notes from this bank are available, Large Size notes are considerably tougher with only three $10s appearing on the Kelly Census. Undeniably well-worn, but also undeniably scarce. Its last offering in April 2012 brought a winning bid of $747.50

$300-$500

21555

Rochester, New York. 1902 Red Seal $5 Fr. 588. The NB. Charter #8026. PCGS Currency Very Fine 20 PPQ. An exceptionally clean, problem-free note for the grade, this 1902 Red Seal $5 from the NB of Rochester shows a vivid red overprint and sharp clear signatures. It drew a winning bid of $1,610 at its last offering in September 2007.

$400-$600

21556

Roscoe, New York. 1902 Plain Back $10 Fr. 625. The First NB. Charter #8191. PMG Very Fine 30. One of only five Large Size $10s from this Sullivan County bank (all in similar or lower grade) offerings over the past 30 years or so have been sparse to say the least, with only one (nearly identical in grade to this one) sold in January 2004 at $1,092.50.

$400-$600

21557

Salem, New York. 1902 Plain Back $10 Fr. 624. The Salem NB. Charter #7588. PMG Very Good 8 Net. Rust. While the Census indicates a sheet of Small Size Type 2 $10s was evidently cut and distributed, Large Size notes are quite rare, with only two $5s and one $10 shown, all in low grade. This $10 has seen its share of use, but the oft-used phrase "find a better one" comes to mind. We find it a bit odd that PMG mentioned "rust" on a note of this grade as the two tiny spots are nearly impossible to locate and do not impact this note in the least. An April 2012 offering brought $460. PMG comments "Rust."

$300-$500

21558

Scarsdale, New York. 1902 Plain Back $5 Fr. 607. The Scarsdale NB. Charter #11708. PMG Extremely Fine 40. Showing the second title for this bank (Scarsdale National Bank and Trust Company), this note is by no means rare or even scarce, with 42 Plain Back $5s on the current Census. It is however, among the finest known of all these, with nearly all the others in the VG-VF range. This fully-margined and minimally circulated EF 40 at first glance appears almost new, with only the slightest evidence of light folds visible under close inspection. Absolutely a must for the aficionado of high-grade notes.

$400-$600

21559

Stamford, New York. 1929 Ty. 1 $10 Fr. 1801-1. The NB. Charter #2602. Very Fine. Staining is noticed.

$125-$175

21560

Tuckahoe, New York. 1902 Plain Back $10 Fr. 631. The First NB & TC. Charter #10525. PMG Choice Fine 15. Although there are nearly 60 notes from the FNB & Trust Co. of Tuckahoe on the census, the vast majority of these are Small Size $10s and $20s. Only about a dozen Large Size notes are listed, and most of those, like this note, are pretty well circulated. Despite the extensive circulation, four full margins and legible signatures lend a balanced look.

$700-$900

21561

Tuckahoe, New York. 1929 Ty. 1 $20 Fr. 1802-1. The First NB & TC. Charter #10525. Very Fine. A pinhole is noticed along with light stains.

$125-$175

21562

Utica, New York. 1882 Brown Back $5 Fr. 468R. The Oneida NB. Charter #1392. PMG Very Good 10. Replacement Plate. Heavily worn and faded. A Replacement Plate and unlisted on the Census.

$400-$600

21563

Utica, New York. 1882 Brown Back $5 Fr. 468. The Oneida NB. Charter #1392. PMG Very Good 10. The Oneida National Bank of Utica was a prolific issuer of National Banknotes from its Charter in 1865 through the end in 1935. With over 160 notes on the Census, this bank is by no means rare, but just a half dozen $5 Brown Backs are listed. Red ink was used for the President's signature, which appears to be the main draw from this otherwise well-worn example. PMG comments "Tears."

$400-$600

21564

West Hempstead, New York. 1929 Ty. 2 $5 Fr. 1800-2. The West Hempstead NB. Charter #13104. PMG Choice Fine 15. One of only three Type 2 $5s from this Charter No. on the census, and the finest of the lot, the other two being damaged. From a 2002 Stack's Sale.

$600-$800

21565

West Hempstead, New York. 1929 Ty. 1 $10 Fr. 1801-1. The West Hempstead NB. Charter #13104. PMG Very Fine 25. Serial Number 8. A low Serial Number from this Nassau County bank, this note realized $2,645 when last offered in June 2004. With the recent appearance of Serial No. 1 (also in this sale) we doubt it will bring what it did earlier, but we still expect a four-figure bid for this scarce and desirable note. PMG comments "Ink Lightened."

$800-$1,200

21566

West Hempstead, New York. 1929 Ty. 1 $10 Fr. 1801-1. The West Hempstead NB. Charter #13104. PMG Very Fine 25. At the higher end of the census condition scale, with most of the others in the 10-20 range. Nicely balanced margins and solid for the grade. We last sold this note in August 2019 when it brought $1,320.

$800-$1,200

21567

West Hempstead, New York. 1929 Ty. 1 $10 Fr. 1801-1. The West Hempstead NB. Charter #13104. PMG Very Fine 20. Another from this popular Nassau County bank displaying moderate circulation.

$800-$1,200

21568

West Hempstead, New York. 1929 Ty. 2 $10 Fr. 1801-2. The West Hempstead NB. Charter #13104. PMG Very Fine 20. A slightly scarcer Type 2 $10 from the West Hempstead NB. Well-circulated to be sure, but free from problems. Last traded in 1998 for $770.

$800-$1,200

21569

West Hempstead, New York. 1929 Ty. 2 $10 Fr. 1801-2. The West Hempstead NB. Charter #13104. PMG Choice Fine 15. A late Charter addition in July 1927, the West Hempstead National Bank issued only Small Size $5s and $10s. Most today survive only in the VG-F range with this note being typical. Its April 2010 auction appearance required $2,070 to take it home.

$700-$900

21570

White Plains, New York. 1902 Plain Back $5 Fr. 609. The Peoples NB. Charter #12574. PMG Very Fine 20. A heavily circulated note that has had some repair work done. PMG comments "Minor Repairs."

$800-$1,200

21571

White Plains, New York. 1929 Ty. 1 $5 Fr. 1800-1. The Peoples NB & TC. Charter #12574. PMG Very Fine 25. Displaying light to moderate circulation, this Type 1 $5 from this highly collectible bank is a nice problem-free example. While no prior sales records for this particular note were found, an inferior note (graded Fine, with a small stain) recently brought $504 in a sale last September.

$400-$600

21572

White Plains, New York. 1929 Ty. 2 $5 Fr. 1800-2. The Peoples NB & TC. Charter #12574. PMG Very Fine 30. A nice VF 30 Type 2 $5 from this White Plains bank. From our August 2012 sale at $705. PMG comments "Pinholes."

$400-$600

21573

White Plains, New York. 1929 Ty. 1 $10 Fr. 1801-1. The Peoples NB & TC. Charter #12574. PMG Very Fine 25. A nearly identical twin to the Type 1 $5 from this bank also in this sale, this VF 25 $10 is likewise free from problems and evidences light to moderate circulation. This particular note does not appear on the Kelly Census, but similar notes appear to be trading in the mid to upper three-figure range.

$400-$600

21574

White Plains, New York. 1929 Ty. 1 $10 Fr. 1801-1. The Peoples NB & TC. Charter #12574. PMG Very Fine 25. A second example of a Type 1 $10 from this popular bank, this one showing a bit more wear than the last. Still a presentable example.

$400-$600

21575

White Plains, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB & TC. Charter #12574. PMG Choice Very Fine 35. A third VF 35 Type 1 $20 from this Westchester County bank, and probably the nicest of the three with good centering and only minimal evidence of circulation.

$500-$700

21576

White Plains, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB & TC. Charter #12574. PMG Choice Very Fine 35. Joining two other VF 35 Type 1 $20s from the People's National Bank and Trust Company of White Plains NY, this note is centered low with minor design loss at the lower right corner.

$400-$600

21577

White Plains, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB & TC. Charter #12574. PMG Choice Very Fine 35. One of three VF 35's from this collectible White Plains bank, showing only a few light folds.

$500-$700

21578

White Plains, New York. 1929 Ty. 1 $20 Fr. 1802-1. The Peoples NB & TC. Charter #12574. PMG Very Fine 20. It is difficult to tout the rarity of a note in which five are being offered in the same sale, but the demand for this White Plains bank seems to keep interest and prices up. This VF 20 shows the most circulation obviously, and should allow one to own an example at a more reasonable price.

$400-$600

21579

Whitehall, New York. 1929 Ty. 1 $10 Fr. 1801-1. The NB. Charter #8388. PMG Choice Fine 15. Only two Small Size $10 notes have thus far surfaced from this extremely scarce Washington County bank, and both are well-worn examples in the Fine 12-15 range. So while both of these notes certainly did their share of work in the channels of commerce, there are simply no other alternatives. This note's virtual twin earned a winning bid of $780 at its last offering in September 2018.

$300-$500

21580

Valley Stream, New York. 1902 Plain Back $5 Fr. 607. The Valley Stream NB. Charter #11881. PCGS Currency Fine 12. From the Valley Stream National Bank (bearing the first title) is this 1902 Plain Back $5. The signatures have faded away and the note is moderately worn, but the overall appearance for the grade is quite decent. An $1,150 note when last sold in April 2012.

$400-$600

21581

Valley Stream, New York. 1902 Plain Back $5 Fr. 607. The Valley Stream NB & TC. Charter #11881. PMG Very Fine 20. This "second title" issue from the Valley Stream National Bank and Trust Company in Nassau County is one of five on the census and sits in the middle of the pack for condition. Four clear margins and legible signatures are definite pluses for this copy. A $1,200 note at its last and recent offering in January 2018.

$500-$700

21582

Yonkers, New York. 1902 Plain Back $5 Fr. 598. The First NB. Charter #653. PMG Very Good 8. A heavily circulated Plain Back $5 from this highly collectible Westchester County bank. Damage is noticed to the PMG holder.

$200-$300

21583

Yonkers, New York. 1902 Plain Back $10 Fr. 624. The First NB. Charter #653. PMG Choice Very Fine 35. Considerably scarcer than the $5 denomination from this bank, only a few Plain Back $10s have been offered in recent years. A pleasing VF 35 showing only light folds, this note appears to sit near the top of the condition census.

$400-$600

21584

Yonkers, New York. 1902 Plain Back $20 Fr. 650. The First NB. Charter #653. PMG Very Fine 20. A Plain Back $20 from the highly collectible FNB of Yonkers, NY, this note retains some crispness and reasonably decent eye-appeal for the grade. Some light staining is still evident on the back. The top margin is tight, but just clear of the design. An August 2006 sale brought a bid of $431.25. PMG comments "Stains Lightened."

$300-$500

North Carolina

21585

Cherryville, North Carolina. $10 1902 Plain Back. Fr. 626. The First NB. Charter #9548. Very Fine. A popular bank title from Gaston County. Dark violet stamped signatures are attractive for the assigned condition. Light edge staining on the right end.

$600-$800

21586

Winston-Salem, North Carolina. $5 1902 Plain Back. Fr. 609. The Farmers NB & TC. Charter #12278. PMG Very Good 10. Heavily worn with significant deterioration of the paper at the bottom margin. That this note did its fair share of work in the channels of commerce in and around Winston Salem, NC cannot be denied. PMG comments "Paper Pulls."

$200-$300

North Dakota

21587

Bismarck, North Dakota. $10 1929 Ty. 1. Fr. 1801-1. The Dakota NB & TC. Charter #13398. PMG Very Fine 20. A popular Burleigh County issuing bank title, offered here in a Very Fine grade.

$200-$300

21588

Casselton, North Dakota. $10 1902 Plain Back. Fr. 624. The Cass County NB. Charter #7142. PMG Very Fine 20. This note is one of just six reported to this Cass County issuing bank. Notes from this charter seldom appear at public auction.

$500-$700

21589

$500-$700

21590

Fargo, North Dakota. $50 1929 Ty. 1. Fr. 1803-1. The First NB & TC. Charter #2377. PMG Very Fine 30. The second title for this Cass County issuing bank. An always popular higher denomination note from the National Banking era. This note last reportedly traded hands publicly in a 2002 auction.

$600-$800

21591

Fargo, North Dakota. $100 1929 Ty. 1. Fr. 1804-1. The First NB & TC. Charter #2377. PMG Very Fine 25. This note bears the second title for the charter number. Serial number "B000026A." One of just seven Type 1 $100's reported for this title. PMG comments "Partial Stamp Ink."

$1,500-$2,500

21592

Fargo, North Dakota. $5 1902 Plain Back. Fr. 599. The Merchants NB. Charter #8170. PMG Choice Very Fine 35 EPQ. This Plain Back Five is being offered in an appealing mid-grade with PMG's coveted EPQ designation having been applied. The signatures are neat & legible.

$600-$800

21595

Walhalla, North Dakota. $10 1902 Plain Back. Fr. 626. The First NB. Charter #9133. PMG Choice Fine 15. This note is one of just nine large size known in Track and Price's census for this Pembina County issuing bank.

$600-$800

Ohio

21596

Canton, Ohio. $10 1902 Plain Back. Fr. 624. The First NB. Charter #76. PMG Choice Very Fine 35. This Choice Very Fine 35 Plain Back $10 from the FNB of Canton, OH shows the obligatory "three light vertical folds" but few other signs of use. Crisp white paper and a bold, bright blue overprint all suggest a very easy and limited life in circulation. A prolific and long-lived bank, the FNB of Canton was chartered in September 1863 and continued to issue notes through 1935.

$150-$250

21597

Cincinnati, Ohio. $20 1882 Brown Back. Fr. 504. The German NB. Charter #2524. PCGS Currency Fine 12. Two Brown Back $20s from the German National Bank of Cincinnati are presently shown on the Census - this note makes three. While grading only Fine 12, it remains free from any significant problems, and simply displays some light toning of the paper and some fading of the seal and right signature.

$300-$500

21598

Hamilton, Ohio. $20 1929 Ty. 1. Fr. 1802-1. The First NB & TC. Charter #56. PMG Very Fine 30. The front of this Type 1 $20 is quite clean, but the back shows considerable staining. PMG comments "Stains."

$80-$120

21599

Morrow, Ohio. $5 1902 Plain Back. Fr. 600. The First NB. Charter #8709. PMG About Uncirculated 50. This note appears on the Kelly Census, but as it had not appeared at auction, no grade was noted. Now that PMG has assigned a grade of AU 50, we can say with some confidence that it is likely the finest of the eight known examples.

$300-$500

21600

Tippecanoe City, Ohio. $5 1882 Brown Back. Fr. 467. The Tipp NB. Charter #3004. PMG Very Good 10. Only three Brown Backs from the Tipp National Bank of Tippecanoe City, OH are presently known. This well-worn example certainly "made the rounds" in its day, and likely purchased lots of stuff! Toned a medium tan with a bit of roughness at the top border, it is nonetheless free from any repair or restoration, and survives today in the state at which it ended its circulating life. The pen signatures remain visible and mostly legible.

$600-$800

21601

Urbana, Ohio. $5 1902 Plain Back. Fr. 602. The NB. Charter #4805. PMG Extremely Fine 40. While three vertical folds are apparent, the balance of the note evidences virtually no signs of circulation leading us to speculate that this note may have had just one owner, who folded it and kept it for a rainy day that may have never come. *From the Don C. Kelly Collection of Ohio National Bank Notes.*

$250-$350

21602

Wilmington, Ohio. $5 1902 Red Seal. Fr. 587. The First NB. Charter #365. PMG Very Fine 30. The Kelly Census records only one Red Seal $5 from the FNB of Wilmington, OH - and you are looking at it now. Graded VF 30 by PMG, we can report that the paper is nearly white, the red embossing is vivid and bright and the note has four full borders. Only the signatures are light with the right signature nearly gone. Aside from that, the note has an amazingly fresh look for a VF 30 and we really see only the lightest trace of circulation.

$800-$1,200

Oregon

21603

Junction City, Oregon. $10 1902 Plain Back. Fr. 628. The First NB. Charter #10218. PMG Very Fine 20. Despite a missing lower left corner and scattered staining on both the front and back, the overall wear to this note is quite light and the paper remains relatively bright and crisp. With a mere $370 in Large Size notes outstanding in 1935, the scarcity of this issuer is evident. From a January 2011 sale where it brought $862.50. PMG comments "Corner Damage, Stained."

$600-$800

21604

Portland, Oregon. $20 1929 Ty. 1. Fr. 1802-1. The United States NB. Charter #4514. PMG Very Fine 30. A superior note for the grade showing only the lightest traces of handling and circulation.

$80-$120

Pennsylvania

21605

Bethlehem, Pennsylvania. $5 1882 Date Back. Fr. 533. The Lehigh Valley NB. Charter #2050. PMG Fine 12. This 1882 Date Back $5 from the Lehigh Valley National Bank of Bethlehem, Pennsylvania is well-circulated as suggested by the Fine 12 grade, but is wholly intact and free from problems. Damage is noticed to the PMG Holder which is almost as worn as the note.

$500-$700

21606

Bethlehem, Pennsylvania. $5 1902 Plain Back. Fr. 602. The Lehigh Valley NB. Charter #2050. PMG About Uncirculated 53. While just over two dozen Plain Back $5s from the Lehigh Valley NB of Bethlehem, PA appear on the Census, only four rise above the VF grade. We are at a bit of a loss to explain the AU 53 grade, as this note is a virtual twin to its sheet mate (s/n 29417 D) which was graded Uncirculated. We see no evidence of circulation whatsoever on this note. It retains full freshness, color and would be a prize addition to any collection.

$300-$500

21607

Carnegie, Pennsylvania. $10 1902 Plain Back. Fr. 634. The Carnegie NB. Charter #6174. PMG Choice Fine 15. Looking over the census, only one example of a Plain Back $10 from the Carnegie NB grades above "Fine", the other four being heavily circulated examples like this one. Despite extensive use, this note has suffered no serious damage or restoration, has a good overprint for the grade and fully visible stamped signatures. Damage is noticed to the upper left corner of the PMG holder.

$150-$250

21608

Catawissa, Pennsylvania. $5 1902 Date Back. Fr. 590. The Catawissa NB. Charter #7448. PMG About Uncirculated 53. According to Track & Price and the Kelly Census, there are *no* 1902 Date Back $5s from the Catawissa National Bank known. However, we seem to have one here. Graded AU 53 by PMG, it shows evidence of light handling, but no real folds are detected. We would be remiss in our cataloging duties if we neglected to mention some roughness at the top margin. If that bothers you too much, good luck in finding another.

$400-$600

21609

Cheltenham, Pennsylvania. $5 1902 Plain Back. Fr. 609. The Cheltenham NB. Charter #12526. Fine. Just eight large size notes are reported to this Montgomery County issuing bank. Staining is noticed on the right end.

$200-$300

21610

Clarks Summit, Pennsylvania. $10 1929 Ty. 2. Fr. 1801-2. The Abington NB. Charter #10383. PMG Very Fine 25. An elusive Lackawanna County issuing bank, with this note being the second Type 2 $10 to come forth publicly.

$600-$800

21611

Easton, Pennsylvania. $5 1882 Brown Back. Fr. 474. The First NB. Charter #1171. PMG Extremely Fine 40. Neatly penned signatures are noticed on this Northampton County issued bank note. The design is dark & the appeal nice for the assigned grade.

$800-$1,200

21612

Homestead, Pennsylvania. $5 1882 Date Back. Fr. 537. The Homestead NB. Charter #5365. PMG Choice Very Fine 35. Chartered in May 1900, the Homestead National Bank issued only 1882 Brown Backs and Date Backs before its liquidation in January 1916. This attractive VF 35 shows only light circulation with the top margin just touching the design though no loss is seen. Bold blue overprint and light but legible signatures.

$600-$800

21613

Hummelstown, Pennsylvania. $10 1902 Red Seal. Fr. 613. The Hummelstown NB. Charter #2822. PMG Very Good 10. While this note has no doubt seen better days, its rarity is undeniable as it is the only Red Seal known from this Hummelstown, PA bank. While the signatures have all but faded away and the red overprint is a bit smudged, alternatives for one seeking a Red Seal from this bank are, shall we say, limited. This offering constitutes the first offering of any note of this type from this bank in recent history. PMG comments "Repaired, Stains Lightened."

$600-$900

21614

Lancaster, Pennsylvania. $100 1929 Ty. 1. Fr. 1804-1. The Lancaster County NB. Charter #683. PCGS Banknote Very Fine 25. A small edge tear at the upper left corner and small ink stain near the lower left Serial Number were noted by PCGS Banknote on this moderately circulated $100 from the Lancaster County National Bank. PCGS Banknote comments "Ink, Edge Tear."

$200-$300

21615

Lehighton, Pennsylvania. $5 1902 Date Back. Fr. 590. The Citizens NB. Charter #6531. PMG Very Fine 25. New to the Kelly Census but appearing on Track & Price, this 1902 Date Back $5 from the Citizens National Bank of Lehighton, PA fits comfortably in the middle between the VG-F and the AU already listed. With a bright blue overprint, large bold signatures and off-white paper that retains some crispness, this is an attractive mid-grade example.

$200-$300

21616

Lincoln, Pennsylvania. $5 1902 Plain Back. Fr. 598. The Lincoln NB. Charter #3198. PCGS Currency About New 50 PPQ. A wonderfully-centered and crisp white Plain Back $5 from the Lincoln National Bank of Lincoln, PA. With only the lightest traces of circulation, it is the finest of the four listed on the Census. Fresh, with superior eye appeal.

$800-$1,200

21617

Newton, Pennsylvania. $5 1902 Plain Back. Fr. 598. The First NB & TC. Charter #324. PMG Choice Very Fine 35. A bright and attractive $5 Plain Back from the First NB & TC of Newton, PA., this note spent only a brief time in commercial channels. With only three light vertical folds and one very light horizontal fold, the paper, color and freshness remain quite close to new. The top left margin is close but entirely free of the design.

$300-$500

21618

Oley, Pennsylvania. $10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #8858. PMG Choice Uncirculated 64 EPQ. National collectors seeking original CU examples of Type 1 $10's will rejoice at the chance to acquire this note. Nearly Gem with fully original paper. Excellent appeal for the assigned grade.

$300-$500

21619

Phoenixville, Pennsylvania. $20 1929 Ty. 1. Fr. 1802-1. The Farmers & Mechanics NB. Charter #1936. PCGS Currency Fine 15. Moderately circulated but well-centered, this Type 1 $20 from the Farmers and Mechanics National Bank of Phoenixville, PA shows the scarcer first title, without the hyphen after "Mechanics."

$100-$150

21620

Pittsburgh, Pennsylvania. $20 1929 Ty. 1. Fr. 1802-1. First NB. Charter #252. PMG Very Fine 25. Nicely-centered with light to moderate wear on this Type 2 $5 from this prolific Pittsburgh bank.

$60-$80

21621

Pittsburgh, Pennsylvania. $5 1902 Plain Back. Fr. 598. The Mellon NB. Charter #6301. Very Fine. A popular Pennsylvania issuer, seen here in Very Fine condition.

$100-$200

21622

Stoystown, Pennsylvania. $100 1929 Ty. 1. Fr. 1804-1. The First NB. Charter #5682. PCGS Banknote Very Fine 25. A Type 1 $100 from this infrequently-offered Somerset bank, the "Ink" mentioned is beyond trivial. PCGS Banknote comments "Ink."

$500-$700

21623

Susquehanna, Pennsylvania. $20 1929 Ty. 1. Fr. 1802-1. The City NB. Charter #3144. PMG Choice Fine 15. While obviously a veteran of numerous transactions, this remains a scarce note with only two other Small Size $20s presently known.

$300-$500

21624

Uniontown, Pennsylvania. $100 1929 Ty. 1. Fr. 1804-1. NB of Fayette County. Charter #681. PCGS Banknote Very Fine 25 Details. Discoloration. This Type 1 $100 from the National Bank of Fayette County in Uniontown, PA appears to display slight fading on the overprint accounting for PCGS Banknote's comment. While we can track no prior sales for this particular note, a PMG VF 25 very recently brought $420 in a late February, 2021 sale. PCGS Banknote comments "Discoloration."

$300-$500

21625

West Chester, Pennsylvania. $5 1902 Plain Back. Fr. 598. The First NB. Charter #148. PMG Choice Very Fine 35. While not a rare note per se, as over three dozen appear on the Census, this Choice VF 35 Plain Back $5 is a most attractive note with a rich and deep blue overprint, crisp white paper and only a few light folds to indicate it was spent a few times. A good low Charter No. note for a type collector.

$300-$500

21626

West Chester, Pennsylvania. $10 1902 Plain Back. Fr. 624. The First NB. Charter #148. PMG Choice Very Fine 35. A nice match for the Plain Back $5 from the FNB of West Chester also appearing in this sale, the $10 is considerably scarcer with only six specimens tracked to date. With four unusually broad and well-balanced margins, nice blue overprint, crisp white paper and only light circulation, it would serve as a great choice for a type collector as well.

$300-$500

21627

West Chester, Pennsylvania. $10 1902 Plain Back. Fr. 624. The First NB. Charter #148. PMG Very Fine 30. Completing the trio of 1902 Plain Backs from the FNB of West Chester, PA in this sale, is this VF 30 $20. Similar in quality to the $5 and the $10, it shows a bold, blue overprint and four clear margins, but there is some fading on the two signatures and the note manifests a bit more wear. From a November 2011 sale where it brought $259.

$200-$300

Rhode Island

21628

Ashaway, Rhode Island. $5 1929 Ty. 1. Fr. 1800-1. The Ashaway NB. Charter #1150. PMG Very Fine 30. This lightly circulated VF 30 Type 1 $5 appears problem-free and attractive for the grade. The last VF sold in April 2012 for $632.50.

$200-$300

21629

Ashaway, Rhode Island. $10 1929 Ty. 1. Fr. 1801-1. The Ashaway NB. Charter #1150. PMG Very Fine 20. A new note to the Census, this Type 1 $10 has seen some use but entirely in keeping with the grade. Some deep fold lines and light staining is apparent only on the back. PMG comments "Stained."

$175-$275

21630

Ashaway, Rhode Island. $20 1929 Ty. 1. Fr. 1802-1. The Ashaway NB. Charter #1150. PMG Choice Fine 15 Net. Large Split. As the only Small-Size $20 from this bank appearing on the Census, I suppose one must take what they can get. Graded Fine 15, there is a split on the right side. Given the lack of alternatives, this can hopefully be overlooked by the serious collector in need of an example. PMG comments "Large Split."

$150-$250

21631

Centreville, Rhode Island. $20 1902 Date Back. Fr. 642. The Centreville NB of Warwick. Charter #1284. PMG Very Fine 20. A search on the NBN Census for *any* Large Size $20 from the Centreville NB of Warwick yields only one other result... suggesting to us that this is quite a rare banknote. Fortunately for the collector, this appears to be a moderately circulated example with no real issues other than some wear. Sharp, clear signatures and only very slight discoloration to the paper make this a most acceptable example of what is evidently a very tough note to locate. No prior auction results were found.

$600-$800

21632

Centreville, Rhode Island. $10 1929 Ty. 1. Fr. 1801-1. The Centreville NB of Warwick. Charter #1284. PMG Choice Very Fine 35. Chartered in 1865, the Centreville National Bank of Warwick issued notes in all series till the end in 1935. Appearing virtually new, this Choice VF 35 is well-centered and bears only the slightest evidence of use. We are quite sure the winner of this VF will be pleasantly surprised with its condition.

$500-$700

21633

Newport, Rhode Island. $1 Original. Fr. 380. The Newport NB. Charter #1492. PMG Choice Fine 15. With about half a dozen examples of an Original Series Ace from the Newport National Bank accounted for, this is not a prohibitively rare note. It is however, a solid, problem-free note with simple honest wear in keeping with its grade. Nice legible signatures and rich red color add to the overall appeal of this well-circulated but still appealing note. From the collection of Q. David Bowers, and from our October 2010 sale, where it brought $977.50.

$600-$800

21634

Newport, Rhode Island. $10 1882 Brown Back. Fr. 482. The Newport NB. Charter #1492. PMG Choice Fine 15. While the Kelly Census records a few 1902 series $10s, this is the only 1882 Series that appears. Sharp clear signatures and a bold, deep red Treasury Seal add to the overall appeal of this note. From a January 2006 sale @ $920.

$800-$1,200

21635

Newport, Rhode Island. $5 1929 Ty. 2. Fr. 1800-2. The Newport NB. Charter #1492. PMG Very Fine 25. A well-centered mid-grade example. The other three Small Size $5s appearing on the Census are in similar condition as well.

$100-$150

21636

Newport, Rhode Island. $1 Original. Fr. 380. The Aquidneck NB. Charter #1546. PMG Very Good 8 Net. Repairs. A well-worn note that has seen some repair, it remains fairly scarce. The other documented examples are likewise in fairly low grade. From the Q. David Bowers Collection and our October 2010 sale where it brought $276. PMG comments "Repairs."

$300-$500

21637

Newport, Rhode Island. $5 1902 Plain Back. Fr. 598. The Aquidneck NB. Charter #1546. PMG About Uncirculated 53. A very lightly-circulated example with only two light folds visible on the front. Crisp and bright.

$300-$500

21638

Newport, Rhode Island. $10 1902 Plain Back. Fr. 624. The Aquidneck NB. Charter #1546. PMG Choice Very Fine 35. The Census indicate this is likely the second-finest example. A tight margin at bottom, but the paper is crisp. The back is particularly choice.

$200-$300

21639

Newport, Rhode Island. $20 1902 Plain Back. Fr. 650. The Aquidneck NB. Charter #1546. PMG Very Fine 25. A pleasing, problem-free mid-grade example of this 1902 Plain Back $20.

$200-$300

21640

Newport, Rhode Island. $5 1902 Plain Back. Fr. 599. The National Exchange Bank. Charter #1565. PMG Very Fine 25. A well-centered note that has seen moderate circulation, the purple colored signatures add a bit of character. No high grade examples of this type are found on the census, making this note among the better specimens available.

$150-$250

21641

Newport, Rhode Island. $10 1902 Plain Back. Fr. 625. The National Exchange Bank. Charter #1565. PMG Very Fine 30. Moderate circulation but retains decent eye appeal. Only one other 1902 Plain Back $10 from this bank is recorded.

$200-$300

21642

North Providence, Rhode Island. $1 1875. Fr. 383. The Pacific NB. Charter #1616. PMG Very Good 8 Net. Restoration. While undeniably well used with some restoration, the other Series 1875 $1s from the Pacific National Bank of North Providence are not appreciably better. A nearly impossible note to find in decent condition, collectors searching for this must be satisfied with what is available. From the Q. David Bowers Collection. PMG comments "Restoration."

$600-$800

21643

Pawtucket, Rhode Island. $10 1882 Brown Back. Fr. 480. The Slater NB. Charter #856. PMG Choice Fine 15. While the overall look of this note is quite good for the assigned grade, the top margins show a bit of design loss on both front and back - typical of many New England notes. No recent sales records were found for this particular note, but similar Fine notes have brought around $1,000.

$800-$1,200

21644

Providence, Rhode Island. $20 1882 Brown Back. Fr. 493. The First NB. Charter #134. PMG Choice Very Fine 35. A perusal of the NBN Census reveals a solitary entry for a $20 note from the FNB of Providence, that being this VF 35 Brown Back. Beautifully centered with wide margins and bold black signatures, this note presents extraordinarily well. The "Discoloration" mentioned by PMG appears to be a slight very pale brown hue on the upper left and right portion of the front. We are far from offended by it and it detracts little from this notes overall appeal. PMG comments "Discoloration."

$800-$1,200

21645

Providence, Rhode Island. $5 1882 Brown Back. Fr. 467. The Fourth NB. Charter #772. PCGS Currency Fine 12. Though only graded Fine 12, this note is virtually perfect for the grade. Four large and well-balanced margins, bold, rich black ink signatures and even wear make this an ideal example of its type.

$400-$600

21646

Providence, Rhode Island. $1 1875. Fr. 383. The Phenix NB. Charter #948. PMG Fine 12. Printed on blue end paper, this 1875 $1 from the Phenix National Bank of Providence has seen its share of use, but remains intact. Last sold in September 2004 for $747.50.

$300-$500

21647

Providence, Rhode Island. $5 1929 Ty. 2. Fr. 1800-2. The Phenix NB. Charter #948. PMG Very Fine 25. Part of a trio of Type 2 Small Size notes from the Phenix National Bank of Providence, this note is nice VF 25 showing moderate folds from circulation.

$60-$80

21648

Providence, Rhode Island. $10 1929 Ty. 2. Fr. 1801-2. The Phenix NB. Charter #948. PMG Very Fine 30. While not a rare note, nearly all the others known are also in this grade range. Part of a trio ($5, $10, and $20) of Type 2 notes from this bank in the sale.

$60-$80

21649

Providence, Rhode Island. $20 1929 Ty. 2. Fr. 1802-2. The Phenix NB. Charter #948. PMG Very Fine 25. Along with the $5 and $10 Type 2 notes from this bank being offered here, this $20 is a mid-range VF. A few tiny ink spots were noted for the sake of accuracy, but detract little from this note. PMG comments "Pinholes, Minor Ink."

$60-$80

21650

Providence, Rhode Island. $1 Original. Fr. 380a. The Fifth NB. Charter #1002. PMG Fine 12. Displaying simply honest wear, this Fine 12 Original Ace from the Fifth National Bank of Providence is problem-free and respectable example for the grade. Clear brown pen signatures and vibrant red seal add to the visual appeal of this worn, but very collectible note. It recently brought $600 in a September 2017 sale.

$500-$700

21651

Providence, Rhode Island. $100 1929 Ty. 1. Fr. 1804-1. The Mechanics NB. Charter #1007. PMG Choice Very Fine 35. The Mechanics National Bank of Providence was chartered in 1865, and continued issuing notes through 1935. This Choice VF 35 $100 is clean and problem-free and is suitable for type purposes as well as those collecting notes from this prolific institution.

$300-$500

21652

Providence, Rhode Island. $50 1929 Ty. 1. Fr. 1803-1. The Mechanics NB. Charter #1007. PMG Choice Very Fine 35. A Choice Very Fine 35 Type 1 $50 from the Mechanics National Bank of Providence, RI exhibiting few, if any signs of any real circulation. Bright and crisp with a barely detectible horizontal fold.

$300-$500

21653

Providence, Rhode Island. $1 1875. Fr. 384. The Merchants NB. Charter #1131. PMG Choice Fine 15. While several Original Issue $1s are known from the Merchants National Bank of Providence, only one Series 1875 is presently listed on the census. The note faces up quite well for a Fine 15, with good paper and red color. Whatever repairs were made were done skillfully and visible only under close inspection. From our October 2010 sale, where it brought $747.50. PMG comments "Repaired."

$700-$900

21654

Providence, Rhode Island. $10 1902 Date Back. Fr. 616. The Merchants NB. Charter #1131. PMG Very Fine 20. A moderately circulated VF 20 free from problems.

$150-$250

21655

Providence, Rhode Island. $20 1902 Date Back. Fr. 642. The Merchants NB. Charter #1131. PMG Very Fine 25. A new note to the Census, joining three others of similar or lesser grade. The signatures are faint, but legible. Date Backs for this issue are considerably tougher than their Plain Back counterparts.

$150-$250

21656

Providence, Rhode Island. $5 1875. Fr. 401. The Old NB. Charter #1151. PMG Fine 12. One of four examples known, this moderately-circulated note is tightly trimmed on all four sides but wholly intact and sound. The Charter Number and Series at left is nearly gone and the Treasury Seal is somewhat faded, but the Charter Number at right is bold and clear. PMG comments "Faded Charter Number and Series."

$600-$800

21657

Providence, Rhode Island. $1 1875. Fr. 384. The Weybosset NB. Charter #1173. PMG Choice Fine 15. Displaying a typical look and amount of wear for the issue, this 1875 $1 from the Weybosset National Bank of Providence boasts four clear margins and legible signatures and a clear red overprint. While no sales records were found for this particular note, similar examples have sold in the $750 to $900 range over the past ten years.

$700-$900

21658

Providence, Rhode Island. $1 Original. Fr. 380b. The Manufacturers NB. Charter #1283. PMG Fine 12 Net. Repaired, Pieces Added, Annotation. That this note has seen its share of surgery is undeniable as PMG's comments are unambiguous. However most of the other six known examples of an Original Series $1 from this bank are likewise nothing to brag about, with four of those grading from Poor to Good. All this notwithstanding, this note did bring $632.50 in a November 2013 sale, well over the realizations for any of the other examples offered before or since. PMG comments "Repaired, Pieces Added, Annotation."

$300-$500

21659

Providence, Rhode Island. $20 1902 Date Back. Fr. 642. The Providence NB. Charter #1302. PMG Very Fine 30. A fresh and pleasing VF 30 with good paper and color.

$150-$250

21660

Providence, Rhode Island. $10 Original. Fr. 411. The Commercial NB. Charter #1319. PMG Very Good 10 Net. Discoloration. Substantial wear and fading is evident on this Original Issue $10 from this Providence Bank. It remains a rare note, with only one other shown on the census and no sales records of any kind seen for either example. PMG comments "Discoloration."

$300-$500

21661

Providence, Rhode Island. $5 1882 Brown Back. Fr. 468. The Blackstone Canal NB. Charter #1328. PMG Choice Fine 15 Extensive circulation but free from problems with wide balanced margins and bold printed signatures.

$500-$700

21662

Providence, Rhode Island. $10 1902 Date Back. Fr. 616. The Blackstone Canal NB. Charter #1328. PMG Choice Uncirculated 63 EPQ. A Choice Uncirculated 63 EPQ from this popular bank. Close margin at top but otherwise a nice example.

$600-$800

21663

Providence, Rhode Island. $5 1882 Date Back. Fr. 537. The United NB. Charter #5925. PMG Choice Very Fine 35. Showing only light folds and the barest traces of circulation, this exceptionally fresh Series 1882 Date Back $5 is a most attractive example.

$600-$800

21664

Smithfield, Rhode Island. $20 1902 Plain Back. Fr. 650. The First NB of Smithfield. Charter #1035. PMG Very Fine 30 EPQ. Only light to moderate circulation is noted on this 1902 Plain Back $20 from the First National Bank of Smithfield RI. Exceptional paper quality (EPQ) and deep bold blue overprint balance help to offset a tight trim at the bottom margin. Almost certainly the finest example of the four known.

$800-$1,200

21665

Warren, Rhode Island. $1 Original. Fr. 380. The National Warren Bank. Charter #1419. PMG Good 6 Net. Corner Reconstructed. A heavily worn, tightly trimmed and somewhat soiled Original Series $1 from the National Warren Bank, it remains a scarce and desirable note even in low grade judging by past sales results. From the Q. David Bowers Collection, this note brought $546 in our October 2010 sale. PMG comments "Corner Reconstructed."

$400-$600

21666

Wickford, Rhode Island. $1 Original. Fr. 380b. The Wickford NB. Charter #1592. PMG Very Good 10. This Original Issue $1 from the Wickford National Bank has no issues other than heavy circulation. Always nice to see a note that obviously worked very hard during its life survive for over 150 years.

$300-$500

21667

Wickford, Rhode Island. $1 1875. Fr. 385. The Wickford NB. Charter #1592. PMG Fine 12. Despite some evidence of work in the upper center portion of the note, this 1875 Series $1 from Wickford, RI retains some appeal due to it being the only known example of its type. PMG comments "Repaired."

$400-$600

21668

Woonsocket, Rhode Island. $5 1902 Plain Back. Fr. 598. The Citizens NB. Charter #970. PMG Very Fine 25. While the Kelly Census enumerates seven examples of a 1902 Plain Back $ from the Citizens National Bank of Woonsocket, RI, sales records are an entirely different matter as none have been located over the past 30+ years. As the first offering in some time, this note should satisfy nearly anyone looking for an example. Decent off-white paper, four full margins and moderate wear entirely consistent with the grade make this a solid addition to any collection.

$400-$600

21669

Woonsocket, Rhode Island. $10 1902 Plain Back. Fr. 624. The Citizens NB. Charter #970. PMG Choice Fine 15. Two other 1902 Plain Back $10s from the Citizens National Bank of Woonsocket appear on the Census. Both are in the VG-F range, so this Fine-15 example could possibly be the finest currently available. The signatures are faded, and the back has some light brown coloration, but the margins are full and the blue overprint is bright and clear. PMG comments "Minor Discoloration."

$300-$500

21670

Woonsocket, Rhode Island. $20 1902 Plain Back. Fr. 650. The Citizens NB. Charter #970. PMG Choice Fine 15. Unlike the $10 1902 Plain Back from the Citizens National Bank of Woonsocket appearing in this sale, this $20 is conspicuously absent from the Census. The condition of the two notes is nearly identical - both have faded signatures and similar margins. A tiny spot on the back is mentioned for the sake of accuracy. The two notes together would make an intriguing and unique display.

$300-$500

21671

Woonsocket, Rhode Island. $10 1902 Date Back. Fr. 616. The National Union Bank. Charter #1409. PMG Choice Very Fine 35. This 1902 Date Back $10 from the National Union Bank of Woonsocket displays well with only a few light circulation folds visible. The signatures appear to have faded away. Fairly well-centered, with a bold blue overprint, the overall look of the note is really quite good. No 1902 Date Backs have been sold recently according to the online sites.

$800-$1,200

21672

Woonsocket, Rhode Island. $10 1902 Plain Back. Fr. 624. The Producers NB. Charter #1421. PMG Very Fine 20. This 1902 Plain Back $10 from the Producers National Bank of Woonsocket is cut in at the bottom margin, but is otherwise a solid mid-grade example of the type.

$250-$350

21673

Woonsocket, Rhode Island. $20 1902 Plain Back. Fr. 650. The Producers NB. Charter #1421. PMG Choice Fine 15. Evidencing moderate though not excessive circulation, this Plain Back $20 from the Producers National Bank of Woonsocket is one of only three on the Census. The margins are clear, and while the overall look is a bit tired, we should all look this good when we're 115 years old.

$200-$300

South Carolina

21674

Brunson, South Carolina. $10 1902 Plain Back. Fr. 632. The First NB. Charter #10832. PMG Fine 12. Rather heavily toned and burdened with its fair share of problems, this remains an elusive note from this Hampton County SC bank which issued only Plain Back $10s during its relatively brief life from 1916 to 1929. PMG comments "Split Repair, Stains."

$800-$1,200

21675

Charleston, South Carolina. $5 1902 Plain Back. Fr. 602. The Bank of Charleston National Banking Assoc. Charter #2044. PMG Very Fine 20. Fairly bright off-white paper and sharp signatures are the assets of this Bank of Charleston (SC) National Banking Association Plain Back $5. It does however show some deep folds / splits on the back. PMG comments "Splits."

$100-$150

South Dakota

21676

Saint Lawrence, South Dakota. $20 1929 Ty. 1. Fr. 1802-1. The First NB. Charter #12547. PMG Very Fine 30. In operation for only eight years from 1924 to 1932, the FNB of St. Lawrence, SD issued only a few Large Size Plain Backs and Type 1 $10s and $20s. Survivors are few and far between, and this nicely-centered and bright VF 30 is easily in the top two or three known of any of their Small Size issues. An April 2006 sale of this note brought $920.

$600-$800

Texas

21677

Palestine, Texas. $5 1929 Ty. 1. Fr. 1800-1. The First NB. Charter #3694. Very Fine. A popular Anderson County issued note. Silk damage is noticed.

$100-$150

Utah

21678

Salt Lake City, Utah. $5 1902 Plain Back. Fr. 600. The Continental NB. Charter #9403. PMG Very Fine 25. With crisp off-white paper and rich blue overprint, this is certainly one of the better VF 25s we've seen. Though centered a bit high, with minor loss at the top, the note's overall freshness and brightness more than compensate. A new note to the Census as well.

$200-$300

Vermont

21679

Bennington, Vermont. $5 1902 Red Seal. Fr. 587. The First NB. Charter #130. PCGS Currency Very Fine 20 PPQ. One of only two Red Seal $5s from the FNB of Bennington, VT, this note is very tightly trimmed on all sides though design loss is minimal. The Bank President's signature also appears to be located very high on the note as well. While the paper quality is good, we must also note a very small tear and tape repair at the left margin. Despite a few faults, this remains a scarce note with only one other (Uncirculated) example known. From a November 2002 sale where it brought $1,006. Tape/tear repair.

$600-$800

21680

Chelsea, Vermont. $10 1929 Ty. 1. Fr. 1801-1. The NB of Orange County. Charter #4929. PMG Very Fine 30. Well-centered though showing some clear signs of use as have the other survivors. None on the Census appear to be graded higher than VF.

$200-$300

21681

Chelsea, Vermont. $20 1929 Ty. 1. Fr. 1802-1. The NB of Orange County. Charter #4929. PMG Choice Very Fine 35. A new addition to the Census, with five others presently listed, this note may well be the current finest known grading VF-35. The others are shown in the VG-VF category and unlikely to surpass this one. Good centering and bright white paper with three light vertical folds certainly place this at the upper end of the "VF" spectrum.

$200-$300

21682

Rutland, Vermont. $50 1929 Ty. 1. Fr. 1803-1. The Killington NB. Charter #2905. PMG Very Fine 20. A fairly scarce note with only five others reported on the Census, most around this grade. Light, uniform wear is evident but no unusual problems or issues present.

$250-$350

Virginia

21683

Alexandria, Virginia. $10 1902 Plain Back. Fr. 624. The First NB. Charter #651. Fine. Staining is noticed.

$150-$250

21684

Alexandria, Virginia. $10 1929 Ty. 1. Fr. 1801-1. Alexandria NB. Charter #7093. PMG About Uncirculated 53. Only the slightest trace of a light horizontal fold separate this note from the Gem New category. Bold and sharp embossing along with gorgeous bright white paper give this note a striking appearance. While a dozen other Type 1 $10s from the Alexandria National Bank appear on the Census, none approach this one for condition. We can confidently say this is the finest example found to date.

$400-$600

Washington

21685

Ellensburg, Washington. $20 1929 Ty. 1. Fr. 1802-1. The NB. Charter #11045. PMG Choice Fine 15. In receivership by November 1933, this is by no means a common issue with only six Small Size $20s from this bank on the Census.

$300-$500

21686

Walla Walla, Washington. $5 1902 Plain Back. Fr. 606. The First NB. Charter #2380. PMG Choice Fine 15. A moderately-circulated Plain Back $5 from the FNB of Walla Walla, WA showing some repair work to the left of the portrait. The overall paper color and integrity is decent for the grade, though the signatures have all but vanished. Formerly sold in November, 2007 for $1,266. PMG comments "Minor Repair."

Gary, West Virginia. $5 1902 Date Back. Fr. 592. The Gary NB. Charter #8333. PMG Fine 12. A well-worn but problem-free 1902 Date Back $5 from the Gary NB in Gary, WV. The paper has toned considerably, but all design elements remain clear and the margins are full. Large size notes from this bank are rare, with fewer than ten documented of all types and denominations. One of only two known $5 Date Backs, this note fetched a bid of $1,150 when last offered in September, 2008.

Green Bay, Wisconsin. $10 1902 Plain Back. Fr. 628. The McCartney NB. Charter #4783. PMG Choice Fine 15. This Fine 15 Plain Back $10 from the McCartney National Bank of Green Bay, WI is the variety without the regional letter. While the signatures have effectively faded and the bottom margin is cut in slightly, it should provide an inexpensive opportunity to own a Large Size note from this popular Wisconsin city. PMG noted no problems or repairs.

Milwaukee, Wisconsin. $20 1929 Ty. 1. Fr. 1802-1. The Marine National Exchange Bank. Charter #5458. PMG Extremely Fine 40. Displaying few, if any signs of circulation, this Type 1 $20 from the Marine National Exchange Bank of Milwaukee would make an excellent choice for a type set as it is not a rare bank, so there should be no premium for rarity. Very close to new.

Terms & Conditions – Showcase and Collectors Choice Auctions

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than $500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer's Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of $20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer's invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding $10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of $35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to $2,500, with a maximum of $10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to

Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of $10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item'(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later

than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

a. COINS, CURRENCY AND CRYPTOCURRENCY TOKENS LISTED IN THIS CATALOG AS GRADED AND ENCAPSULATED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE ARE SOLD "AS-IS" EXCEPT AS EXPRESSLY SET FORTH HEREIN AND MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER. ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER. BUYERS SHOULD CONTACT THESE THIRD PARTY GRADING SERVICES DIRECTLY WITH RESPECT TO ANY CLAIMS OR QUESTIONS THEY MAY HAVE CONCERNING THEIR GUARANTEES AND WARRANTIES. BUYERS ACKNOWLEDGE AND AGREE THAT AUCTIONEER IS NOT BOUND BY OR LIABLE FOR ANY OPINION OR CERTIFCATION BY ANY THIRD PARTY GRADING SERVICE.

b. In the case of non-certified coins, currency and cryptocurrency tokens that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin, currency, or cryptocurrency token such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. Non-certified coins, currency and cryptocurrency

tokens that have been either examined by the Buyer prior to the Auction Sale or purchased by the Buyer or Buyer's agent at the Auction Sale, will not be granted return privileges, except for authenticity.

c. All non-certified coins and currency are guaranteed to be genuine.

d. All certified and non-certified cryptocurrency tokens are guaranteed to be genuine only. Auctioneer disclaims any guaranty of any kind with respect to cryptocurrency tokens, including, but not limited to: face value, the contents or existence of any accounts, wallets, or other physical, digital or other receptacles of value, the existence of a cryptographic private key, or the ability to fund any cryptocurrency. Actual cryptocurrency value is neither confirmed nor guaranteed by Auctioneer.

If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

e. Late remittance or removal of any item from its original container or third party graded holder, or altering a coin constitutes just cause for revocation of all return privileges.

f. Grading or condition of rare coins, currency and cryptocurrency tokens may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity

of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each

party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

14. Chinese Translation. The Chinese translations are provided as a matter of convenience. In the event of a conflict, all English Terms and Conditions and lot descriptions take precedence and are binding.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing Terms of Sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.
